I move the suspension of Rule 8 providing for consideration of a bill only until or after the 9th calendar day following the meeting in which the bill was introduced so it will be on the agenda this Wednesday.

Mr. Lally:

Second the motion.

Which motion prevailed.

The Chair presented

No. 1499. Petition requesting a hearing on Police actions at Baxter Public School on October 8, 1976.

Which was read and referred to the Committee on Public Safety.

Mr. Givens:

Mr. Chairman, in regards to that particular hearing, as Chairman of the Public Safety Committee, I had attended a few of the meetings and I ask on behalf of the safety of that particular neighborhood that Council members consider waiving Section 8 for a week or two so this particular incident is reviewed by this Council. I do that with the utmost feeling of the security and safety of the people who live there, and until this thing is openly discussed in public-type form, I feel that the situation is very tight there.

I think certain things have to be discussed here among the School Board and Baxter School itself, so I indulge or ask all Council members if at all possible to schedule a hearing this coming Thursday at

3:50, so the hearing can be conducted as quickly as possible.

The Chair:

Do I hear a second? There being no second on the bill, it will be at our regular Wednesday meeting.

Incidentally, I might add that I have spoken to the Human Relations Commission and they have indicated that they are going to set up a public hearing with all of the commission members present.

Mr. Stone:

I personally think it ought to go to the Human Relations Commission. I think they ought to resolve this. They don't need to come here. I don't think it is fair to the Commission to let someone else handle it, but, on the other hand, if it does become heated as it was previously, then I see an emergency hearing on the way. As it stands right now, I think it should go to the Human Relations Commission.

Mr. DePasquale:

I just want to reiterate a few things. I have expressed time and time again that we are a legislative body and not an investigative body and I think that unless we get an up-to-date report from there, we shouldn't go any further.

Mr. Givens:

As I have indicated previously, I attended the meetings and have talked with these people, and to truly understand what their feelings are, one has to be there. They have indicated to me that they are requesting a public hearing and they want to do it very quickly, so I am asking Council members to consider the safety of the citizens in that area.

I have asked for certain participants from the City Administration to come to their meetings and the Administration has denied them the opportunity to confront these individuals. Until they talk to these people and

look at the situation, this thing is going to continue on and more harm will be done.

Even if we have our committee meeting on Wednesday, I would hope we can set up an emergency type of session to introduce this legislation, because I feel we should give them the opportunity--this week preferably--to get it out of the way.

Mr. Stone:

I misunderstood you, Mr. Givens. You mention that they are abiding. I don't think either side is trespassing with impunity.

Instead of them coming to us with the problem, I think it should be resolved by the Human Relations Commission themselves because they have more machinery, so to speak, for this type of problem and it should be handled by them.

I will get to the point--as legislators, we will do whatever is necessary, but I still think the Commission should handle it. I'm just trying to guard it, that's all.

REPORTS OF COMMITTEES

Mr. Coyne (for Mr. Caliguiri) presented

No. 1500. Report of the Committee on Finance for October 20, 1976, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1393. A Resolution entitled, "Authorizing issuance of a warrant in favor of William G. and Jean E. Louch in the amount of \$700.00 in settlement of claim for property damage and providing for payment therefor."

Which was read.

Also,

Bill No. 1394. A Resolution entitled,

"PROVIDING for the issuance of a warrant in favor of Community Action Pittsburgh, Inc. in the amount of \$6,413.28, reimbursement for program costs within their 1975 Agreement without previous authority of law; and providing for the payment thereof."

Which was read.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes: 8 Noes none

And there being two-thirds of the votes of council in the affirmative, the bills passed finally.

Also

Bill No. 1395. A Resolution entitled, "Transferring \$650,000.00 from Code Accounts within the Department of City Treasurer; and \$50,000.00 from Code Account No. 42, Contingent Fund, to Code Account No. 41, Refunds, Real Estate Taxes, Department of City Treasurer for a total sum of \$700,000.00."

Which was read.

Mr. DePasquale	Mr. Stone
Mr. Lally	Mr. Caliguiri
Mr. Lucchino	(Pres't pro tem)

Ayes: 7 Noes one (Mr. Givens
voting "No.")

And a majority of the votes of council in
the affirmative, the bill passed finally.

Also

Bill No. 1401. A Resolution entitled,
"Authorizing the Mayor to issue and the City
Controller to countersign a warrant in favor
of Fischbach and Moore Incorporated, in the
amount of Twenty One Thousand Fourteen
(\$21,014.00) Dollars in payment for 'Extra
Work' being in addition to the original con-
tract price of Eight Hundred Twenty Two
Thousand Three Hundred (\$822,300.00)
Dollars on Controller's Contract No. 21550
furnished for the benefit of the City in con-
nection with Pump Stations Supervisory
Control System without previous authority of
law and providing for the payment thereof."

Which was read.

And on the question, "Shall the bill pass
finally?"

The ayes and noes were taken, agreeably
to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri (Pres't pro tem)

Ayes: 8 Noes none

And there being two-thirds of the votes of council in the affirmative, the bills passed finally.

Also,

Bill No. 1402. A Resolution entitled, "Authorizing the Mayor to issue and the City Controller to countersign a Warrant in favor of J-Jac Construction Corporation, in the amount of Two Hundred Thirty Five Thousand Two Hundred Ninety One Dollars and Eighty Three Cents (\$235,291.83), in payment for Extra Work being in addition to the original contract price of One Million Four Hundred Sixty One Thousand Seven Hundred Eight Dollars and Ninety Five Cents (\$1,461,708.95), on Controller's Contract Number 21162-F furnished for the benefit of the City in connection with the G.P.C. of Mossfield Boulevard, Garfield Code Enforcement Program, without previous authority of law and providing for the payment thereof."

Which was read.

Mr. Stone:

Mr. President, I would like to speak on Bill No. 1402. I would like to address my objections to this bill. We are talking about some work which amounted to \$235,291.83. If you recall last Wednesday I had mentioned that the Director had admitted that it was a bad estimate. I think it comes closer to being grossly negligent because the work was done some two years ago.

In my opinion, it is bad business for the Administration and I think it opens grounds for abuse and I believe it upsets the bidding procedure.

I recall a few years back when this Administration held back \$350,000 from a man because the contract read \$375.00. Just recently, with regard to bidding on community equipment with Motorola a consultant made some recommendations but they didn't accept it and had indicated that they will not bid at that particular point.

It seems to me that the City Administration should know good business, and what is worse is that Council understands this "check and balance" and the responsibilities that we have and yet we just let it pass. I think we should look closer into it and I will vote against it. I can't see why we should approve \$250,000 as extra work under these conditions. I think something ought to be done about this.

Mr. Lally:

Mr. Stone, I think you might be missing something. Every contractor bids the specification for the job. Everybody had the same opportunity.

Mr. Stone:

Not exactly. They said they mis-estimated it.

Mr. Lally:

This had to be done in conjunction with the original contract.

Mr. Stone:

Where the problem lies is that there are a lot of missing answers. Number 1, we are told the contractor had to do the job over, on some roadwork. Okay. Did he or didn't he use extra money? That is the question.

Mr. Lally:

The contractor had stated that it was the City's fault so on that basis I move for an affirmative recommendation.

Mr. Givens:

In this case there is an outstanding amount of monies involved, and I think the City has an obligation to back these engineering firms and do whatever has to be done because we are talking about an extreme amount of money here.

The Chair:

Okay, any further discussion?

Mr. Givens:

On Bill No. 1395, the Treasurer states that there are \$700,000 in refunds—again I am getting back to the budgetary situation. In salaries alone there is \$250,000 and I would like to find out more about it. so for that reason I vote, "No" on the bill and also with the same feeling I vote "No" on Bill No. 1395 and 1397.

The Chair:

We will have to hold all of these.

Mr. Givens:

I might recommend that we hold the bill until we get the Administration's point of view.

The Chair:

I think we have heard enough explanations on the bill and I agree with you that it is going to be one way or the other. In any event, we need six votes to pass it or turn it down.

Mr. DePasquale:

Mr. Chairman, I abstain from voting on Bill No. 1402. My brother-in-law and two cousins are contractors. I realize that this is an unusual amount of money and we couldn't stop it from happening.

Mr. Lucchino:

I raise a point of order. I think the Wallace Act required three-fourths' vote.

Mr. Curtin:

The Wallace Act has been superceded by Section 513. My interpretation is that Section 513 allows Council to pass by two-thirds' vote of legislation for approving the payment of the contractor.

Mr. Stone:

Since I have initiated this, I still stand

fast in the objections. I personally can't do it at this point. I would therefore move that this go back to the committee at Wednesday's meeting and alert Mr. Hess to have his estimator present so we can discuss this.

Mr. Lucchino:

I second the motion.

Which motion prevailed. And Bill No. 1402 was recommitted.

Also,

Bill No. 1403. A Resolution entitled, "Authorizing the issuance of a Warrant in the amount of \$615, in favor of Clement's Marine Sales, Inc., 1700 Saw Mill Run Boulevard, Pittsburgh, Pennsylvania 15210, in payment for emergency repairs to the River Patrol Boat, without previous authority of law, chargeable to and payable from Code Account No. 1447, Miscellaneous Services, Department of Police."

Which was read.

Also,

Bill No. 1404. A Resolution entitled, "Authorizing the issuance of a Warrant in the amount of \$316.90, in favor of Morse, Gantverg, & Hodge, Suite 419, The Bigelow, Pittsburgh, Pennsylvania 15219, in payment for emergency transcription done by a stenographic reporter of Trial Boards, without previous authority."

Which was read.

Also,

Bill No. 1406. A Resolution entitled, "PROVIDING for the issuance of a Warrant in favor of Union Title Guaranty Company, in the amount of \$398.50, for settlement costs arising from the acquisition of property located on Watkins Lane, 20th Ward, rendered for the benefit of the City without previous authority of law and providing for the payment thereof."

Which was read.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes: 8 Noes none

And there being two-thirds of the votes of Council in the affirmative, the bills passed finally.

Mr. Stone presented

No. 1501. Report of the Committee on Planning and Redevelopment for October 20, 1976, transmitting one resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 828. A Resolution entitled, "Approving a Conditional Use under Section 2801-1-A-(10) of the Zoning Ordinance, No. 192, approved May 10, 1958, as amended, for use of the existing three story building located at 6017 East Liberty Boulevard as an institutional facility (residence for six females with houseparents) for Light House Corporation, on property zoned 'R3' Multiple-Family Residence District identified as Lot Numbered 313, Block 83-L in the Allegheny County Block and Lot System, 11th Ward."

Which was read.

The Chair:

Any discussion on the bill?

Mr. Givens:

Mr. Chairman, sometime and someplace

we have to get together and sit down with the city planner and various institutions to find out if we can diversify where these are being located at, more or less the melting pot, not only of the City of Pittsburgh and Allegheny County, but five county areas as well.

Mr. Stone:

I will join you, Mr. Givens, on this one as to taking the proper action in addition to working with Juvenile Court and their judges.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	
Mr. DePasquale	Mrs. Masloff
Mr. Lally	Mr. Stone
Mr. Lucchino	Mr. Caliguiri
	(Pres't pro tem)

Ayes: 7 Noes one

And a majority of the votes of council in the affirmative, the bill passed finally.

Mr. Lucchino presented

No. 1502. Report of the Committee on Parks, Recreation and Libraries for October 20, 1976, transmitting one ordinance and one resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1421. An Ordinance entitled, "An Ordinance amending Ordinance No. 106, approved April 8, 1932, entitled: 'An Ordinance regulating traffic upon the highways and parks of the City of Pittsburgh, and providing the procedure and penalties for and

in connection with violations thereof' by deleting 'Director of the Department of Public Works' in Section 712 - Commercial Vehicles Restricted in Parks, and inserting 'Council of the City of Pittsburgh.' "

Which was read.

Also,

Bill No. 1422. A Resolution entitled, "Providing for a contract or contracts or use of an existing contract or contracts for consulting services for the Pittsburgh Zoo including architectural, engineering, and other professional services, and providing for the payment of the costs thereof."

Which was read.

Mr. Givens:

Mr. Lucchino, do you have a particular firm that is going to do this consulting work?

Mr. Lucchino:

These are architectural firms that actually design the facilities. They are selected by the Director of the Parks Department rather than on open bid.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri (Pres't pro tem)

Ayes: 8 Noes none

And a majority of the votes of council in the affirmative, the bills passed finally.

Mr. Givens presented

No. 1503. Report of the Committee on Public Safety for October 20, 1976, transmitting one resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1405. A Resolution entitled, "PROVIDING for agreement or agreements of personal and professional services and for contract or contracts for the furnishing of equipment, supplies and materials, and miscellaneous services for the purpose of implementing the Police In-Service Training Project; and providing for the payment of the costs thereof."

Which was read.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri (Pres't pro tem)

Ayes: 8 Noes none

And a majority of the votes of council in the affirmative, the bill passed finally.

Mr. Lally presented

No. 1504. Report of the Committee on Lands and Buildings for October 20, 1976, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 863. Resolution authorizing the sale of property in the 15th Ward, being vacant lots on Blackstone and Festina Streets, designated as Block 55-M, Lots 216, 220 and 224, to Joseph Kuti and Maria Kuti, his wife, for the sum of \$750.00.

Which was read.

Also,

Bill No. 1301. Resolution authorizing the sale of property in the 19th Ward, being 11 vacant lots located on Creedmore Avenue, designated as Block 96 P, Lot 145, to Carmen J. Perri and Son Inc., for the sum of \$2,500.00.

Which was read.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne
Mr. DePasquale
Mr. Givens
Mr. Lally

Mr. Lucchino
Mrs. Masloff
Mr. Stone
Mr. Caliguiri
(Pres't pro tem)

Ayes: 8 Noes none

And a majority of the votes of council in the affirmative, the bills passed finally.

Which was read.

Mr. Lally:

I move to recommit Bill No. 1351.

Mr. Lucchino:

I second the motion.

Which motion prevailed.

Also,

Bill No. 1407. Resolution repealing Res. No. 346, approved August 13, 1974, which authorized the sale of property in the 18th Ward on Roanoke Street, designated as Block 3-P, Lot 16, to Jurate Frederickson for the sum of \$750.00, for the reason that purchaser failed to complete the sale and hand money is to be forfeited.

Which was read.

Also,

Bill No. 1408. Resolution repealing Res. No. 429, approved June 21, 1976, which authorized the sale of property on McClure Avenue, 27th Ward, designated as Block 75-M, Lot 55, to George Puhac and Wanda Puhac, his wife, for the sum of \$2,000.00, reason of financial hardship and hand money of \$200.00 is to be returned.

Which was read.

Also,

Bill No. 1409. Resolution repealing Res. No. 488, approved July 12, 1976, which authorized the sale of property on 2502 Hallet Street, 5th Ward, designated as Block 10-L, Lot 338, to Gene Amos, for the sum of \$1,000.00. Property owned by Urban Redevelopment Authority of Pittsburgh, and hand money of \$100.00 is to be returned.

Which was read.

Also,

Bill No. 1410. Resolution repealing Res. No. 547, approved July 22, 1976, which authorized the sale of property on Hartman Street, 12th Ward, designated as Block 172-N, Lot 156, to Millicent A. Robinson, for the sum of \$150.00, for the reason that due to divorce proceedings sale is to be cancelled.

Which was read.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes: 8 Noes none

And a majority of the votes of council in the affirmative, the bills passed finally.

MOTIONS AND RESOLUTIONS

Mr. Stone:

Mr. President, I would like to speak about the City of Pittsburgh's representation on the Southwestern Pennsylvania Regional Planning Commission. It made me well

aware of one representative—a Council member—namely, me.

About a year and a half ago or better, I made a motion to increase the City of Pittsburgh's representation to four, which would be: the Mayor, the Director of Planning, a Council member and a citizen.

I personally think this is good and the reception we received from the County participation was also good. However, I just learned that the agreement has not yet been signed and the reason for it not being signed is that the County of Allegheny is the one who is objecting to the City of Pittsburgh having four votes. In short, it would be a total of eight votes for the County of Allegheny.

For some reason or another, they have not approved it yet and two other counties are awaiting action before they will approve it.

I think something must be done since everyone has tried to put the City of Pittsburgh in with the others. I would therefore move that a letter be sent from this body to all three County Commissioners encouraging them to approve the increase of the membership of the City of Pittsburgh on the Southwestern Pennsylvania Regional Planning Commission.

Mr. Lucchino:

I second the motion.

Which motion prevailed.

The Chair:

We will get something together and send it off.

Mr. Givens:

I just have one that was held over from last week. Mr. Perry, please notify the executives from LEAA and Glenn Cannon from the Emergency Medical Services.

The Chair:

Also Mr. City Clerk, have Mr. Walt Ar-

mstead here to discuss the reasons as to why they didn't go in.

Mr. Givens:

I would like for the City Clerk to send a letter to the City Treasurer requesting a report from the Treasurer as to the total sales of all homes and property for delinquent taxes and the people who are retired and on a fixed income status.

The Chair:

Okay, thank you Mr. Givens.

Mr. Stone moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Stone moved

That the Minutes of Council of October 18, 1976, be approved.

Which motion prevailed.

And on a motion of Mr. Stone,

Council Adjourned.

And there being a two-thirds of the votes of council in the affirmative, the bills passed finally.

Also,

Bill No. 1449. An Ordinance entitled,, "Providing for the appointment of constables and deputy constables in the Traffic Court of the City of Pittsburgh."

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Lally:

Mr. Chairman, on Bill No. 1449, that is an ordinance providing for the appointment of constables and deputy constables in the Traf-

fic Court, I would like to question the legality of this ordinance and would like an answer from Mr. Lucchino as to whether this is a legal ordinance or not.

Mr. Lucchino:

The question that Mr. Lally asked was answered by Judge Ellenbogen in a letter dated in 1975 that was sent to the constables. It states that the constable is only entitled to the fee for actually serving the warrant and collecting that fee without serving the warrant is a violation of criminal law; effective immediately.

I think that the letter clearly answers the question that you have, Mr. Lally. If there are any other questions from members of Council, I would be happy to respond to them.

Mr. DePasquale:

We have a system down there, and I believe that the Chief clerk is in charge of the appointments of constables and sending out these warrants where the City of Pittsburgh has reaped a profit in the last four or five years.

If this system were to change, I think it would be a very great loss of revenue to the City of Pittsburgh and I wouldn't want to be a part of that. I think the system is all right the way it is, and I don't know why it took Judge Ellenbogen seven years to actually do something about this. I don't think the chief magistrate should do it and I am opposed to the ordinance.

Mr. Lucchino:

I would like to respond to Mr. DePasquale's comment. The chief clerk, unfortunately being aware of the law, has seen fit to disregard it and the chief magistrate is the person down there to whom we should look to for upholding the law.

The chief clerk has sent vouchers to the controller which she has signed, asking that these people be paid for the warrants when obviously they didn't serve them because

they were in diverse places, and the chief clerk certified them as being correct in the serving of these warrants. Even though two or three are benefiting because of their close relationship with her, that is not the way the system should operate.

Here is the chief clerk insistent on sending in the vouchers to the controller that are obviously incorrect. I am not asking that we take an action against the chief clerk—she has her faults and attributes. All I am saying is that there is discrepancy towards collecting this, and if we don't act now some outsider is going to come in, or the Supreme Court of Pennsylvania, and solve our problem for us and may put us in an embarrassing situation. I think the ordinance is a step forward, and I don't think there is anything to explain about it. All it says is that the chief magistrate appoints the people and I think it is for the sake of upholding the law.

Mr. Givens:

Mr. Lucchino, I think you have a very good point within your ordinance, but I think this is a two-headed sword. You say that the chief magistrate has the exclusive authority to appoint the various constables to carry out their duties, but you didn't limit what constables could pick up the warrants in the city of Pittsburgh. For example, could the constables out in Allison Park pick up warrants in Pittsburgh, or would they be denied?

The Chair:

Who could you grant that responsibility to?

Mr. Givens:

I am looking at this ordinance that states, "only the chief magistrate of Pittsburgh is hereby empowered to appoint constables to serve." I think it should be any constable that is sworn in any area of this County is able to pick up any warrant.

Mr. Lucchino:

Mr. Givens, I don't disagree with that. As a matter of fact, that can't be done now

under the present system. I am in favor of letting more constables serve the warrants. This involves a great deal of responsibility on the individual and I don't think we should have some clerical person assigned to it—I think it should be the chief magistrate.

Mr. Givens:

That brings up my second point. The Mayor is required to submit to Council a diagram of the various organizations within the city, especially within municipal court, because there is no breakdown right now and there is nothing in writing to say who reports to whom. Does the chief clerk report to chief magistrate or to the Mayor? This is an unanswered question.

Mr. Lucchino:

I don't know who the chief clerk speaks to or who gives her the directions. All I am saying is that it is our opportunity now to try and balance the discussion down there, for example, there are two constables that had mailed out 35 to 48 warrants and collecting over \$8,000 for them, and that amount is going to be doubled so they are really going to collect around \$16,000. I don't think we can put ourselves behind that kind of a system. I say, let's put the responsibility on the chief magistrate to solve the problem because that is what they are being paid for doing.

Mr. Givens:

That is my point, Mr. Lucchino. There is no separation of authority between the chief clerk and the chief magistrate.

Mr. Lucchino:

I know. Anybody who is familiar with Traffic Court knows.

Mr. Stone:

According to our Home Rule Charter, isn't everything under the chief magistrate?

Mr. Lucchino:

Mr. Stone, what is theoretical and what

is practice is why I think this ordinance has to be passed.

Mr. Stone:

Let me back up a minute. Here are some of the things that you mentioned. First of all, it was indicated that the judge made a decision. Second, the Home Rule Charter states that the chief magistrate is in charge.

Mr. Lucchino:

I think under every charter or constitution there has to be some form of implementing legislation.

Mr. Stone:

Mr. Lucchino, I agree with the general intent of your legislation, but I am beginning to wonder whether or not we are getting ourselves into a problem. Judge Ellenbogen made a final decision with regards to this and I don't think we should alter them.

Mr. Lucchino:

There are a couple of problems and what it comes down to is the legislative branch of the Government. For example, the reason why the Controller is unable to check these invoices is that once the receipt is made by the chief clerk, she throws them away so there is nothing to which they can be checked, and I am sure that everyone had heard that when she came up to this Council to testify.

I think this legislation is simple and straightforward, and the problem is that there are a few constables who have a good deal going for them, and I don't think we can put them above the law.

Mr. Lally:

I would like to ask you this. When the chief clerk submits the invoices, the warrant has already been paid for, is that right?

Mr. Lucchino:

Yes.

Mr. Lally:

Then she destroys the warrant?

Mr. Lucchino:

Yes.

Mr. Stone:

Don't we have a retention of records?

Mr. Lucchino:

Obviously not down there.

Mr. Stone:

I agree with your intention, but I question whether we need another piece of legislation.

Mr. Lucchino:

No other legislation that I have been aware of fits into this category and I hope it will be pointed out to me if there is one.

This puzzles me: how come we can pass hundreds of bills that are routine and yet we can't pass this one. What is the difference if we add one more bill? It think it is very straightforward.

Mr. Givens:

I question the authority here. I think Mr. Lucchino's ordinance is a good one and Mr. Stone has made a very good point, but I don't see it anywhere that the Mayor has the responsibility.

Mr. Lucchino:

What is the difference?

Mr. Givens:

I think we should submit something like, "the chief magistrate or his designee."

Mr. Lucchino:

I still don't see the difference.

Mr. Givens:

This would put the authority on the shoulders of the chief magistrate and he would be responsible.

Mr. Lucchino:

Why is it that every magistrate in Allegheny County seems to have control of his constables and yet we are having the problems?

Mr. DePasquale:

I have said it before and I will say it again. My concern is the revenue within the City of Pittsburgh.

Mr. Lucchino:

Mr. DePasquale, I understand your concern but I think at some point the principle of upholding the law, regardless of the dollars and cents. Besides, we are not going to lose a nickel of revenue because it won't cost the citizens the extra \$5 fee.

Again I am stating that this ordinance doesn't deal with the mailing or serving of these warrants; it just places the responsibility on the chief magistrate and we think we would be much better off if we did it that way than to have the Supreme Court or the President Judge decide for us.

Mr. Stone:

Did you read Section 224, "the Mayor shall designate one magistrate to serve as chief magistrate. The chief magistrate shall employ and supervise a staff which shall be responsible to the chief magistrate?"

Mr. Lucchino:

Yes, I read that but it doesn't deal with this. This is implementing that section.

Mr. Stone:

I would like to say again that I agree with the general intent.

Mr. Lucchino:

I don't agree with you that Section 224 deals with this.

Mr. Stone:

Who has the right to pick any deputy constables, the chief clerk?

Mr. Lucchino:

Well, she's doing that.

Mr. Stone:

Where does she get her power if the magistrate just sits there? It really makes no difference then, does it?

Mr. Lucchino:

There is a difference but you can't see it.

What is so hard about passing one more ordinance? It just tells the chief magistrate what to do.

The Chair:

What we are concerned about, Mr. Lucchino, is whether or not we are still going to receive this money after the ordinance is passed.

I would like to offer an amendment to this, "that the chief clerk continue to send out these warnings." Hopefully, these fines will be paid, and if they are not, then there will be a warrant for their arrest.

I would like to add a section to this legislation so we are assured that the warning will go out to these people and if they don't pay that, then a warrant will be issued for their arrest—that would be Section 5 and the last one would be Section 6.

Mr. Lally:

Mr. Lucchino, in 1971 Miss Marasco collected over \$1 million, and in 1975 she collected \$1,830,310.00, and up to the 27th of

October, 1976, she collected \$1,772,922.00— so there was an increase from 1975.

The Chair:

We may possible hit \$2 million in fines by the end of the year, and I would like the City to continue to send out these warnings and if the fines are not paid, a warrant for their arrest.

Mr. Lucchino:

With regard to that being a part of the legislation that has been my intent all along. I really don't see a difference here.

The Chair:

There is about ten percent difference in the number of tickets and the number of tickets that have been issued.

Mr. Lucchino:

I move that the Chief Clerk continue to send out the warnings.

Mr. Coyne:

Seconded the motion.

Mr. Givens:

I believe some person has to have the authority over the constables.

The Chair:

The chief magistrate of Traffic Court.

Mr. Givens:

Even a warning or warrant or whatever the case may be.

Mr. Lally:

I am not in favor of this.

Mr. Givens:

I have a motion on the floor to have a

designee, because this puts the burden on the chief magistrate when, in fact, he has other duties to perform.

The Chair:

The designee still puts the burden on the chief magistrate.

Mr. Givens:

Well, I think the system is a good one, but I feel that the chief magistrate does not have the time to devote to doing his jobs properly.

And on the question the ayes and noes were taken, agreeably to law, and were:

And there not being a majority of the votes of Council in the affirmative, the amendment to Bill No. 1449 was defeated.

Mr. Givens:

I would like to make one commentary on Bill No. 1402. I am making reference to almost a quarter of a million dollars and the testimony which was given at the Standing Committees Meeting so indicated that the City Department of Engineers were at fault and the engineering analysis they made was increased, thus causing an additional unforeseen quarter of a million dollars work to be accomplished.

I vote, "Aye" on all bills with the ex-

ception of Bill No. 1449 and Bill No. 1402 with the comments so stated.

Mrs. Masloff:

I vote, "Aye" on all bills except Bill No. 1449. I don't feel that we should force them to do anything that the court can't do.

Mr. Stone:

I vote, "Aye" on all bills with the exception of Bill No. 1449. Mr. Lucchino, as I indicated, I agree with the general intent, but as to the future course, we now separate. I believe there is a violation and abuse of authority here and that too much legislation is not necessarily good. I don't go for it and I abstain.

And on the question, "Shall the bill pass finally?"

MOTIONS AND RESOLUTIONS

Mr. Lally presented

Bill No. 1543. WHEREAS, Tony Dorsett, brilliant All-American running back for the University of Pittsburgh, has won national acclaim for his record breaking performances; and

WHEREAS, these records, compiled in less than four years as a member of the Pitt Panther include the leading rusher in the NCAA in recorded history, the number of total carries by a running back and the first player in football history to gain more than 1,000 yards in four consecutive years; and

WHEREAS, Tony Dorsett has brought national recognition not only upon himself, but his second-ranked Pitt Panther team and the entire Pittsburgh area.

NOW, THEREFORE BE IT

RESOLVED, that the Mayor and mem-

bers of Council of the City of Pittsburgh extend official congratulations to Tony Dorsett for his achievements and to wish him well in his quest for the Heisman Trophy, as well as to coach Johnny Major and the Panther team in their efforts to win a National Football Championship title.

Which was read.

Mr. Lally:

Mr. Chairman, I think that Tony Dorsett and the University of Pittsburgh should be recognized at this time for a great achievement.

I move the adoption of the resolution and request that we have Tony Dorsett here next week sometime to present a plaque to him on behalf of his achievements.

Mr. DePasquale:

I second the motion.

Which motion prevailed.

Mr. DePasquale:

Mr. Chairman, while we are talking about plaques and medals—I happen to have read the article regarding the holdup in East Liberty, where a man by the name of William Hyde was attacked in the act of robbery, by four thugs with shotguns and a few others who had beaten him.

The first thing he did was get the gun and kill one of them and seriously wounded the other one, and I just can't see how the court seems to give these short sentences and early parole.

I think Mr. Hyde showed great courage in this incident and he should be recognized because it is very rare in this day and age when someone performs an act like that.

The Chair:

I agree with you Mr. DePasquale. We will also send Mr. Hyde a copy of these minutes when they go on the record.

Mr. Givens:

Mr. President, I just wanted to make one remark in regards to the past collective bargaining agreement between the F. O. P. and the City of Pittsburgh and this Council. The money was transferred from Code Account 1811, which is the Park Police, to Code Account 1443, which is the Police Salaries and Wages—they have been paid on October 3, 1976, except for one, Judge Ellenbogen, who remains under the old code account.

Section 208 of the Home Rule Charter states that all units of government, except those mandated by this charter, may be established, revised or abolished by ordinance. Such an ordinance may be introduced by the Mayor or Council. If the ordinance is introduced by Council, Council shall immediately notify the Mayor, who shall within thirty days of receipt of notice submit a recommendation to Council. Council shall take no action on the ordinance until a recommendation is received or the thirty day period expires.

I emphasize that the collective bargaining does not have the authority to act in this area and the fact that the park police are now being paid under the Department of Police is illegal on the part of the City, and I ask that the Controller, the Treasurer and any other members of the City Administration to come here this coming Wednesday to tell us why this transaction was completed, when in fact it is a direct violation of our city charter.

The Chair:

We will ask the Law Department to be present also.

Mr. Lally:

Did we approve the collective bargaining?

Mr. Givens:

The only thing that was stated was the transfer from the park police into the Department of Police—this was part of the

collective bargaining agreement, but they are not in compliance with Section 208.

The Chair:

We will have those gentlemen here on Wednesday.

The Chair presented

Bill No. 1544. Communication from Mayor Flaherty, submitting the name of David Wykoff of 6333 Walnut Street, Pittsburgh, Pennsylvania, 15206, as Director of the Department of Supplies.

Which was read, received and filed.

Also,

Bill No. 1545. Resolution approving the appointment of David Wykoff as the Director of the Department of Supplies for the City of Pittsburgh.

Which was read.

Mr. DePasquale:

Mr. Chairman, I would like to make one comment regarding this. It seems to me not too long ago the computer system was fouled up under Mr. Wykoff's supervision and now the City of Pittsburgh wants to appoint him as the Director of the Department of Supplies. It just doesn't make sense to me. He has no qualifications whatsoever.

Mr. Givens:

I would suggest that we hold this for two weeks and have the individual come before us with his resume of past performances.

Mr. Lucchino:

I second the motion.

Which motion prevailed.

Mr. Stone:

I would like to see Mr. Wykoff be

prepared to give us an analysis of his present handling of the computer center and if the newspapers are accurate, they seem to indicate that the computer center will now be a part of the Department of Supplies.

We have all indicated in our discussion that the computer center is a very important center for the City, and if it is not operating correctly, we should find out what the problem is.

The Chair:

Fine.

Mr. DePasquale moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. DePasquale moved

That the Minutes of Council of October 25, 1976, be approved.

Which motion prevailed.

And on motion of Mr. DePasquale,
Council adjourned.

ONE-HUNDRED NINETEENTH COUNCIL

LOUIS MASON, JR. President

PRESENT:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

ABSENT:

Mr. Mason

The meeting was opened by the recitation of the pledge of allegiance to the Flag of the United States of America.

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

The Chair:

I appoint Mrs. Masloff and Mr. Coyne to escort Mayor Flaherty into the Chambers for

the purpose of delivering his Budget Message. Ladies and Gentlemen, may I present Mayor Flaherty.

Mayor Peter F. Flaherty:

Thank you, Mr. President. Members of Council, ladies and gentlemen, seven years ago when I assumed office I announced a new direction and strategy for Pittsburgh's City Government. My goal was to expand the renaissance of Pittsburgh to include our City Government.

My intent was to streamline City Government and make fiscal integrity a key element. I believe we have held firm to this pledge. In preparing this budget, my objectives are to continue our high level of services; to improve housing; to provide City-wide capital improvements; to stimulate economic development, to expand job opportunities, to strengthen our tax base and to improve the quality of life for those who live and work here—many of whom are elderly and disadvantaged.

In pursuit of these objectives, I am presenting a balanced operating budget of \$132 million for the 1977 fiscal year. This budget does not provide for an increase in taxes. However, we will need a ten percent increase in water rates to meet next year's costs.

To balance the 1977 budget, \$3.5 million in revenues from the Public Parking Authority and \$3.5 million in federal counter-cyclical funds have also been utilized.

A prime consideration in holding the tax line was the probability of an increase in City school taxes and the possibility of an increase to County taxes. To add a third tax in-

crease in a single year would have been a tremendous blow to City residents.

To strengthen the tax base and expand job opportunities, I have named a new Economic Development Committee comprised of top-flight business, labor and education leaders. Their goal is to coordinate economic development in Pittsburgh including growth of the Golden Triangle through transportation and public and private improvements.

Through their efforts, Pittsburgh was one of the nine cities selected by the Federal Government to receive a \$500,000 planning grant for community economic development.

As evidence of the commitment of the business community to this new joint public-private effort, the business interests of Pittsburgh—through the Allegheny Conference on Community Development—have pledged \$250,000 toward the economic development plans prepared over the coming year.

The City of Pittsburgh will match this pledge with \$250,000 of City funds and services.

Jobs and a more productive tax base are critical to the future of our City and I intend to utilize and give top priority to this new economic development planning effort.

There is a potential for economic growth in Pittsburgh and throughout Western Pennsylvania unparalleled in the past 30 years—not since the early days of the Pittsburgh Renaissance.

There are a number of major projects which have been in the planning and development stages and are now ready to move into actual construction which could bring millions of dollars into the local economy and create new job opportunities.

A major step was taken this past year toward the development of a modern and efficient light rail transit system. The federal government is providing \$3 million for final engineering design work on this system. The State Transportation Commission has allocated \$12 million to the widening of the

Smithfield Street Bridge to accommodate the light rail vehicles.

The South Busway is nearing completion and plans have begun for similar express transit service to the East via the Penn-Central corridor from Wilkinsburg to Downtown Pittsburgh.

With the final approval of the East Street Expressway over \$40 million will be utilized in construction and development of this corridor.

I shall continue to support the operation of the New York-Chicago Railroad Mainline through Pittsburgh as it is a vital link in our economy.

Construction will begin soon on the new \$25 million convention center. The City and the County reached agreement last year on the joint operation of the facility by the Auditorium Authority. When the Center opens in 1980 it will bring an estimated 85,000 new visitors to Pittsburgh each year providing another shot in the arm to the local economy.

The Station Square Project at the P&LE Station will provide a \$30 million dollar development. This complex comprises offices, hotels, restaurants and shops and will be developed without public subsidies. It will provide hundreds of new jobs and further increase our tax base.

Assistance in site assembly is another way the City is working to bring new economic vitality to Pittsburgh. Major site assembly projects that have real economic development potential are the North Shore, Herr's Island and the Water Works site near Aspinwall.

The North Shore area lies strategically between the Golden Triangle and the Allegheny Center. This is a prime development site and I am asking the Urban Redevelopment Authority and the Department of City Planning to undertake a \$100,000 market and planning study for the North Shore area.

Last year the Regional Industrial

Development Corporation completed a study for the City on the industrial development potential of Herr's Island. This 42 acre site will be developed into an industrial park and a public recreation/marina area. I am recommending that \$4 million in Urban Redevelopment Authority Bonds be allocated in 1977 for acquisition and site preparation of this island.

RIDC estimates that this project will provide 2,500 jobs plus a significant increase in our tax base.

The 80 acre City-owned site at the Water Works has been targeted for commercial and institutional development. In a few weeks St. Margaret's Hospital will begin to build a \$30 million hospital that will employ 650 persons on this site.

These developments will increase and expand our economic base and tax revenues.

At the same time our housing and community development efforts will focus on the upgrading of existing neighborhoods. The unique Home Repair Loan Program--initiated by this Administration has brought national attention to the City and I am proposing that it be increased in our 1977 Community Development budget by \$6.5 million.

Through this program 757 loans at three percent interest were made to homeowners in its first year and in 1977 over 1,000 loans will be made at an average of \$6,000 per loan.

During 1976 the low interest loan program was expanded to include the Landlord Repair Loan Program. This program provides low interest loans at interest rates of three to six percent, depending upon income to rehabilitate rental property. I have recommended an additional \$600,000 for this program in 1977. I am also allocating \$300,000 to encourage homeowners to install energy saving insulation on a 50-50 matching basis.

City-owned houses are available at nominal prices under our Urban Homesteading Program to those who are willing to rehabilitate them and live in them. To date 76 houses have been turned over to City residents under this program.

Our Neighborhood Housing Program is the only one of its kind in the country. Designed to create a market for housing sales in our urban renewal neighborhoods, it has already provided 40 new homes in the Hill and Manchester and 19 homes are under construction in Homewood. We have allocated \$4.5 million in 1977 to acquire sites for new housing under the Neighborhood Housing Program in the Crawford-Roberts area of the Hill District.

In 1976 the Federal Government approved 578 subsidized housing units for the elderly in Pittsburgh. St. Augustine's Plaza in Lawrenceville is now under construction. Residential apartment construction will begin next year on the Alling and Cory Building in the North Shore, on St. Joseph's Hospital on the SouthSide, on West Park Court in the Central North Side and on Noble Manor in Westwood-Oakwood.

A 153-unit apartment building for the elderly has been completed in Glen-Hazel and 104 new family units are now under construction.

We are also engaged in commercial redevelopment activity in four areas of the City in the effort to bring new stores and services to residential communities. The \$2.5 million Windgap Plaza Shopping Center is nearing completion in Chartiers Valley; the Hill-Phoenix Shopping Center has started construction in the Hill District and \$3 million has been allocated to commercial redevelopment projects in Homewood and Hazelwood.

A master plan for modernization of the Pittsburgh Zoo was completed this year and I am recommending that \$500,000 be allocated in 1977 to begin implementation of this plan. Application has also been made for \$700,000 under the Federal Public Works Employment Act to undertake needed road improvements to the Zoo.

The Market Square renovation is now well underway at little or no cost to the taxpayer. Materials have been provided by the Western Pennsylvania Conservancy and the City is providing labor through the Manpower Program.

On the North Side a new Farmer's Market has opened near the Allegheny Commons and will need capital improvements for better access and convenience of the public and farmers.

I am recommending an allocation of \$40,000 in 1977 to design a permanent facility.

The City's new ice skating rinks in Schenley Park and South Side Park have proven to be tremendous successes. Over 70,000 skaters participated in rink programs last Winter.

I am recommending that a third ice-skating facility be built on the North Side and \$100,000 is provided for the design of this rink next year.

I am recommending that more than \$3 million be provided in the 1977 Capital Budget for modernization and development of neighborhood recreation facilities, including new tennis courts, swimming pool construction, recreation center rehabilitation and new and improved ballfields.

In the past two years we have opened nine new neighborhood centers for the elderly. At least five more are scheduled to open next year—in Lawrenceville, South Side, Perrysville, East Liberty and Beechview.

The three rivers are important assets to our City and with this in mind I am asking the Department of City Planning and the Department of Parks and Recreation to undertake a special study of riverfront recreation in 1977. Special attention will be given to the Monogahela riverfront along the South Side and an extension of Roberto Clemente Park up the Allegheny River as part of the North Shore Project.

During the past seven years our public safety budget has been increasing at an average of one million dollars a year. The 1977 public safety budget of \$42.7 million is the largest in our City's history, and reflects an increase of \$2.8 million over 1976.

The largest portion of the \$2.8 million increase is the result of additional salary and fringe benefits for police and firemen.

Wage settlements have also been negotiated with the City blue collar employees, refuse workers, school crossing guards, recreation leaders and foremen. For all other employees I am recommending a seven percent increase.

During the year 1976 the Department of Police has hired 36 new police officers; including 18 female officers. This marks the first time women were hired to perform normal police functions. Their performance, so far, has proven very satisfactory.

The Park Police have been integrated into the Department of Police.

A new police Communications Center is nearing completion. Added plans call for computerized dispatching of vehicles.

A new 911 Emergency Phone will be installed for the convenience and safety of our citizens.

The Department of Police is planning to implement a Specialized Policing Unit with emphasis on neighborhood oriented policing. A diversified police unit will be assigned to an area for a period of time to correct existing problems. This unit will be composed of police officers, both male and female, detectives, K-9 officers and Community Relations officers. Units will use both the patrol and beat concepts of policing while attempting to gain input from the residents of this area.

In order to modernize and update our Fire Department six new fire pumpers and two ladder trucks have been purchased and are on order at a cost of \$610,000.

A new fire station is under construction in the Shadyside-Bloomfield area at So. Millvale Avenue.

In 1977 another new station will be constructed on the East North Side at a cost of \$335,000. Two new pumpers and a ladder truck will be purchased at a cost of \$240,000.

The Emergency Medical Service has received national acclaim for its life support techniques. The Emergency Medical Service is being expanded to 88 paramedics and 10

mobile units. A public education program has been initiated to teach life support to the public. By answering 30,000 calls per year the Emergency Medical Service has freed police officers to spend more time on crime prevention and control.

In Public Works, 58 miles of streets were repaved during 1976.

Next year \$2.6 million has been allocated to the resurfacing program and \$2.9 million for major street reconstruction including Arlington Avenue and Brookline Boulevard. An additional \$14.2 million of street reconstruction work has been included in the application filed under the Federal Public Works Employment Act.

The proposed 1977 Capital budget totals \$59.6 million. This is the largest capital budget in the City's history—more than four times the budget of 1970.

The City will seek Bonds in the sum of \$14 million with the remainder to come mostly from Federal funds.

In addition to the Capital Budget, an application has been made to the Economic Development Administration for \$29 million to fund additional capital projects under the Public Works Employment Act.

What all this means is increased capital investment in the City, in the neighborhoods and increased employment opportunities.

The celebration of the nation's 200th birthday this past year provided an opportunity to evaluate not only our nation, but our City as well.

It is an appropriate time to consider the problems and opportunities presently confronting our City and its aspirations for the future.

We live in a unique City. Its green hills and river valleys have a rare beauty not often found in other urban centers.

Under the skyline of Pittsburgh are the third largest number of major corporate headquarters in the nation. Within our City's 55 square miles are a number of great

universities, colleges and institutions of higher learning.

Pittsburgh is a center of ethnic culture and activities, its great medical institutions, museums, symphony orchestra and major sports activities serve the entire Southwest Region of Pennsylvania.

Yet the spirit of Pittsburgh cannot be measured by the size of its buildings, its paved roads or its institutions.

Pittsburgh derives its strength and vitality from its people and their desire to blend the heritage of the past into the future.

We have pride in our City and with good reason.

The times are such that no Mayor can accurately forecast the movement of his City in the days ahead. Each day poses new problems, new decisions, new challenges.

It is evident that the economic fortunes of our cities are inexorably dependent upon the economic well-being of our nation.

In this respect, I perceive new hope for our cities as a new administration takes over the leadership of the nation.

The president-elect has indicated his concern over the critical problems and needs of America's hard-pressed urban areas.

Pittsburgh looks forward to a closer liaison with Washington.

I have approached each of my past seven years as Mayor with confidence in the future of our City.

I have the same outlook for 1977 and with the continued support of those who have the greatest investment in Pittsburgh's future—its people—we can—working together—fulfill the aspirations and attain these goals.

To make it all work will require a commitment not only from city government, but

from business leaders, labor institutions, other governmental bodies and most importantly from you, the citizens of Pittsburgh.

The Chair:

For the audience' benefit, City Council will now, at this time, begin to hold public hearings in the very near future. If anyone wishes to come before City Council as far as the 1977 Budget is concerned, please get in touch with the City Clerk.

At this time I will ask for a five minute recess before we begin the agenda.

Which was read, received and filed.

UNFINISHED BUSINESS

The Chair:

Mr. Stone, if you will recall, you had asked us to send a letter to the Commissioners regarding their approval of the amendment to the Articles of Agreement of the Southwestern Pennsylvania Regional Planning Commission by increasing that number to four.

I might ask the City Clerk to read the letter at this time for my record.

Mr. Perry:

"Dear Councilman Caliguiri:

Your letter of October 27, 1976, requesting the County Commissioners to approve the amendment to the Articles of Agreement of the Southwestern Pennsylvania Planning Commission by increasing the City of Pittsburgh's representation to four members was acted upon at the meet-

ing of the County Commissioners on November 4, 1976.

"By unanimous vote the Commissioners approved an amendment to increase the City of Pittsburgh's representation to two additional members, one to be appointed by the Mayor and one by City Council, providing that Allegheny County's membership is also increased by two additional members to be appointed by the Board of County Commissioners.

Very truly yours,

Jim Flaherty
Chairman
Board of County Commissioners"

Mr. Stone:

I think the Commissioners have, "missed the boat." What that was designed to do was to give the City of Pittsburgh some sort of parity with the counties. No one else has the kind of population that the City of Pittsburgh has and I personally believe that the other five counties involved, other than Allegheny, have been extremely charitable to Pittsburgh since it is the hub in this region by permitting them to have the extra votes, and I think we should have accepted that.

As far as all the other counties, they have an equal status of four representatives as compared to Allegheny County, and if they are not willing to change that, I find it totally regrettable.

The Chair:

As I understand Mr. Stone, you have just been nominated as vice-president of that organization?

Mr. Stone:

Yes, and I would like to try one more time. I would move to bring this issue back to the County Commissioners and indicate that we would like it if they will reconsider and approve what was initially requested.

Mr. Lucchino:

I second the motion.

Which motion prevailed.

REPORTS OF COMMITTEES

Mr. Coyne (for Mr. Caliguiri) presented

No. 1566. Report of the Committee on Finance for November 3, 1976, transmitting one ordinance and two resolutions to Council.

Which was read, received and filed.

Also, with a negative recommendation,

Bill No. 1277. An Ordinance entitled, "An Ordinance prohibiting or otherwise restricting smoking in certain public places within the City of Pittsburgh."

Which was read.

The Chair:

Is there any discussion on the bill?

The Chair:

Since I have introduced this, I am still concerned about the health and safety of the citizens of Pittsburgh and concerned about the rights of the non-smoker, and I think this majority has been ignored much, much too long. There is an estimated 20,000 people in this area who have respiratory ailments and I don't see how we can go on and ignore these people even though the bill has been defeated this afternoon.

I will still take the task of meeting with restaurateurs and hospital associations and others that are affected to see if they will voluntarily do their part to respect the rights of the non-smoker. Again, this does not take away the rights from the smoker but merely has respect for the non-smoker.

Mr. Lally:

Mr. Chairman, I would just like to say something on this. The other night it was stated that Council was influenced by the tobacco industries. My vote was influenced by the citizens of the City of Pittsburgh. The mail that I had received on this was 100 percent against the bill—not one letter was for the bill, and that is what influenced my vote, thank you.

Mr. Givens:

I would just like to add something. Mr. Caliguiri, I encourage you to go forward in this particular area to encourage the restaurant owners, etc.

Mr. DePasquale:

I have been opposed to this legislation all along.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Caliguiri
(Pres't pro tem)

Noes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	

Ayes: 1 Noes 7

And there not being a majority of the votes of Council in the affirmative the bill was defeated.

Also, with an affirmative recommendation,

Bill No. 1474. Resolution authorizing the Mayor to issue and the City Controller to countersign, a duplicate warrant payable to the same payee and in the same amount to replace warrant lost, stolen or inadvertently destroyed:

Warrant No. E-014117 - Trust Fund
Dated September 2, 1976
Payable to Multiple Sclerosis Society
Amount of \$4,224.28

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes: 8 Noes none

And there being a two-thirds of the votes of Council in the affirmative, the bill passed finally.

Also,

Bill No. 1483. A Resolution entitled, "TRANSFERRING the sum of \$30,000.00 from Code Account 1368 - Salaries and Wages, Regular Employees, Bureau of Operating Maintenance to Code Account 1364 - Repairs, Department of Lands and Buildings."

Which was read.

The Chair:

Is there any discussion on the bill?"

And on the question, "Shall the bill pass finally?"

Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes: 8 Noes none

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Mr. DePasquale presented

No. 1567. Report of the Committee on Public Works for November 3, 1976, transmitting two resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1481. A Resolution entitled, "AMENDING Resolution No. 723, approved September 24, 1976, entitled 'A Resolution providing for the letting of a contract or contracts for Asphalt Planing for the Department of Public Works, and for the payment thereof,' by inserting or use existing contracts' for Asphalt Planing for the Department of Public Works."

Which was read.

Also,

Bill No. 1482. A Resolution entitled, "AMENDING Resolution No. 764, approved September 29, 1976, entitled 'A Resolution providing for a Contract or Contracts for materials, equipment purchases, equipment rentals and asphalt planing for Accelerated street Resurfacing (PW 76-26) not to exceed Three Hundred Thousand (\$300,000.00) Dollars, from Bond Fund No. 227-100 General Obligation Bonds of 1973 Series A', by inserting 'or to use existing contracts' for Accelerated Street Resurfacing (PW 76-26)."

Which was read.

The Chair:

Is there any discussion on the bills?

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino

Mr. Givens	Mr. Stone

Mr. Lally

Mr. Caliguiri
(Pres't pro tem)

Ayes: 8

Noes none

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Mr. Lally presented

No. 1568. Report of the Committee on Land and Buildings for November 3, 1976, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1445. Resolution authorizing the sale of property in the 10th Ward, being a 2 story frame, one-half of a double, on 5213½ Broad Street, designated as Block 50-L, Lot 158, to William R. King and Rose Ann Berry, for the sum of \$1,000.00.

Which was read.

Also,

Bill No. 1446. Resolution authorizing the sale of property in the 13th Ward, being vacant land on Fargo Street, designated as Block 231-N, Lot 294, to LeRoy F. Gordon, et al, Joint Tenants with right of survivorship, but not as tenants in common, for the sum of \$300.00.

Which was read.

Also,

Bill No. 1447. Resolution authorizing the sale of property in the 19th Ward, being a vacant lot on Fairacres Avenue rear, designated as Block 35-L, Lot 244, to Edward J. Zwolak and Rozlyn A. Zwolak, his wife, for the sum of \$250.00.

Which was read.

Also,

Bill No. 1448. Resolution authorizing the sale of property in the 32nd Ward, being a

vacant lot on Fairland Street, designated as Block 95K, Lot 102-A, to Regis J. and Alda M. Sutton, his wife, for the sum of \$150.00.

Which was read.

Also,

Bill No. 1484. A Resolution entitled, "AUTHORIZING the Mayor and the Director of the Department of Lands and Buildings, on behalf of the City of Pittsburgh, to enter into a Cooperation Agreement with Urban Redevelopment Authority of Pittsburgh, to act as acquisition and relocation Agent for the City of Pittsburgh in connection with the purchase of real property for a new Fire Station, Chestnut Street - Department of Lands and Buildings, Project No. 76-1, and providing for the payment of the costs thereof."

Which was read.

Also,

Bill No. 1486. A Resolution entitled, "Authorizing the Mayor on behalf of the City of Pittsburgh to convey their interests to the Board of Public Education of a portion of land in the 20th Ward on Carnahan Road, designated as Block 36-L, Lot 81, for the use of a parking lot."

Which was read.

Also,

Bill No. 1487. Resolution repealing Resolution No. 437, approved December 3, 1973, for the sale of property in the 17th Ward, located on Warrington Avenue, to Louis and Nicolette D'Abruzzo. Reason for repeal is property was sold in error and due

to zoning restrictions is being reconveyed to the City by Louis and Nicolette D'Abruzzo.

Which was read.

The Chair:

Is there any discussion on the bills?

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

And a majority of the votes of Council being in the affirmative, the bills passed finally.

MOTIONS AND RESOLUTIONS

Mr. Stone:

Mr. President, I would like to make some comments regarding the Mayor's budget because there are a few issues left unanswered, and I think some of them ought to be answered immediately.

In the first paragraph, it indicates for seven years the Mayor's goal was to expand the renaissance for Pittsburgh's City Government—I think that should be corrected. I really think he misinterpreted the term, and the record ought to show that it has been "a housekeeping administration," and we certainly can't attribute any renaissance to this particular government. I would like to state good points as well as the bad.

First of all, I am gratified with two points which were stated today in the budget message. The first being the Economic Development Agency. I find this tremendous, but I think credit ought to go where it belongs. There was a resolution by City

Council to set up an Economic Development Agency, but that was over the Mayor's objections and our insistence for two years that we finally got the agency. It really could have been done in the past two years if the Mayor had just followed that ordinance that was filed by City Council two years ago.

I also see that we have the Emergency Medical Services increased for the tax operating budget of 1977. I find that tremendous and a step forward in the right direction, but again to go back in the record—it should be straightened out on this. It was something of three or four years ago that City Council introduced to the City Government, over the Mayor's continued objections and delays. In short it would not be an overstatement to say that "we had to push it completely" over his total objections even though, through two prior political campaigns, he claimed credit for it, stating that it was the highlight of his administration at one time or another.

The Mayor has indicated that the new budget would be \$132 million and no tax increase. I take a little exception to this. Obviously, the increase in water rates will affect the individual—particularly on the low and moderate income levels.

The Mayor had covered public safety, but I don't find any increase that is in compliance with the ordinance that City Council passed, although I do notice that the Mayor takes special note that the park police have been integrated into our city police. Let it not be misinterpreted that there is an increase of police as a whole. From my understanding of Superintendent Coll's statement, we still have the same amount of police patrolling our parks as before, so it really is not an increase.

There is another issue we should question. The Mayor mentioned the light rail system and for those who believe the skyline was a system that should have been put in, we then have lost billions and billions of dollars and too many years in getting to it. I happen to know that Mr. Mason was assigned to the Transportation Task Force and the money that was initially introduced has been reduced from the original allocation.

The Mayor had also mentioned the East Street Valley highway. He stated the reason he held back for six years was not to have a highway, when in turn he made a compromise for that same highway, which had cost billions and billions of dollars, and, at the same time, a loss. We could have had that highway finished already.

He talked about how wonderful the Community Development Block Grant Program was and I agree—with one exception: We didn't carry out the goals that we had so grandiosely said we would and therefore we had lost \$7.5 million.

I find it also interesting of the "New Mayor" asking for a seven percent increase for our municipal employees. I find that encouraging, with one exception. In prior years when the escalation was higher, he made that announcement. This year, just two days before the election of higher offices, he made that announcement. I find that very interesting.

Before we take any moves forward, I think it is important that we as Council members should request for more time—for us and for the citizens of the City of Pittsburgh to have an input into the 1977 Budget as outlined by the Home Rule Charter.

In that view, I would like to move that we have every department director forward a written progress report to us as to the status and of all the projects of 1976, so the citizens and Council know where we are going in the future.

Mr. DePasquale:

I second the motion.

Which motion prevailed.

Mr. DePasquale:

I would say that I agree entirely with Mr. Stone—with one exception: The increase of our city employees. I am a little concerned about that, and I would like to fight for ten percent this year. I stated then that the take-home pay in 1976 was less than was due the employees, and that's the truth.

I think the employees deserve this for several reasons: Their duties have become more involved in the past years and the morale has been rather low, due to the way things have been carried out.

In regards to the wage increase, it is directly affecting the fixed income level and I oppose to that.

In regards to the East Street situation, I had attended a meeting at St. Boniface Church whereby 700 people are willing to fight to keep their church. As far as I am concerned, I admire their stand and I think they should tell PennDot and the State of Pennsylvania to go to hell!

The Chair:

I think on that motion, we will ask Mead Mulvihill to get something together.

The Chair presented

Bill No. 1569. Communication from Mayor Flaherty, submitting the name of Mr. Edward Perlow of 5871 Solway Street, Pittsburgh, for re-appointment as a member of the Zoological Park Commission for the term to expire in November, 1980.

Which was read, received and filed.

Also,

Bill No. 1570. Resolution approving the re-appointment of Edward Perlow as a member of the Zoological Park Commission for the City of Pittsburgh, for a term to expire in November 1980.

Which was read.

Mr. Lucchino:

I move for approval.

Mrs. Masloff:

I second the motion.

Which motion prevailed.

Bill No. 1571. Communication from Mayor Flaherty, submitting the name of

Robert Zern of the Gateway Towers, for the appointment as a member of the Board of Standards and Appeals for a term to expire in February, 1980.

Which was read, received and filed.

Also,

Bill No. 1572. Resolution approving the appointment of Robert Zern as a member for the Board of Standards and Appeals for the City of Pittsburgh, for a term to expire in February, 1980.

Which was read.

Mr. Givens:

I move to hold the appointment for two weeks.

Mr. Lucchino:

I second the motion.

Which motion prevailed.

Bill No. 1573. Communication from Mayor Flaherty, submitting the name of Pasquale Navarro of 5620 Dunmoyle Street, Pittsburgh, for the appointment as a member of the City Development Commission for a term to expire in January, 1979.

Which was read, received and filed.

Which was read, received and filed.

Also,

Bill No. 1578. Resolution approving the appointment of Arnold Weber as a member of the City Development Commission for a term to expire in January, 1978.

Which was read.

Mr. DePasquale:

I move for a two-week waiting period on all these.

Mr. Lucchino:

I second the motion.
Which motion prevailed.

Mr. Lucchino:

I would ask that the City Clerk invite James Creehan, who is the Executive Director of ALCOSAN, to come to Council this Wednesday.

Apparently, ALCOSAN has changed its method of disposal and maybe Mr. Creehan could explain what they are doing so we can explain to the citizens, especially in Brighton Heights.

One other request for the following Wednesday, a representative from Port Authority to explain the loss of the transportation ability of the people in the South Side area, and to placing more vehicles on these routes.

The Chair:

We will call Port Authority to be present to give us those answers.

Mr. Stone moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Stone moved

That the Minutes of Council of November 1, 1976, be approved.

Which motion prevailed.

And on motion of Mr. DePasquale,

Council adjourned.

UNFINISHED BUSINESS

The Chair presented

Bill No. 1545. Resolution approving the appointment of Mr. David Wykoff as Director of the Department of Supplies.

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Givens:

Mr. President, I ask that this appointment be delayed for at least a week or two—or for an indefinite period of time. For one thing, there were only a few councilmen present at the table at the time this appointment was discussed. Secondly, the President of Council, Mr. Mason, indicated that a committee was to be formed by Council to go down and look into the deficiencies of the computer section. This was back in about April of 1976.

There are many things on the individual that I have questions about, myself — not on the individual's ability to perform but on the

operation that he had administrative control over — and I would just like to cite a few of those. I have here a list from the Controller's Office of up-time or down-time on the particular computer system. I think we can go to our own finance section and anytime that we want information off our own read-out machine, many times that I have been in there the information — the instrument is down, it is not just our own instrument, but the information that is on there is not an up-to-date information. It should be updated on a daily basis.

I noted that when Mr. Wykoff did present his resume it was impressive, but going into his letter which was dated November 9th, the day before but not received by me, at least, until the morning of the session with him. Of course I didn't have sufficient time to read all the comments but in retrospect going back over his particular letter I find some interesting discrepancies. On one point he talks about budgetary and he compares the City of Pittsburgh with other cities and that we are just about in the middle of the budget forms and the operation area indicates that his particular computer section was down somewhere in the neighborhood of 12-14 percent and he has brought that figure up over the period of time. These figures indicate here, from the Controller's section, just about what this down-time was. I indicate the Controller's section because I feel that it was one area that I could get a completely unbiased opinion as to what is actually happening down there.

In getting into that down-time, this is one of the biggest factors that we have. In getting into system's development, I find that 10 staff members, programmers, were to be used in that particular system. Only 7 of those programmers have been hired. In my investigation, which was going down to the City Garage and finding out that one of the problems that our City Garage was having, was that they were waiting for a computer and a computer program and that this is one of their fall-backs or excuses that they had used in that particular time within the City Garage. That program was to come on-line sometime in May 1975, and yet looking at Mr. Wykoff's report here, he indicates that it was to come up in May 1976. Today I am still waiting, and I am sure that the City Garage

is still waiting, for that particular program to come forward.

I can cite other examples but I think there has to be a little study on the part of members of Council with regard to these appointments, and the fact that once that individual is confirmed by this Council then we have to live with that individual in that particular department. In this case this means his taking over the Department of Supplies, which will entail the Computer Section also, and replacement of himself, apparently, as the head of the Computer section and bringing in another individual. Even though he has been Deputy Director of Supplies he still has not been replaced nor has anyone in mind to replace his operation in the computer section.

I think that we can go to any department within the city administration and when we check we find out that the computer system leaves a lot to be desired. One of the big things was — that as an administrator, with respect to the total budget, he complied with city policy, and I think that's just the point. The City of Pittsburgh computer policy became a big point in 1969. In 1970, 1971, 1972 and 1973 they had complete changes of hardware in their computer section down there, and as a result the city — a modern city, I hope, the third largest corporate metropolitan headquarters which uses computers as one of the daily management tools — and yet here we are in the City of Pittsburgh not having the capability yet to determine its utilization. I might want to point out that Mr. Wykoff was in charge of this section for quite sometime.

The payroll is something that the Controller needs to run a parallel system and Council approved this because he isn't getting data. He is requesting a computer to cross-check and he hasn't been able to do it. The computers arrived some time in July, and they are still sitting down in the Controller's Office with their covers over them because they have not even begun to be programmed. It is this kind of stuff that goes on — some from the Mayor's Office, and some from the decisions made by going from IBM to NCR.

These are some of the gross mismanagement things that have been happening down at the Computer Section and I wonder — do you think this individual has the responsibility in the particular area to go forward. Another thing that I have come across on my problems — and that is issuing of tickets, citations, etc. It comes from the read-out.

As a matter of fact, I get several calls a week that a duplicate comes from the computer center and I had indicated that the system is still not into effect, and I consider that one of the things in this particular letter as being misleading. With regards to the police department, I had asked for information on numerous occasions and found that it was handwritten—all the points and facts, in order to run an effective department. Yet, we have a computer that has been in existence for a number of years and to date they are still not in operation. For example, my payroll check—I am sure they had a difficult time in trying to read it when it was actually spelled out.

The Chair:

We have sent our checks back, Mr. Givens. Please give yours to the City Clerk.

Mr. Givens:

I just wanted to bring that out as a fact because there needs to be more research and study down there and Council should regenerate that particular commission that President Mason so recommended, to look into this computer section and Dave Wykoff's problem.

For example, in going down there in the month of April and in reading the report, I found that they were working two shifts, five days, 16 hours a day, and I had commented on that because never have I been around a computer area where they have worked 16 hours a day.

I request that this appointment be withheld for an undetermined period of time, until such time as Council members or anyone else to set a date, I would be more than happy to agree. I think we have a responsibility here to really look into these

directors who are being appointed by the Mayor and I am sure that the citizens of the City of Pittsburgh would like to see them checked out completely.

The Chair:

Can you give a specific time?

Mr. Givens:

Well, right now we are very busy with the budget.

Mr. Lally:

I move to hold for a two-week study period.

Mr. Lucchino:

I second the motion.

The Chair:

Any discussion on the motion?

Mr. Coyne:

Mr. Chairman, when Mr. Mason composed this committee, I believe I was a member of the committee and I would just like to say that I don't think the purpose of the committee is to go down and to find out what the inadequacies of that department are, but to go down and find out what kind of information Council would need.

I don't think we should determine what is right or wrong, but rather that we can use this department for, to our best advantage.

Mr. Givens:

I have felt that we, as Council members, should go down there and find out exactly what the problem is and maybe help them with the problem.

I have heard complaints from many of the departments, and I have learned myself the fallbacks within that department. If you can recall, when I first came onto Council, it took a month for them to get our payroll checks.

The Chair:

I will check with Mr. Mason to find out exactly what his intention was.

Mr. DePasquale:

With regards to holding this for two weeks, I really don't see what good it will do. We have to vote the man up or down—that is my point.

The Chair:

There has been a motion that we hold for two weeks.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes

Mr. Coyne	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
Mr. Lucchino	(Pres't pro tem)

Ayes	7	Noes one (Mr. De-Pasquale voting "No").
-------------	----------	--

And a majority of the votes of Council being in the affirmative, the appointment was held.

Mr. Stone:

I think the record needs straightening slightly. We can talk about who is running the computer center but there are certain things we can't blame the computer operator for.

If you will recall, our City Treasurer had sent out some late notices to people who had not paid their fines. If I recall correctly, they had paid their fines but received the notices after their payments—the reason for that being that the information was not given to the computer division early enough so they could put it in the record. I would just like to way that you can't blame the operators for everything that goes wrong.

Mr. Coyne:

Mr. President, I would like to add something else to that. Rather than pass a resolution everytime we need some information, I would suggest that we ask the Administration to have available, important information—the recent water rate increases—to find out whether it's commercial, industrial, schools or hospitals, or a residential customer, because this way it would save us a lot of time.

The Chair:

Gentlemen, that position is so important that we need a qualified person, so we will check out Mr. Wykoff before going any further.

REPORTS OF COMMITTEES

Mr. Coyne (for Mr. Caliguiri) presented

No. 1614. Report of the Committee on Finance for November 10, 1976, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1505. A Resolution entitled, "PROVIDING for the issuance of warrants to EDDY, OSTERMAN AND LLOYD (Counsel fees and expenses) \$2,605.98 - EDDY, OSTERMAN & LLOYD (As attorneys for Blue Cross and Blue Shield on their subrogation claims) \$882.06 - AUDREN C. LOCKE, parent and natural guardian of David M. Locke, a minor (to be deposited in a savings account, certificate of deposit or savings certificates, in trust for said minor until further Order of Court) \$5,211.96 in full settlement of claim for injuries to minor plaintiff, David M. Locke sustained from a fall on January 14, 1971 on Steuben Street, Pittsburgh, Pa and providing for the payment thereof."

Which was read.

Also,

Bill No. 1506. Resolved, That the Mayor is hereby authorized to issue and the City

Controller to countersign, a duplicate warrant to the same payee and in the same amount to replace the following warrant which was lost, stolen or destroyed:

City of Pittsburgh	127-2-022297
Warrant No.	P-17770
Dated	August 26, 1976
Amount	\$25.00
Payee	Robert Harvey

Which was read.

The Chair:

Is there any discussion on the bills?

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes 8 Noes none

And there being two-thirds of the votes of Council in the affirmative, the bills passed finally.

Also,

Bill No. 1507. A Resolution entitled, "Transferring the sum of \$149,000 to Code Account No. 58, Municipal Pension Fund from Code Account No. 1811, Salaries, Regular Employees, Department of Parks and Recreation."

Which was read.

Also,

Bill No. 1508. A Resolution entitled, "Transferring the sum of \$225,000 to Code Account 58, Municipal Pension Fund, from Code Account 1060, Department of City Treasurer, 1102, Department of City Planning, 1366, Department of Lands and Buildings, 1368, Department of Lands and

Buildings, 1655, Department of Public Works, 1818 Department of Parks and Recreation."

Which was read.

The Chair:

Is there any discussion on the bills?

Mr. Givens:

I have a couple of points on Bill No. 1508. I would just like to say that there is almost \$374,000 between the bill and the sister bills preceding, and the fact that we have to look in the future, especially in the 1977 Budget when these appropriations were primarily in the area of municipal pension funds, and the fact that the City didn't appropriate enough money in that particular code account. This is not the first one. There have been many transfers and I think as we go along and come closer to the items that we desire, this is something that the Administration and Council is going to have to look at very closely.

I have other bills that I will vote accordingly.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri
	(Pres't pro tem)

Ayes 8 Noes none

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also,

Bill No. 1509. A Resolution entitled, "Transferring the sum of \$12,000.00 from code account #1042, Salaries, City Information System Office-Mayor's Office to

code account #1044, Supplies, City Information System Office - Mayor's Office."

Which was read.

Also,

Bill No. 1510. A Resolution entitled, "transferring the sum of \$25,000.00 from code account #1042, Salaries, City Information System Office-Mayor's Office to code account #1043, Miscellaneous Services, City Information System Office-Mayor's Office."

Which read.

Also,

Bill No. 1511. A Resolution entitled, "Transferring the sum of \$3,000.00 from code account #1042, Salaries, City Information System Office-Mayor's Office to code account #1045, Equipment, City Information System Office-Mayor's Office."

Which was read.

The Chair:

Also,

Bill No. 1532. Resolution providing for low interest home repair loans for middle income people of the City of Pittsburgh (Amended in Committee)

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Stone:

Mr. President, if I may, I would like to speak on Bill No. 1532. Relative to that program I would just like to take you back slightly when the City of Pittsburgh matched funds with the Commonwealth of Pennsylvania for \$800,000 a piece, to make the 1.6. The Housing Subcommittee met and out of that committee came: first, an acknowledgement that \$1.6 million was not enough funds for a revolving home loan program and secondly, the Subcommittee recommended, in its report, that the City go out on a bond issue for \$15 million for a revolving home loan fund.

If you will recall all of this took place prior to the time that we knew any community development block grant funds were forthcoming.

When the community block grant moneys of \$16.4 million was granted to the City of Pittsburgh, it was then decided to set up a \$15 million long-term low-interest fund for citizens earning under \$15,000.

I believe that that program which we set up was and is a good one, but I don't think that we have completely served those needs. In fact, for those people earning less than \$15,000, their demand under this program exceeds our present supply of moneys or even our potential supply of moneys. I therefore think that any change or any attempt to take away any funds, no matter how small, from this fund, tends to take away or destroy the program. I believe City Council must take upon itself to protect the program as it is.

I for one, strongly believe, that by the action which is being proposed here, we will be hurting this present program. Those individuals under the \$15,000 figure are in the low and moderate fixed income areas, who need help, and additionally, don't even have the luxury of being able to move, even if they wanted to.

I find fault with the increased figure of \$25,000 because it does not have any change for those with or without children and my personal thoughts are anyone earning \$25,000 per year, most certainly ought to know where the front door of any bank in the city is.

I wish to seriously question this amendment on the grounds of its legality for the following reasons: (1) If the funds are to come from the community development block grant moneys, we are in violation of the financial limitation since those federal funds were geared to take care of the low and moderate and fixed-income people. (2) If we are to use the funds which we contributed namely the City of Pittsburgh's \$800,000 which we matched with the State, we must realize that once those funds were matched, they were subjected to the same limitations and guidelines set by the state. In my opinion as well, there was an intention and desire that this likewise applies to the low and moderate and fixed income people.

Nowhere in any legislation, mentioned above, did they ever anticipate going up as high as \$25,000 and I believe if we go beyond \$15,000, we are being unfair to those deserving people.

Mr. Lucchino:

I would like to say that we had this all talked out on Wednesday, and I think that many of the points made by Mr. Stone were

considered and because some of the suggestions raised by him, there were amendments to this bill. What we are trying to do is to find out whether we have a solution to deal with the serious problems that confront the City, and that is the substantial loss of the population.

Mr. Stone stated that he doesn't disagree with the intention of the ordinance but that we could propose a small amount of bond funds to be sold in next year's bond issue just to cover the specific program.

Mr. DePasquale:

Mr. Chairman, I share the sentiments of Councilman Stone, although I vote for the amendment. I will go along with the one-year amendment and I hope it will work out.

The Chair:

On the bill itself, I understand Mr. George did indicate that there were a number of applications and the only problem that we might have is using the bond fund money, whether we can limit the bond fund to any class of people.

Mr. Lucchino:

The Neighborhood Housing Program has about \$3½ million which is all city money.

The Chair:

It should be geared.

Mr. DePasquale:

I commend Mr. Lucchino to keep the young people in the city.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

MOTIONS AND RESOLUTIONS

Mr. DePasquale:

This is another chapter of East Street. The Secretary of Penn-Dot wants to rename it. Changing the name of PennDot isn't the answer. First of all, it was his duty to make fair offers to the people of the valley and he didn't, so it wound up going to Court.

I think a simpler solution than going to court is and to give a home-for-a home, but nobody wants to listen to it and it is causing further delays. I really hope that the panel is the answer and that they solve all the problems.

I would like to make a record clear that we aren't any closer to a solution than it was before.

The Chair:

What are you going to do about the people in the North Boroughs?

Mr. Lucchino:

I am glad you brought that up. That is what concerns me—they are being shot over us for 15 years and when it comes to the North Boroughs, those people are going to kill us for holding the highway back. Now we have only an expressway that will move all the families out from East Ohio Street to McKnight Road and that will be the crime of the century.

Mr. Stone moved

That Mr. Mason be excused for absence for this meeting.

Which motion prevailed.

Mr. Stone moved

UNFINISHED BUSINESS

The Chair presented

Bill No. 1572. Resolution that the appointment by the Mayor of Robert Zern of Gateway Towers, be and the same is hereby approved and confirmed as a member of the Board of Standards and Appeals for a term to expire in February, 1980.

Which was read.

Mr. Givens:

Mr. President, at one point I had asked the City Clerk to check on the Master Builders to find out if the Mayor had in fact gone through the proper procedures in appointing the appointee. You haven't done so?

Mr. Perry:

No, I haven't contacted them.

Mr. Givens:

You had never received anything?

Mr. Perry:

No, I haven't.

Mr. Givens:

Then I would make one point in order and that is if the proper procedures were not accomplished, then so individual would have to go through the Master Builders in order to comply with the city ordinance.

That is just a formality that should be carried and I then so direct the City Clerk to send a letter to the Master Builders to find out if this has been done and if not, then submit his name to find out if they are in agreement with his recommendation.

Mr. Lally:

Address it to Joe Haley.

Mr. Lally moved,

That the appointment be approved subject to confirmation from the Master Builders.

Which motion prevailed.

Also,

(As amended in Committee)

Which was read.

The Chair:

Is there any discussion on the bill?

Mr. Stone:

Mr. President, relative to Bill No. 1233, it is my intention to vote for it, but I think if you will recall last Wednesday I expressed reluctance. Therefore, I would like to have included in these minutes my remarks from last Wednesday's meeting rather than to repeat them here.

Mr. President, if I may, with some comment. I would just like to point out to members of Council that some of these amendments answers some of the objections that we have already made. Our Solicitor and our administrative proponents have indicated that the language is the same as that which was approved by the Supreme Court of the City of Detroit's ordinance. However, they say "substantially" that means not all of the words are the same! I don't have to be redundant and say that one word can pretty much end in a different result and different Supreme Court decision. The ordinance by design limits, and in fact almost eliminates. The way the ordinance is written, we have practically eliminated any future new adult theaters. I think then that we have to see conversely what is going to be the practical result of this ordinance. We are passing this ordinance that will have adverse practical results for us because as I indicated it eliminates competition. It means that the present ones are going to stay where they presently are.

In addition, this very publicity is helping those adult theaters. I think it is going to ensure the financial stability and longevity of those that are doing business presently along Liberty Avenue. Once we have the convention center, it will add further revenue to the present locations. Where? Liberty Avenue! What we have done in effect is created that which we didn't want, directly, a "combat zone" on Liberty Avenue, a main thoroughfare in the City of Pittsburgh.

I think that this problem might be attacked in another way. I think this piecemeal legislation, which the administration has been trying to present piecemeal, borders on being ridiculous.

I think that what we have done in the past, in each case, is to try to pick out some alleged adverse course of conduct which we want to control, limit, or eliminate. We piecemeal legislate--anti-someone! The legislation then is clearly discriminatory, they appeal to the Courts, the ordinance is declared illegal as discriminatory; and the alleged adverse parties look then "like giants!"

This Council has indicated that perhaps there is a better way to resolve it, to get some assistance from the landlords in that particular area, by way of their lease negotiations. All they would have to do is not renew it and that ends that particular adverse condition!

The other way to resolve it is to begin, now, a redevelopment of that particular area. We should not wait until the convention center is built!

This Council wrote to Mr. Horan of the Greater Pittsburgh Chamber of Commerce some time ago. Regrettably, he hasn't even paid us the courtesy of a return call or letter.

The Golden Triangle Association, through Mr. Kahn, has expressed their interest to meet and discuss it.

Again, we should not wait until the convention center is completed. If we do, it will be even worse!

This has caused me a lot of concern. I

agree that we need some limitations, but I am inclined to think that everybody ought to be fully aware of the practical results, as well as the legal, because it could have some rather adverse results as we pursue "our attempts to do good"!

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mrs. Masloff
Mr. Givens	Mr. Stone
Mr. Lally	Mr. Caliguiri

MOTIONS AND RESOLUTIONS

The Chair:

I have an announcement to make. I receive a letter from the Allegheny County Department of Planning Development and within that planning development department, they had an Allegheny County Disaster Planning Committee and they wish that a member of Council to be on the committee—I guess because of the Atom Bomb that China just exploded. Now and then we have trains that seems to be going off the track and I know a couple of small cities that are having those problems and I think we should have someone on this committee in case we have to get the people out of the City of Pittsburgh, so I would like to appoint Mr. Givens.

Mr. Givens:

I would like to make a comment. The fact that Allegheny County used to have one of the No. 1 disaster control teams within the country at one time and I was impressed during the '60's and the '70's which I came from vacation and leaves and found out that their civil defense system was still part of that disaster team and that has since been shoved more or less within the County Disaster Control Team and now I hope in my activities as the Public Safety chairman, I had asked about the disaster team and its preparedness within the City of Pittsburgh, and there was none. Immediately thereafter, they did contact someone from Washington who was qualified in this and hopefully that was a generated activity because we do have rail lines and transportation that comes right through the downtown area that would be involved and I think something must be planned as to what the maintenance or security officer does in a case of such an alert. For example, the U. S. Steel Building has underground tunnels and these are some of the pragmatic matters.

Mr. DePasquale:

How does this committee differ from the old Civil Defense Committee, or does it work in the same way?

The Chair:

That is one of the agencies that would be tried there.

Mr. DePasquale:

Actually we don't have a civil defense?

The Chair:

We didn't appropriate any moneys.

Mr. Givens:

I am concerned about the police community center that we developed to try to get the county communicating through various radios and other telephone switches.

The Chair:

Mr. Givens, after the first meeting give

us a report or something and let us know exactly what is going on.

Mr. Stone moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Stone moved

That the Minutes of Council of Monday, November 15, 1976, be approved.

Which motion prevailed.

And on motion of Mr. Stone,

Council adjourned.

Which were severally read and referred to the Committee on Lands and Buildings.

Mr. Lucchino:

Mr. President, before we read the bills, Mr. Stone raised a question about the first

two bills introduced—Magee and Arlington Centers were classified. It is for the design of the Magee Indoor Center, and as you will recall last Wednesday we had the park ordinance that combines those two centers where there are three or four swimming pools in the total package. They will be read together but I want to introduce them separately so we can move the swimming pools along.

Mr. Lucchino presented

No. 1691. Resolution providing for the letting of a contract or contracts for architectural, engineering, and other professional services in conjunction with the design of the Magee Recreation Center in the Department of Parks and Recreation, at a cost not to exceed \$25,000.00.

Also

REPORTS OF COMMITTEES

Mr. Coyne (for Mr. Caliguiri) presented

No. 1739. Report of the Committee on Finance for December 8, 1976, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1645. A Resolution entitled, "PROVIDING for the issuance of a warrant to Clara J. Auld and William F. Auld, her husband, in the amount of \$2,500.00 in full settlement of claim for personal injury, and providing for the payment thereof."

Which was read.

The Chair:

Is there any discussion on the bill?

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mr. Stone
Mr. Givens	Mr. Caliguiri
Mr. Lally	(Pres't pro tem)

Ayes 7 Noes none

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

Also,

Bill No. 1646. A Resolution entitled, "Creating a Counter-Cyclical Trust Fund for Federal Funds to be received or already

received under, 'Public Law 94-369 by Title II of the Public Works Employment Act of 1976', providing for the deposit of said funds in bank and providing for establishment of sub-accounts in said Trust Fund."

Which was read.

Also,

Bill No. 1647. A Resolution entitled, "Designating Banks and Lending Institutions to act as Depositories for the year 1977 in accordance with Depository Ordinance No. 635 of October 31 1975."

Which was read.

The Chair:

Is there any discussion on the bills?

Mr. Givens:

I have one comment on Bill No. 1647. Under "c", this is an act of depositories for bond funds. It just has Mellon Bank, and I thought that we had made deposits in both Mellon and Pittsburgh National. In 1977 are we only going to make deposits in Mellon Bank?

The Chair:

Apparently, the bond funds that we are going out for are going to be deposited in the Mellon Bank.

Mr. Givens:

I questioned this when I read the ordinance the first time and I wondered why they didn't have an additional bank depository. Are we limiting ourselves to one bank?

Mr. Rush:

The bond funds are in other banks also. The previous bond funds were deposited in various banks and institutions and "c" is the active bond fund of last year.

Mr. Givens:

This still doesn't make sense.

Mr. Rush:

That's Bond Fund No. 230.

Mr. Albert:

Last year's number was 234.

Mr. Rush:

In Mellon Bank they are the active 1976 bond funds.

Mr. Givens:

Okay.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mr. Stone
Mr. Givens	Mr. Caliguiri
Mr. Lally	(Pres't pro tem)

Ayes 7 Noes none

And the majority of the votes of Council being in the affirmative, the bills passed finally.

Also,

Bill No. 1648. A Resolution entitled, "Authorizing the issuance of warrants in favor of the following:

NAME OF COMPANY
Diamond Shamrock Co.
Diamond Shamrock Co.

COMMODITY
Soda Ash
Soda Ash

AMOUNT
\$1,886.36
1,709.75
<u>3,596.11</u>

without previous authority of law."

Which was read.

The Chair:

Is there any discussion on the bill?

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mr. Stone
Mr. Givens	Mr. Caliguiri
Mr. Lally	(Pres't pro tem)

Ayes 7 Noes none

MOTIONS AND RESOLUTIONS

Mr. DePasquale:

If you will recall last year, I don't know who initiated it—Council or the Mayor's Office, where the city employees were given a day off after January 1. I spoke to the City Clerk and Mike said that was a one-year shot. Did that originate here or in the Mayor's Office.

The Chair:

The Mayor's Office, although we can check to see if we are having the day off.

Mr. Stone:

We shouldn't do that now because it is a holiday on a holiday. They are not all put on Mondays.

The Chair:

What they were doing is giving them a long weekend after the new year instead of having two days.

Mr. DePasquale moved

That Mrs. Masloff and Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. DePasquale moved

That the Minutes of Council of Monday, December 6, 1976, be approved.

Which motion prevailed.

And on motion of Mr. Stone,

Council adjourned.

Is there any discussion on the bills?

Mr. Givens:

"Aye" on all bills except 1652, 1653, 1678 and 1683. As you can recall these bills relate to transferring from departmental to departmental and that is something that I feel I can give a personal opinion to. For that reason, I cast a "No" vote on thos particular bills.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne
Mr. DePasquale
Mr. Lally

Mr. Lucchino
Mr. Masloff
Mr. Stone
Mr. Caliguiri

MOTIONS AND RESOLUTIONS

The Chair:

I have one item to bring up. This is regarding the minimum level of employment that was established in the resolution which is attached to the budget that is before you.

There are two things. First of all the wording for the minimum levels and second, what those positions will be. I think you, all of you, were provided with a copy of Cy Fox's opinion and he indicated what the wording is. We have at this point desired that wording, but as yet it has not been typed up. At the present moment we have also recommended it to be limited to the Department of Police and the Department of Fire and we would then list every position and number that will be a part of the budget. We already have legislation provided for that so we can set up the minimums. The resolution includes anything else, or would you want to stick to Public Safety—I throw that out for discussion at this point.

Mr. Coyne:

Mr. President, I would just like to say that I don't think it goes far enough. I can cite some examples that have happened throughout the year where the department

have cut back on the staff and where it is virtually impossible to operate. For instance, the Housing Clinic—they only have three members down there where they should have five. Another example is the meter readers. As a Councilman I have been getting complaints all year from people who are getting estimated bills, but their meters haven't been read.

As far as I am concerned, it is due to the fact that the number of meter readers that we have on the payroll are not the number that we have allowed for in the budget, and unless we are able to mandate at a certain level, then I certainly can envision another year where people are getting estimated bills instead of actual readings.

Another department is the litter enforcement officers. It was created by an ordinance last year. The money is in there to hire the personnel but the position remained vacant all year, so I think we really have to look beyond the police and fire departments.

The Chair:

Bill, you are in agreement with the wording in the resolution and you would also like to add the Housing Clinic, the Meter Readers and the Litter Enforcement Officers.

Mr. Coyne:

That's right:

The Chair:

Any other discussion?

Mr. Givens:

I would like to mention the computer section, which I feel is a very vital instrument to the executive branch of this city.

At the appointment of Dave Wykott we had appropriated money to fill ten positions and as I understand it we only have seven of them hired and in talking to various departmental heads, it is a known fact that they are very desperate and I know it has hurt the total management of this city. In view of that, I think Council should look at this very earnestly to make sure that they do have 100

percent manpower. Even at this late stage, that department still has a lot to be desired.

The only other area I can think of is the mechanics down at the city garage. We only have 28 mechanics working down there and we have around 1,000 pieces of equipment, so I think that is something we should look at.

Mr. Lucchino:

I agree with the Chair. I think that if we are going to do this, it should be limited to the public safety area. In view of Mr. Fox's opinion, he cautions us against trying to make it too broadly based.

I couldn't hope for anything more than to see the litter enforcement positions filled—I think that should be done, but as we go through this we will find that all of us have something we think should be filled and we will be doing just what Cy Fox said not to do in the first place. If we limit ourselves to the public safety aspect, at least it has a chance of being upheld.

I know I would like to see the conservatory and the garden positions filled out there, because I think it is important. I would also like to see the recreational leader jobs filled that we have in the budget, but I think as each of us goes through our own department, we will find these kinds of things and if we start putting in anything, nothing will happen. And if we limit this, at least it has some rationale. If anyone says that Council was interested in having that particular position filled, we could then say we carried out our responsibility. So for us to go beyond that I think it is a mistake.

The Chair:

I spoke to someone about that this morning and I also read the cautions.

Mr. Coyne:

I would like to say that in these three instances we have decided to appropriate money to fill the positions, both the litter enforcement officers and in the housing clinic and the wording in this resolution taken care of some of the concerns that Frank has.

It states that if the Mayor feels he needs a reduction in the number of personnel in a particular department, he can then come back with an amending resolution during the year to reduce the number and give us the reasons why he is reducing it and how is he going to provide for the same kind of service that he would without the personnel. So, I think the wording of the resolution is adequate because it would give the Mayor a reasonable amount of time before he would be mandated to fill the position again.

Mr. Lucchino:

Bill, the only problem with that is we will be reducing the Mayor's position to our level and I feel that this is our problem and it should be resolved in the courts on whether this legislation is upheld or not. It is not a question of appropriating the money, but rather having it public safety as opposed to all other areas that we have a special interest in.

Mr. Coyne:

The only reason that I suggested that his opinion be asked of our attorney is that in the past, Council didn't operate on the same branch as the Mayor and I think it should be that way. And, if we are going to legislate with this kind of wording, I think that would more or less put us on a par with the powers of the Mayor so we could then tell him what we feel should be done on the staff of these departments in order for the departments to carry out their functions.

Mr. DePasquale:

I would like to say that I agree with everyone here but will have to go along with Councilman Lucchino's views on this. It seems we haven't had too much success in the past, and I would like to know where we stand in regards to the Police Department. We have tried that for five years, and if we can do it legally, why can't we do it in other departments? I repeat, "Where do we stand legally?"

The Chair:

This wording has never accompanied the

budget before so it ties it down a little bit tighter.

Mr. Stone:

Mr. President, I have been listening to some of the discussion back and forth and if I had my choice I think I'd rather fight it out. I think that care has to be exercised—reason being when we take a part and mean what we conversely say and in every other respect we didn't mean what we said, I think we are going to have to watch that.

I think that Bill Coyne has made what I consider a legitimate analogy to the public safety area as far as the Housing Clinic. We have considered that as being crucial in the City's best interest and it has been told to us by the magistrate that these people are in need of it. Is that not on a par with public safety?

As far as the litter enforcement officers, I don't think we should draw a final conclusion other than to carry on with the vacancies that we have today.

My greatest concern is when you set up a minimum standard throughout the whole budget and then later by legislation you say in one respect, "we mean what we say", and then we don't carry out the minimum standards, are we then saying, "we don't really mean what we said?" I find that more dangerous than to try and get at one specific point.

The Chair:

So you think we shouldn't consider any amendment--we shouldn't put in any wording at all?

Mr. Stone:

I say just limit it to public safety.

The Chair:

There are, of course, certain priorities that we want to maintain a minimum on because we consider them vital. I am not saying that everything we have in here is vital, but I think certain things are.

Mr. Stone:

I think we should set up a minimum standard in all departments. And then, during the course of the year we can draw the battle lines, but obviously we are unanimous in one aspect and that is that this City should have the minimum manpower relative to the Police Department.

I find it very, very dangerous to pick out one and say that we mean it and in other respects we don't mean it.

The Chair:

If I understand you Bob, you agree with the rest of it but maybe the language, "setting up minimums" shouldn't be in there? In other words, we should take it to the table?

Mr. Stone:

If we pursue that position, it wouldn't be any special language, right?

Mr. Lally:

I agree with the previous speakers, but I think that public safety is the first priority and if we start with the police I think that will be the best direction to go in.

I can understand Bill's problem with the meter readers. I know he has been deluged with phone calls and letters from citizens and things like that, but public safety is the top priority at the present time.

Mr. Stone:

I don't think you and I are really different on this, but the part that I am finding problems with is that once we pick up one, then we are saying what we mean, and in the others we don't say what we mean.

I'd rather we carry on equal parity and have a resolution that if we don't get what we have asked for in Public Safety, then we will move on and ask the Mayor.

The Chair:

You want that as a separate resolution?

Mr. Stone:

Yes, I think that might be a better idea.

Mr. Lucchino:

If you listen to the language that Dick has, we don't set minimums anywhere else in the resolution – just the one section and it doesn't apply to anything else except where we designate it. There is no minimum in the budget until you come to Section 2 and there you specify that Public Safety shall be a minimum.

Mr. Stone:

I realize that.

Mr. Lucchino:

It won't apply to the other ones.

Mr. Coyne:

Maybe the ordinance could be amended to read, "all of the positions in the entire budget are mandated to the extent that if they are not filled, then it is something in violation of the budget ordinance" and you would take specific cases as it comes up.

Mr. Lucchino:

The only problem with that is, contrary to Cy Fox's opinion to us he says that clearly in his opinion that he doesn't believe we can mandate those kinds of functions that are less than vital to the interest of the City. And if we mandate those positions, we don't have any legal authority supporting that.

The Chair:

That is the reason we asked for his opinion and as Frank says, that is fine. We should put enough police on the force and when some of them retire, we will have enough to fill in those positions.

Mr. Coyne:

If I can recall correctly the opinion was asked for after it was determined that three people out of the Housing Clinic would no

longer be working in there. I don't know if Council would want to consider the Public Safety Department plus the three members of the Housing Clinic.

The Chair:

Have that with Public Safety?

Mr. Coyne:

Yes.

Mr. Stone:

Are we looking for a discussion or final approval?

The Chair:

Final approval so I can get it typed and put in the budget.

Mr. Stone:

Can it wait until Wednesday?

The Chair:

Not really, it is part of the resolution in the budget. There are a couple of comments I would like to say before you vote. First of all, Mr. Coyne is suggesting that the Housing Clinic be added to this. Secondly, the wording with Public Safety in here will be just the police and fire and will set up their own minimums. Do I hear a motion?

Mr. Lally:

I move to include only the wording "in the Department of Police and Department of Fire."

Mr. Givens:

I second the motion.

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne
Mr. DePasquale

Mr. Lucchino
Mrs. Masloff

Mr. Givens
Mr. Lally

Mr. Stone
Mr. Caliguiri
(Pres't pro tem)

Ayes 8

Noes none

And a majority of the votes of Council being in the affirmative, the motion was carried.

Mr. Coyne:

Mr. President, I'd like to make a motion to that section making another section that would include the three positions within the Housing Clinic to bring it back up to a minimum level of five members.

The Chair:

You are adding five probation officers?

Mr. Coyne:

There are two already and we need three more members for a total of five positions.

Mr. Stone:

I second the motion.

Mr. Lucchino:

As much as I would like to see the three positions filled, I think that is a mistake because we are weakening it and I would turn it down.

The Chair:

If there is no other discussion on the motion that five probation officers be in-

cluded in the budget, we will then have a roll call.

And the roll being called, the ayes and noes were taken agreeably to law, and were:

Ayes:

Noes:

Mr. Coyne
Mrs. Masloff
Mr. Stone

Mr. Givens
Mr. Lally
Mr. Lucchino
Mr. Caliguiri
(Pres't pro tem)

Ayes 3

Noes 4 (Mr. DePasquale
not voting)

And there not being a majority of the votes of Council in the affirmative, the motion was defeated.

The Chair:

Are there any further motions to discuss?

Mr. DePasquale moved

That Mr. Mason be excused for absence from this meeting.

Which motion prevailed.

Mr. Stone moved

That the Minutes of Council of Monday, December 13, 1976, be approved.

Which motion prevailed.

And on motion of Mr. DePasquale,

Council adjourned.

The Chair:

Before we move on with these bills, Members of Council, I would like to give a short message for the year 1977 and hopefully the message will bring a little brightness today.

BUDGET MESSAGE

1977 CITY BUDGET

Members of Council, you have before you probably the most comprehensive budget City Council has ever put together. This budget has had more discussion and examination than any in the past. Evidence of this is a response from many community groups, neighborhood organizations, business leaders and other interested persons, all of them contributing very valuable testimony.

The extensive examination of this budget by Council members through the department heads afforded Council the opportunity to intelligently assess the budget. It permitted us to accept certain recommendations by the Administration, but equally important gave Council the ability to re-assign funds and create new programs for Pittsburgh. Council members should be congratulated and applauded for their time and effort that was put into the budget.

This budget however, is much more than just pages of words, figures and a pretty front cover—it represents a sincere concern, and a strong commitment by City Council to the people of Pittsburgh. It underscores goals and programs rather than highlight unused and ineffective dollars. Some of these goals may not be new, but the approach to them has a new dimension.

1. In this budget City Council has re-emphasized the importance of the City Development Department by assigning new staff positions, set up trust fund accounts to accept federal monies and establish a co-partnership between the City Development Commission and the Mayor's Committee to work together for a better industrial, environmental and economic climate for Pittsburgh. We urge these two committees to tap the professional, technological and academic resources of the City which will further assure the success of this new department.

2. A new Department of Housing is created to focus all of the energies of city government to improve the housing con-

ditions in Pittsburgh. Today, the responsibilities for housing concerns are so decentralized, that too many agencies get involved with the execution of these programs making policies and decisions difficult and delayed. This newly created department will centralize these problems and be responsible for all housing and housing related matters including development programs, planning code enforcement and other assistance programs such as the Home Loan Revolving Fund. With this approach it is anticipated that programs on housing will be accelerated and expanded to insure all Pittsburghers of a decent home.

3. The new Department of Environmental Resources will deal not only with existing environmental problems, but hopefully will provide better services with refuse collection and also an expanded Pa-Pitt Program. It should also prepare itself for the possible resource recovery systems now being studied by City Council and the Administration.

4. Council has responded to the recent increase in crime in our neighborhoods by including in the Police Department fifty new first-year patrolmen. Let it be noted, however, that crime in Pittsburgh is still lower than cities of comparable size. What we do not want are comparable crime statistics. Let us see if we cannot do better in the future and continue to lower our own crime rate.

The experiment of "impact squads" in the Squirrel Hill, East End section of the city is proving successful with decreasing burglaries and purse snatching and the clearance of a number of criminal cases.

Superintendent Coll indicated that he would move this squad to other neighborhoods. I would instead encourage him to form additional impact squads with the new patrolmen in the budget so every precinct will have its own squad to work with and thereby providing maximum police protection for all of Pittsburgh's neighborhoods.

5. City Council is not only concerned with these new programs to help solve these environmental problems, but we are also aware of the citizens ability to pay for them

and cut the burden in half for the homeowner as well as the taxpayer.

The 1977 budget is probably one of the tightest in recent years. The surplus is one of the smallest and next year we will be most fortunate to accumulate any surplus. Yet, in spite of this Council was able to accept the Mayor's recommendations as well as establish new goals without any tax increase to the citizens of Pittsburgh.

I am sure we will continue to show that same fiscal restraint and responsibility in the future to the people of Pittsburgh.

As Finance Chairman, I accordingly recommend that the tax bills before you be kept at the same level as 1976. Therefore, I urge Council to adopt this budget and encourage the Mayor to accept our recommendations and revisions and approve the 1977 budget. The 1977 budget reflects expenditures and revenues of \$132,655,522.00 which I hope will be used effectively to make Pittsburgh an even better place to live.

I would again like to take this opportunity to thank all members of Council: Bill Coyne, Eugene DePasquale, Dick Givens, Jim Lally, Frank Lucchino, Bob Stone and the two absent members, Sophie Masloff and Lou Mason, our President, who contributed so much—a job well done. And, of course, the staff, including Bob Rush, for doing a really fine job.

Is there any discussion on the bills?

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mr. Stone
Mr. Givens	Mr. Caliguiri
Mr. Lally	(Pres't pro tem)

Ayes 7 Noes none

And a majority of the votes of council being in the affirmative, the bills passed finally.

Mr. DePasquale presented

No. 1792. Report of the Committee on Public Works for December 22, 1976, transmitting one ordinance and one resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Which was read.

Mr. Stone:

Mr. President, if I may, I had passed to all Members of Council one of these lists because I want to make a few changes and I want everyone to be familiar with this.

This is the 1977 Community Development Budget and the figure on top should be changed from "\$8,314,000" to "\$8,464,000". Under Industrial Land Reserve Fund insert, "Rehabilitation of Party Walls and Vacant Lots, \$150,000".

On Page 2 under Bureau of Building Inspection, the figure says "\$820,000"—change that to "\$670,000". Next, Item 72—just "X" that out. Everything else on that list is accurate.

Now, if I may I would like to move to amend Section 11 of Bill No. 1561—at the end

of the first paragraph after the word "budget": I would like to insert the items which are listed on this attachment and for the benefit of Council, I would like to emphasize the main changes as submitted to us and they are as follows: With regard to the Home Insulation Matching Grant, that was lowered from \$300,000 down to \$150,000. There is already \$200,000 for 1976 C/D and nothing was spent as of November 23, 1976. On the Small Landlord Repair Loan Program, it was originally \$600,000 and we have lowered that to \$400,000 for the reason that there is already \$660,000 of the 1976 C/D allocation and nothing was spent as of November 23, 1976. The Capital Improvements in Support of Housing was lowered from \$200,000 to \$100,000 for the reason that there is \$182,000 and \$334,000 was allocated in 1976 and nothing was spent as of November 23, 1976. The Small Business Rehabilitation Revolving Loan and Capital Improvement Fund was \$100,000 down to \$10,000 for the reason that nothing was spent as of November 23, 1976. The Industrial Land Reserve Fund was lowered from \$100,000 to \$10,000 and the transfer which I have already indicated. The Demolition of Condemned Buildings was changed from \$700,000 to \$400,000 for the following reasons: There is \$350,000 already in our new bond funds of 1976 and as of December 1, 1976, only \$5,000 was spent.

In view of that, the City of Pittsburgh must maintain its efforts and those funds have to be spent in order to carry out our obligations and duties under the C/D allocation that would give us the \$350,000 plus \$400,000 for a total of \$750,000. The Rehabilitation of Party Walls and Vacant Lots was changed from \$300,000 to \$150,000 because there is already \$350,000 in the 1976 C/D funds as of November 23, 1976 and nothing was spent which makes that total \$552,000 available. We now have Unspecified Local Options at \$1,080,000 and I would move for adoption of those items.

Mr. DePasquale:

I second the motion.

Which motion prevailed.

The Chair:

SPECIAL MEETING OF COUNCIL

Pittsburgh, PA.
Friday, December 31, 1976.

PRESENT:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mr. Stone
Mr. Givens	Mr. Caliguiri
Mr. Lally	(Pres't pro tem)

ABSENT:

Mrs. Masloff
Mr. Mason

The meeting was opened by the recitation of the pledge of allegiance to the Flag of the United States of America.

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

The Chair:

I apologize to Members of Council for indicating on Monday that that would be our

last meeting in 1976. Unfortunately, hopefully, this may be our last meeting.

The Chair presented

Bill No. 1796. Communication from Members of City Council, instructing the City Clerk to call a special meeting for the purpose of acting on the Mayor's Veto of Sections 2 & 3 of Bill No. 1581.

Re: Bill No. 1580 and Bill No. 1581

Dear Gentlemen and Madam:

I have signed Bill No. 1580, the 1977 Appropriation Resolution and am returning it herewith.

I have also signed Bill No. 1581, the 1977 Salary Resolution, and have approved it with the exception of certain language that appears in Section 2 and Section 3 thereof, which I have vetoed by redlining on the attached Bill.

There are several reasons for my veto:

1) Council has reduced the police budget by \$160,000 from the amount which I requested. In order to maintain the public safety of the City of Pittsburgh I request \$25,120,034 for the Department of Police. City Council has reduced this amount to \$24,959,551.

2) In addition, while Council has cut the Department of Police Budget by over \$160,000 dollars they have at the same time attempted to increase the police positions from 1,437 as requested by me to 1,478 without providing the revenues for filling these positions for the "entire fiscal year" which quoted language appears in Section 2 of Council Bill 1581.

3) The Collective Bargaining Agreement between the Fraternal Order of Police and the City of Pittsburgh for 1977 as approved by Council and the Fire Fighter arbitration award for 1977 provide and reserve to the Mayor, as Chief Administrative and Executive Officer of the City of Pittsburgh, the exclusive discretion to fill budgeted positions in accordance with the needs of the City of Pittsburgh.

4) According to the law as provided by the official Opinion of the City Solicitor, City Council does not have the power to mandate the Mayor to fill budgeted positions set forth in Bill 1581.

Despite Council's cut of more than \$160,000 from my request for the Police Department, early in 1977 I will be requesting the Civil Service Commission to process a class of 50 new police officers. I believe that this action is in the best interest of the public safety of the City of Pittsburgh.

With the reduced funds provided by Council it would be impossible to have a total of 1,478 police officers for the entire year of 1977 as mandated by Council in Section 2.

Under the strong Mayor form of government as mandated by the new Home Rule Charter it is important to maintain the principle that the Mayor is the Chief Executive Officer of the City with the right to determine and fill vacancies. It is essential to preserve the principle of the separation of powers that provides for Council to be the legislative body of the City and the Mayor to be the Chief Executive Officer responsible for the administration management of the City.

Very truly yours,

PETE FLAHERTY

Which was read, received and filed.

Also

Bill No. 1581. A Resolution entitled, "Resolution fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof."

Which was read.

The Chair:

The question here is, "Shall the bill become law, notwithstanding the objections of the Mayor?"

Mr. Stone:

I move to override.

Mr. Lally:

I second the motion.

The Chair:

Are there any questions or remarks?

Mr. Stone:

Mr. President, I would like to make this comment if I may. As you are well aware, I was quick to move for this override, and I believe that I do not take lightly this present vote. It is not for me purely a formality but rather something of substance that is important to the City of Pittsburgh.

I, from Day 1 on City Council, felt that police protection is essential to every city. Every city in the country is suffering because of the lack of adequate police protection. I think this city has been fortunate for a number of reasons, because we are saying we are safe when in fact we are not. We have been playing the numbers game with statistics to the point of absurdity—even to the point to demand—which is most crucial to the City of Pittsburgh, and the Mayor and the Superintendent of Police have not been believing the statistics even when they go up; and I think it is time that someone bring this city to a levelling factor and that is that we understand police protection is important. It has been "bandied around" and we should not spend something like \$2.6 million for an additional 100 police as City Council ultimately wants. Yet, we talk that

there is some \$60 million of convention business involved in the future. Now could anyone in their right mind enter a fight with the statistics that it is worth spending \$2.6 million to save \$60 million, not to mention "life and limb" which is valued far in excess of \$60 million convention business.

In addition to that, I think we have seen time and time again in this particular city where the neighborhood groups have come in and have told us over these past four or better years, that there is a need of protection. We have had groups hire private guards in the Squirrel Hill area and North Side area. I think this is a shame. They are paying taxes in those areas for police protection; they should not have to spend extra money for extra private police and security guards. That is an obligation of the City and we ought to face up to it.

An attempt to say that we have increased our police power by adding to that figure the park police is another example of "mental gymnastics" engaged in by our Mayor. It is not too long ago, namely 1975, when the Mayor himself set an optimum of 1500 police. Since that time his memory apparently has "dimmed" somewhat, and he seems to want to ignore it. That is his right I guess, but that is not my right in this "check and balance system."

As a City Councilman, it is my belief that someone has to stand up and to check someone who is out of balance, namely our Mayor, to this issue. And as I indicated when I began, I don't take lightly the vote and that is why I was quick to make the motion to override.

The Chair:

Thank you Mr. Stone. Mr. Givens, any discussion?

Mr. Givens:

Yes, I just have one comment Mr. President and that is in regard to what the Mayor had sent over to us in the four basic points that he brought out. I felt to some degree of course, he can have his comments on this thing, but I allude to what Bob Stone

has indicated here. I can't see personally myself, with all the testimony that has been given in the past year, with all the community groups to come before Council, with all neighborhood organizations that I have visited, with all the people that I have talked to on the telephone, and I am sure all of my colleagues have done the same, and what the inputs have been not only this year but in previous years and finally we have come to the "crossroads" of determination that this Council will put forward and where the Mayor indicates that Council has reduced the Police Budget by \$160,000; I think we have proven that with his fiscal officer right in our presence exactly how we came on the figure and it is open for public scrutiny if at all possible.

In addition, the Mayor indicates that Council's cut the department by \$160,000; we have increased the number of police officers from his 1437 to 1478 and I wonder why we pass bills of legislation within this county. This past August over the Mayor's veto we had passed a bill mandating 1450 police officers and then the Mayor sees fit in his budget to add 28 park police and still only come up with 1437 officers. This is why Council is going forward with the 1478 officers that we have asked for and the monies remain the same.

I think in regards to the firefighters and that particular union, it was the Mayor, through collective bargaining and binding arbitration in past years in his administration, that have numbered the captains to 182. This was done during his administration primarily and now to go back on his word, I felt the moral impact on the part of the firefighters would be something that would be very detrimental to that department and to the overall firefighting capabilities of the City, knowing that those firefighters will still put out their 100 percent effort, but to kick someone in the teeth like that after binding arbitration is one that I could not personally condone. Overall, I feel that the fact that the City of Pittsburgh has been "crying" for additional police and the crime rate has been going up and because of all these veritables that have just been mentioned, I request that we go forward with the vote today.

Mr. DePasquale:

Mr. Chairman, I just want you to note that over a period of years City Council's decision was based on the present Administration in regards to filling vacancies. Now we have no assurance that these vacancies will be filled but I hope they will be in the future.

The Chair:

Thank you, Mr. DePasquale. There being no further discussion, those in favor of the bill becoming law notwithstanding the objections of the Mayor, which is to override the veto, will vote "aye" when their names are called and those opposed will vote "no."

And the roll being called, the ayes and noes were taken, agreeably to law, and were:

Ayes:

Mr. Coyne	Mr. Lucchino
Mr. DePasquale	Mr. Stone
Mr. Givens	Mr. Caliguiri
Mr. Lally	(Pres't pro tem)

Ayes: 7 Noes none

And there being two-thirds of the votes of Council in the affirmative, the objections and

veto of Sections 2 and 3 of Bill No. 1581 by the Mayor was overridden.

Mr. Caliguiri:

If I might for one second – I understand that there were some remarks made that we have not put enough money in and that Council has put in 100 first-year patrolmen rather than 50. Just to set the record clear, as Members of Council know, there were no numbers in the budget recommended, nor was there any appropriation at all for first-year patrolmen. Council put in the number of 50 and appropriations. Also, we took some of the monies of the vacant positions that had been remaining in the budget most of 1976 and applied them to the first 50 patrolmen. The Mayor said something to the effect that there \$160,000 less in the Department of Police but as all of us know under the Home Rule Charter we can in fact, transfer monies from any department and any code account into the Department of Police if the Mayor wishes.

As I told Members of Council, each day that we are into January, the surplus will begin to accumulate so there is money in the budget to put all police on and I would hope that the Mayor had said that he was going to fill the police vacancies immediately.

And on motion of Mr. Stone to adjourn the final session of 1976,

Council adjourned.

AN ORDINANCE—An ordinance further amending Ordinance No. 227, approved June 28, 1957 entitled "An Ordinance regulating the parking of vehicles on off-street parking facilities in off-street parking facilities owned and operated or leased by the Public Parking Authority of Pittsburgh in which parking meters are provided; prohibiting the use of slugs or the defacing of such parking meters; and providing penalties for violation thereof."

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. Section 6 of Ordinance No. 227 approved June 28, 1957 as amended which presently reads as follows:

It shall be the duty of the Police Officers of the City of Pittsburgh to enforce the provisions of this Ordinance by affixing securely in a prominent place on any vehicle parked in violation of Sections 2, 3, 4, and 5 of this Ordinance a notice of violation form to which shall be attached an envelope. The notice attached to

ORDINANCES

the envelope shall bear the state license number of the vehicle, the date, time, place and nature of the violations, a statement that the owner, possessor or operator of the vehicle may within twenty-four (24) hours after the date and time indicated on the notice discharge any penalty for violation of this Ordinance by placing in the envelope attached to the notice the sum of one (\$1.00) Dollar for each violation noted thereon and depositing the notice and envelope in the courtesy box provided for that purpose at the off-street parking facility, a statement of the total penalty or penalties for noted violation or violations in the event that such penalty or penalties are not discharged as above provided, and a form which may be filled out by the owner, possessor or operator in the event he wishes to plead guilty to such violation or violations as hereinafter provided.

The violation notice form shall be made out in triplicate and shall be identified by a separate serial number on each original notice form the same number to appear on all copies. The copy attached to the envelope shall be for the offender, a copy shall be delivered to the Traffic Court Magistrate, and the other copy, undetached from the book of forms, shall be returned to the Director of the Department of Public Safety.

is hereby amended to read as follows:

All police officers, parking meter patrol persons and agents designated by the Treasurer of the City of Pittsburgh are authorized to enforce the provisions of this Ordinance.

Section 2. Section 7 of Ordinance No. 227, approved June 28, 1957 as amended which presently reads as follows:

Any person notified of having violated this Ordinance may, within twenty-four (24) hours from the date of the notice, discharge the penalty hereunder by placing in the envelope attached to the notice of violation the sum of One (\$1.00) Dollar for each violation noted thereon, and by depositing the envelope in the courtesy box placed for that purpose at the off-street parking facility. If he fails to do so, he may, within three (3) days after the date of the notice, sign the admission of guilt on said notice and pay the penalty or penalties as in-

dictated thereon to the Traffic Court Magistrate. If the person so notified further fails to plead guilty and pay the penalty or penalties indicated the Traffic Court Magistrate shall, within fifteen days from the commission of the offense cause an information to be lodged, and within seven (7) days of the lodging of the information send by registered mail to the person charged, at the address of the owner of the vehicle shown by the records of the Department of Revenue of the Commonwealth of Pennsylvania, a notice in writing of the information, together with a copy thereof, and a notice to appear within ten (10) days of the date of the written notice.

If the person named in the information shall not voluntarily appear on the date set in said written notice, a warrant shall then be issued for his arrest, in which case the penalty for the violation shall be increased by Two (\$2.00) Dollars. Thereafter a hearing shall be had and disposition of such case be made in accordance with the law.

is hereby repealed.

Section 3. Section 8 of Ordinance No. 227, approved June 28, 1957 which presently reads as follows:

The Parking Authority owning, leasing or operating any off-street parking facility shall establish in a prominent place therein a courtesy box for the deposit of notices of violations and payments in discharge thereof. The Parking Authority shall, at least once a week, remove the notices and payments from the box and shall immediately thereafter notify the Traffic Court Magistrate of the serial number and any other pertinent information on each notice of violation so discharged by payments into the courtesy box. The parking Authority shall retain as operating revenues all monies so deposited in the courtesy box.

is hereby repealed.

Section 4. Section 9 (A) of Ordinance No. 227 approved June 28, 1957 as amended which presently reads as follows:

(A) Any person violating any of the provisions of this Ordinance shall, upon conviction before a Magistrate, be sentenced to pay a fine of Five (\$5.00) Dollars for each violation, and in default of payment thereof to undergo im-

AN ORDINANCE—Further amending and supplementing Ordinance No. 36, approved February 15, 1974, entitled "An Ordinance regulating severance pay upon retirement for employees of the City of Pittsburgh," as amended, to comply with provisions of collective bargaining Agreements negotiated effective January 1, 1976.

WHEREAS, the City of Pittsburgh is required by applicable collective bargaining agreements to implement this Ordinance as of January 1, 1976; and

WHEREAS, the Council of the City of Pittsburgh has determined that such requirement constitutes an urgent reason for making this Ordinance effective as of January 1, 1976.

The Council of the City of Pittsburgh

hereby enacts as follows:

Section 1. Ordinance No. 36, approved February 15, 1974, entitled "An Ordinance regulating severance pay upon retirement for employees of the City of Pittsburgh," as amended by Ordinance No. 60, approved March 1, 1974, is hereby further amended and supplemented by the addition of the following new Section 6.1 Early Retirements:

Section 6.1 Early Retirements. Any regular employee of the City of Pittsburgh retiring on or after January 1, 1975, shall receive severance pay upon retirement, including early retirement or disability retirement, equal to the rate of pay for the number of such days said employee has accumulated up to and including one hundred twelve (112) days; provided, however, that any employee who takes an early retirement shall be entitled only to that fraction of said employee's accumulation in which years of service for pension purposes is the numerator and twenty (20) is the denominator. The total amount is to be paid in one lump sum. Each employee who qualifies for sick leave benefits under Ordinance No. 496 of 1950, as amended, shall accrue the entire annual entitlement of sick leave days effective January 1 of each calendar year for the purpose of severance pay upon retirement. The following conditions shall be applicable to regular employees retiring on or after January 1, 1975:

a. The rate of pay for accumulated sick leave days shall be calculated on the basis of a five (5) day work week for salaries employees or eight (8) times the standard hourly wage rate for hourly employees at the rate of pay in effect for the permanent position held on the date of retirement.

b. An employee must have the required length of service for retirement, including early retirement, or be eligible for disability retirement at the time of terminating employment with the City of Pittsburgh in order to be eligible for severance pay for accumulated sick leave days.

c. Any regular employee who, while eligible for retirement, dies while still employed is ineligible for severance pay for his accumulated sick leave days.

AN ORDINANCE—REGULATING the Installation of Public Transit Shelters on Sidewalk areas or other public areas within the City of Pittsburgh

ORDINANCES (Continued)

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. No person shall erect, install or maintain a Public Transit Shelter on any sidewalk or other public areas except as authorized by this Ordinance.

Section 2. A Public Transit Shelter shall not be erected or installed unless a permit has been obtained from the Department of Public Works.

Section 3. The aforesaid permit shall be issued under the following terms and conditions and subject to the approval of the various City Agencies set forth herein:

a) The applicant shall submit a plan specifying the precise location of the shelter, the size, shape, type of construction and materials of such shelter.

b) The location of the shelter shall be subject to the approval of the Department of Public Works and the Department of City Planning. In making this determination, consideration shall be given to whether the presence of a shelter at a proposed location will tend to obstruct passage or create a pedestrian or other traffic hazard, or otherwise be contrary to the public interest.

d) The plan shall be subject to approval of the Bureau of Building Inspection with respect to anchoring, construction and electrical connections.

e) The consent of the abutting property owner shall be obtained where the proposed shelter will not abut land owned by the City of Pittsburgh.

f) Where the Public Transit Shelter abuts land owned by the City of Pittsburgh, the application shall also be subject to the approval of the Department of Lands & Buildings.

g) The Public Transit Shelter shall be removed by the applicant thereof at his expense within Thirty (30) days or receipt of notice from the Department of Public Works and the land shall be restricted in a manner

satisfactory to the Department of Public Works.

h) The applicant agrees to indemnify and save harmless the City, its Officers, Employees and Agents from and against any and all loss resulting from injury to or death of persons or damage to property arising out of, resulting from or in manner caused by the presence, location, use, operation, installation, maintenance, repair, replacement or removal of such public transit shelter, or by the acts or omissions of the agents or employees of the applicant in connection with such shelters.

i) The Public Transit Shelter shall be maintained in a good, safe and clean condition by the owner of the same, and shall not bear advertising matter of any nature.

j) A fee of Twenty (\$20.00) Dollars is hereby established for processing each Public Transit Shelter Permit. This provision shall not apply to the Port Authority of Allegheny County or any other agency specifically exempt by law from payment of such fees.

Section 4. Any person convicted of violating any provision of this Ordinance shall, upon the judgment of a Magistrate of the City of Pittsburgh determining such violation, be subject to a fine not exceeding Three Hundred (\$300.00) Dollars and costs for each offense. Each day in violation of any provision of this Ordinance shall constitute a separate and distinct offense.

Section 5. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Prohibiting inter-sexual massage

WHEREAS, it is the policy of the City of Pit-

ORDINANCES

tsburgh to secure the safety and welfare of its inhabitants and visitors; and

WHEREAS, the operation of inter-sexual massage parlors constitutes a menace to the safety and welfare of the City's inhabitants and visitors; NOW, THEREFORE,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. Definitions—"Person" shall include the singular and the plural and shall mean any person, firm, partnership, association, corporation, company or organization of any kind.

Section 2. Prohibited Conduct—

(a) No person employed or engaged in the business of a masseur or masseuse shall massage, offer to massage, or solicit to massage a person of the opposite sex. Each act of massage, each offer to massage, and each solicitation to massage shall constitute a separate offense and shall be punishable as such hereunder

(b) No person shall own, operate, manage, or have any interest, direct or indirect, in a place of business where a masseur or masseuse massages, offers to massage or solicits to massage a person of the opposite sex. Each day such violation is committed or permitted to continue shall constitute a separate offense and shall be punishable as such hereunder.

Section 3. Exemptions.—The provisions of this ordinance shall not apply to massage treatments given

(a) In the office of a licensed physician, osteopath, or chiropractor.

(b) in a regularly established medical center, hospital, or sanitarium;

(c) in a residence of a person under doctor's care by the direction of the doctor;

(d) upon the written order of a licensed physician, osteopath, or chiropractor.

Section 4. Penalties—Any person who shall violate any provision of this Ordinance shall be fined a sum not exceeding Three Hundred

(Continued)

(\$300.00) Dollars and, in default of payment thereof, shall be subject to imprisonment for a period not exceeding ten (10) days.

Section 5. Severability—If a final decision of a court of competent jurisdiction holds any provision of this ordinance, or the application of any provision to any circumstances, to be illegal or unconstitutional, the other provisions of this ordinance, or the application of such provision to other circumstances, shall remain in full force and effect. The intention is that the provisions of this ordinance shall be severable and that this ordinance would have been adopted if any such illegal or unconstitutional provisions had not been included.

Section 6. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Amending the Zoning

(Continued)

Ordinance No. 192, approved May 10, 1958, as amended, by restructuring the Text of Article 17, "C3" Commercial District: to include residential occupancy with regulations to accommodate said occupancy; to require Site Plan review by the Zoning Administrator under specified circumstances; to refine the list of permitted nonresidential uses and to provide Administrator's Exceptions regarding controlled reduction of prescribed lot area and parking stalls.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Zoning Ordinance, Ordinance No. 192, approved May 10, 1958, as amended, be and the same is hereby further amended as follows:

1. Amend Article 17 "C3" Commercial District to read:

In the "C3" Commercial District there shall be applied the regulations prescribed in this article, or the qualifying regulations prescribed in other articles specifically referred to in the following sections of this article. For supplementary regulations see Articles 24 to 29, inclusive.

The regulations of the "C3" Commercial District are intended to encourage rehabilitation of existing buildings and installation of new development for commercial, residential and integrated intermixture of residential uses with commercial uses in certain portions of the city where a significant degree of such intermixture already exists and where the relationship of existing or projected land use development indicates the desirability for this type of zoning district. The regulations hereunder are intended to assure compatibility of uses and to avoid detrimental effects associated with indiscriminate mixtures of residential and Commercial uses.

SECTION 1701—Use. In this district land and structures may be used, and structures may be erected, altered or enlarged, for only the uses listed in this section and in Section 1704, provided that:

on July 1, 1979, with interest from the date on July 1, 1979, with interest from the date hereof on the unpaid balance of said principal sum at the rate of _____% per annum (computed on the basis of a year of 365 days), such interest and the principal on this Note to be paid annually, all in accordance with the terms of the Debt Authorizing Ordinance hereinafter identified.

This Note may be prepaid in whole or in part at any time and from time to time without penalty.

The City of Pittsburgh hereby covenants with the holder hereof that all money received as grants-in-aid of the City's Federally Aided Highway Program will be applied to the prepayment of the Notes in the proportion that each Note issued pursuant to Ordinance No. _____ bears to all Notes issued pursuant to said Ordinance No. _____.

The Treasurer of the City of Pittsburgh shall deposit money from the anticipated General Obligation Bond issue proceeds for the payment of the principal and interest due on this Note into a sinking fund on or before the maturity date of this Note in an amount sufficient for the payment of the total principal and interest hereon.

In the event of a default hereunder, the entire balance shall be immediately due and payable without notice or demand. The City of Pittsburgh hereby covenants with the holder hereof that it will issue General Obligation Bonds of the City of Pittsburgh on or before the maturity date of this Note in an amount at least sufficient to repay all obligations incurred under this Note, will appropriate such amounts from said Bond proceeds to the payment of the principal and interest on this Note, and will duly and punctually pay said principal and interest as specified herein, and for such budgeting, appropriation and payment of both this Note and the anticipated General Obligation Bonds, the City of Pittsburgh hereby pledges its full faith, credit and taxing power.

ORDINANCES

This Note is issued pursuant to and entitled to the benefits provided for under the Debt Authorizing Ordinances of the City of Pittsburgh, adopted June 7, 1976. In said Ordinance, the City of Pittsburgh has pledged its full faith, credit and taxing power to the payment in full of the principal and interest of both this Note and the anticipated General Obligation Bonds.

Section 5. The City of Pittsburgh intends to repay the Bond Anticipation Notes issued hereunder from all grants received from the United States of America under the Federally Aided Highway Program, and the issuance of General Obligation Bonds of the City in an amount sufficient for said purposes on or before the maturity date of said Notes. The City therefore herewith covenants and agrees on or before the maturity date of the Bond Anticipation Notes issued hereunder to issue a series of General Obligation Bonds of the City of Pittsburgh, to be designated as "City of Pittsburgh General Obligation Bonds of 1979," in the amount necessary to accomplish the above stated purposes, but in any event at least in an amount sufficient to pay the principal and accrued interest on the Notes issued hereunder. Said General Obligation Bonds shall be issued at a maximum interest rate not to exceed Eight Per Cent (8%) per annum (but to be actually stipulated by the bond purchasers of the holders of the Notes at the appropriate time) and shall mature serially or be term bonds, or any combination thereof that the City shall determine, with a substantially level debt service over a total number of years not to exceed twenty (20) years. These General Obligation Bonds shall be offered for sale within the time stated above either publicly or privately by the City, but if no proposals shall be received, said Bonds shall be issued to the holders of the Notes issued hereunder in full payment of said Notes, or the holder, at its option, may extend

(Continued)

the maturity of said Notes for one or more specified additional periods of not less than six (6) months each during which additional offers for said Bonds may be solicited, all in compliance with Section 408 of the Local Government Unit Debt Act. The City of Pittsburgh further covenants with the holder or holders of said Notes and the anticipated General Obligation Bonds, in compliance with Section 404 of the Local Government Unit Debt Act, that it will budget, appropriate and duly and punctually pay said interest and principal payments on said Notes and Bonds at the times and place and in the manner stated in said Notes and said Bonds according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City of Pittsburgh pledges its full faith, credit and taxing power. These covenants shall be specifically enforceable.

Section 6. The Treasurer of the City shall deposit into the Sinking Fund of the City of Pittsburgh all grant moneys received for the Federally Aided Highway Program with interest on the Notes no later than the date attached hereto and made part hereof, and, sufficient amounts for payment of principal and interest on the Notes no later than the date upon which such payments shall become due. The Sinking Fund Depositary shall, without further action by the City, withdraw available moneys in the Sinking Fund and apply said monies to payment of the principal of and interest on the Notes.

Section 7. The Mayor, Treasurer and Controller of the City be, and they hereby are, authorized, empowered and directed (i) to cause to be prepared and executed the required Borrowing Base Certificate and Debt Statement and file said documents with the Pennsylvania Department of Community Affairs (ii), to execute and deliver the Notes to the Bank against receipt of the proceeds thereof, and (iii) to take all such other actions and execute all such other actions and execute all such other documents as may be necessary or desirable to effect the issue and sale of the Notes in conformity with the aforesaid Proposal and the Act.

Section 8. That this Ordinance shall take effect ten (10) days after its final adoption.

No. 38

AN ORDINANCE—Amending Chapter 10, Section 107, and Chapter 4, Sections 401 & 403 of Ordinance No. 6, approved January 28, 1971, entitled: "Providing for the licensing and for the control of dogs and other animals; providing definitions; requiring animal bite reporting; requiring ten-day quarantine of biting animals; requiring vaccination of dogs against rabies; regulating the handling of suspected rabid animals and animals exposed to rabies; authorizing emergency measures;

(Continued)

prohibiting the harboring of a nuisance and animals at large and providing for the public peace, safety, comfort, convenience, and general welfare; and providing penalties."

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. Chapter 1, Section 107 of Ordinance No. 6 approved January 28, 1971 which reads:

It shall be unlawful for any person to keep any dog, or dogs, cats, or other animals which by frequent howling, baying, yelping and screeching shall disturb the peace of the neighborhood or constitute a health hazard to the citizens of the City of Pittsburgh.

is hereby amended to read;

(A) No person shall keep or harbor any dog, cat or other animal in the City so as to create offensive odors, excessive noise or unsanitary conditions which are a menace to the health, comfort or safety of the public, or otherwise permit the commission or existence of a nuisance as defined hereinafter.

(B) Any dog, cat or other animal, which by frequent and habitual barking, howling, screeching, yelping, or baying, or in any way or manner injures or disturbs the quiet of any person or the community, or which disturbs or endangers the comfort, repose or health of persons, is hereby declared to be committing a nuisance. It shall be unlawful for any owner or person having custody of such animal to harbor to permit it to commit such a nuisance.

(C) Any dog, cat or other animal which scratches, digs or defecates upon any lawn, tree, shrub, plant, building or any other public or private property, other than the property of the owner or person in charge or control of such animal, is hereby declared to be a nuisance.

(D) No person being the owner or in charge or control of any dog, cat or other animal shall allow or permit such animal to commit a nuisance on any school grounds, City parks or other public property, or upon any private property other than that of the owner or person in charge or control of such dog, cat or other animal without the permission of the owner of

ORDINANCES

said property. Where the owner or person in charge or control of such animal immediately removes all feces deposited by such animal and disposes of same in a sanitary manner, such nuisance shall be considered abated.

(E) Persons with defective eyesight or hearing while relying upon a dog specifically trained for these purposes shall be exempt from the operation of this section.

Chapter 4. Section 401, of Ordinance No. 6 - Issuance of Citation - which reads:

When a commission of a violation of this ordinance is observed by a police officer, he may, in his discretion, issue a citation to such person charging the violation of said summary offense as an alternative to filing an ordinance complaint.

is hereby amended to read:

When a commission of a violation of this ordinance is observed by a police officer and/or animal relief officer, he may, in his discretion, issue a citation to such person charging the violation of said summary offense as an alternative to filing an ordinance complaint.

Chapter 4, Section 403, of Ordinance No. 6 which reads:

(A) Any owner of a dog who violates any provision of Chapter 1 shall pay a fine of not more than ten dollars (\$10.00) or in default of payment thereof shall undergo imprisonment for a period not exceeding twenty-four (24) hours.

(B) An owner of a dog violating any other provisions shall upon conviction before a Magistrate, be sentenced to pay a fine of not more than three hundred dollars (\$300.00), and in default of payment thereof, shall undergo imprisonment for a period not exceeding ten (10) days.

is hereby amended to read:

(A) Any owner of a dog, cat or other animal who violates any provision of Chapter 1, except Section 107, shall pay a fine of ten dollars (\$10.00) or in default of payment thereof shall undergo imprisonment for a period not exceeding twenty-four (24) hours.

(Continued)

(B) Any owner of a dog, cat or other animal who violates any provision of Chapter 1, Section 107, shall pay a fine of twenty dollars (\$20.00) in default of payment thereof shall undergo imprisonment for a period not exceeding twenty-four (24) hours.

(C) An owner of a dog, cat or other animal violating any other provisions shall upon conviction before a magistrate, be sentenced to pay a fine of not more than three hundred dollars (\$300.00), and in default of payment thereof, shall undergo imprisonment for a period not exceeding ten (10) days.

Section 2. In all other respects, Ordinance No. 6, approved January 28, 1971, shall remain unchanged and in full force and effect.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

ORDINANCES

Said bonds shall be coupon bonds exchangeable at the option of the holders for registered bonds of the same maturity by surrendering said coupon bonds or bonds, with all coupons not yet due, at the office of the City Controller, and the City Controller is hereby authorized and directed to cause said coupon and registered bonds to be printed or engraved, and to issue the same in the name of the City of Pittsburgh, the expenses thereof to be charged to the funds created by the sale of this issue of bonds.

The registered bonds shall be registered with the City Treasurer and shall be registered only on the books of the City Treasurer.

The principal and interest of said bonds shall be payable at Mellon Bank, N.A., Principal Office, Pittsburgh, Pennsylvania, without deduction for any taxes (except gift, succession or inheritance taxes or any other taxes not levied directly on said bonds, the receipt of the income therefrom, or the realization of gains on the sale thereof) which may be levied or assessed thereon or on the debt secured thereby pursuant to any present or future law of the Commonwealth of Pennsylvania, all of which taxes the City of Pittsburgh assumes and agrees to pay as the same may be from time to time assessed thereof.

Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the proper officers of the City, with the consent of the purchasers, are hereby authorized to have prepared and to execute and deliver to the purchaser of the bonds hereby authorized one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the said officers may determine, and shall be substantially of the tenor of the registered bonds to be issued hereunder, with appropriate omissions, insertions and variations as may be required. Each of said temporary bonds shall bear on its face the words "TEMPORARY GENERAL OBLIGATION BONDS OF 1976, SERIES A, and such temporary bonds shall be exchangeable at the office of the City Controller for a like principal amount of definitive bonds when such definitive bonds are ready for delivery.

(Continued)

Section 4. The nonelectoral indebtedness of the City of Pittsburgh shall also be increased by an additional amount not to exceed \$52,000 to be represented by its General Obligation Bonds, Series of 1976, A-II, in the denomination of \$100 each, dated and bearing interest from the first day of August, 1976, at the rate of _____% per annum, payable semi-annually on the first day of August and February in each year during the term of said bond, and maturing on August 1, 1983.

Section 5. The City Controller is hereby authorized to advertise that said Series A-II Bonds will be available for sale at the office of the Controller during business hours on July 26, 27 and 28, 1976, at a price of par plus accrued interest to the date of delivery.

Section 6. The General Obligation Bonds of 1976, Series A and Series A-II, are and shall be general obligation bonds and nonelectoral debt of the City of Pittsburgh.

Section 7. The forms of the coupon and registered Series A and Series A-II Bonds issued in pursuance of this Ordinance shall be substantially as follows:

and directed to countersign manually each of said bonds and the City Treasurer shall countersign said bonds and the City Treasurer shall countersign said bonds by causing a facsimile of his signature to be imprinted thereon. There shall also be affixed to each coupon attached thereto the facsimile signature of the City Controller. In case of the absence or disability of any such official, the bonds shall be signed by the City official authorized by law or by resolution of City Council to act in his place. The City Controller is hereby authorized and directed to deliver said bonds at his office to the purchasers, or in the City of New York at the purchaser's expense, and receive payment therefor on behalf of the City after sale of the bonds in the manner required by law; provided, however, that said bonds shall not be sold for less than that stipulated in the successful bond bid with accrued interest to the date of delivery and payment.

Section 9. There is hereby levied and assessed upon all persons and property subject to taxation for City purposes an annual tax in each of the fiscal years that any Bonds of 1976, Series A and Series of 1976 A-II, remain outstanding, of so many mills as will yield amounts sufficient for the payment from time to time of the interest covenanted to be paid on said bonds and the principal thereof at maturity, which taxes shall be sufficient for and shall be applied exclusively to said debt service charges as the same shall from time to time become due and payable. The collection of said tax shall commence with the fiscal year 1977.

Section 10. The City of Pittsburgh covenants with the holders of each of said bonds, in compliance with Section 404 of the Local Government Unit Debt Act, that it will budget, appropriate and duly and punctually pay said interest and principal payments on said bonds at the times and places and in the manner stated in said bonds according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City of Pittsburgh pledges its full faith, credit and taxing power. This covenant shall be specifically enforceable.

Section 11. There is hereby established a separate sinking fund for the payment of the Series of 1976A and A-II Bonds hereby authorized. All moneys realized from the taxes hereby levied and other general tax revenue

(Continued)

Section 11. There is hereby established a separate sinking fund for the payment of the Series of 1976A and A-II Bonds hereby authorized. All moneys realized from the taxes hereby levied and other general tax revenue moneys otherwise required shall be paid into said sinking funds and credited as required, and shall be applied exclusively to the payment of the principal of said bonds at maturity and interest and taxes thereon meanwhile, to which purpose they are hereby irrevocably pledged. There shall be deposited to the Series of 1976 A-II Sinking Fund the sum of \$10,400 on or before August 1 of the years 1979 through 1982, inclusive, which moneys shall be applied to the redemption of the Series of 1976 A-II Bonds upon tender by the holders thereof on a first come, first served basis. The City hereby covenants to make payments out of said sinking funds at such times and in such annual amounts as are sufficient for the payment of the interest and principal of the bonds as they become due. It is hereby authorized and directed that \$692,395.00 for the payment of interest due on the first installment thereof under the terms of said bonds shall be deposited in said sinking funds from the proceeds of the sale of said bond issue and used for the payment of said interest. The moneys in said sinking fund may be invested at the direction of the City at any time, all in accordance with applicable law.

Section 12. The Mayor and City Controller are herewith authorized and directed to contract with Mellon Bank, N.A., for its services as the Sinking Fund Depository and the Paying Agent for the bonds, at such annual charges as shall be reasonable for such services.

Section 13. The City Council herewith directs that the necessary documentation be filed with the Department of Community Affairs so that the nonelectoral debt incurred hereunder may be approved as nonelectoral debt of the City. It is therefore hereby declared that the net nonelectoral debt of the City to be incurred and permitted to be incurred hereunder shall be \$10,352,000, which together with all presently existing net Government Unit Debt Act. The Mayor and the City Controller and the City Clerk are hereby authorized and directed to prepare, verify and file the necessary "Debt Statement" required by Section 410 of the Local Government Unit

ORDINANCES

Debt Act, together with an "Application for Approval" of said indebtedness and the necessary filing fee of \$15.00, to the Department of Community Affairs, pursuant to and in conformity with the Local Government Unit Debt Act, as promptly as practicable, and to do and perform all other acts proper and necessary in connection therewith. Promptly upon receipt of the approvals from the Department of Community Affairs, the bonds in fully executed definitive form shall be delivered to the purchasers.

Section 14. All moneys derived from the sale of said bonds are hereby appropriated to the purposes herein stated, provided, however, that as permitted by Section 403(4) of the Local Government Unit Debt Act said purposes may be changed by ordinance at any time.

Section 15. This Ordinance shall take effect ten (10) days after its final enactment.

Section 16. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 44

An ORDINANCE—FOR THE CONTROL OF BACKFLOW AND CROSS-CONNECTIONS

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. CROSS-CONNECTION CONTROL- GENERAL POLICY

a. Purpose. The purpose of this Ordinance is:

1. To protect the public potable water supply within the City of Pittsburgh, Department of Water system, from the possibility of contamination by isolating within its customers' private water system (s) contaminants or pollutants which could backflow through the water service connections into the public water system; and

2. To provide for the maintenance of a continuing program of cross-connection control

(Continued)

which will systematically and effectively prevent the contamination of the public potable watersystem of the City of Pittsburgh, Department of Water.

b. Responsibility. The recognized official head of the City of Pittsburgh Department of Water, dispensing potable water within the City of Pittsburgh, Department of Water's system, shall exercise reasonable vigilance to insure that the consumer has taken proper steps to protect said public potable water supply system against pollution or contamination through cross-connections in new installations as well as existing facilities. If, in the judgement of said official head of the City of Pittsburgh Department of Water, an approved backflow prevention device is required, at any consumer's premises for the safety of the water system, the consumer will be notified in writing to install such an approved backflow prevention device at his premise. The consumer shall install such approved device or devices at his own expense; failure to install said device or devices shall constitute a ground for discontinuance of water service to the premises until such device or devices have been installed.

Section 2. Definitions

a. Official Head. The individual in charge of the City of Pittsburgh Department of Water, supplying potable water to consumers within the City of Pittsburgh Department of Water's system is invested with the authority and responsibility for the implementation of an effective cross-connection control program and for the enforcement of the provisions of the ordinance.

b. Approved. Accepted as meeting an applicable specification stated or cited in this ordinance or as suitable for the proposed use.

c. Auxiliary Water Supply. Any water supply on or available to the premises other than the generally recognized public potable water supply. These auxiliary waters may include water from another purveyor's public potable water supply or any natural source such as well, spring, river, stream, harbor, etc., or 'used waters' or 'industrial fluids.' They may be polluted or contaminated or they may be objectionable and constitute an unacceptable water source over which the water purveyor does not have sanitary control.

ORDINANCES

(Continued)

d. Backflow. The flow of water or other liquids, mixtures or substances into the distribution pipes of a potable water supply from any source or sources other than its intended source. Back-siphonage is one type of backflow.

e. Backflow Preventer. A device or means to prevent backflow.

e.1. Air-Gap Primary Prevention. The unobstructed vertical distance through the free atmosphere between the lowest opening from any pipe or faucet supplying water to a tank, plumbing fixture, or other device and the flood level rim of the receptacle. An approved air-gap shall be at least double the diameter of the supply pipe, measured vertically above the top rim of the vessel, in no case less than one inch. When an air-gap is used to prevent contamination of the public potable water system, an emergency by-pass shall be installed around the air-gap system, and an approved reduced pressure device shall be installed in the by-pass.

2.2. Reduced Pressure Principal Primary Prevention. The term 'approved reduced pressure principal backflow prevention device' means a device approved by a recognized and City approved testing agency for backflow prevention devices. It shall incorporate two or more check valves and an automatically operating differential relief valve located between the two checks, two tightly closing shutoff valves, and equipped with necessary appurtenances for testing. The device shall operate to maintain the pressure in the zone between the two check valves less than the pressure on the public water supply side of the device. At cessation of normal flow, the pressure between check valves shall be less than the Supply pressure. In case of leakage of either check valve the differential relief valve shall operate to maintain this reduced pressure by discharging to the atmosphere. When the inlet pressure by pounds per square inch or less, the relief valve shall open to the atmosphere, thereby providing an air-gap in the device. To be approved, these devices must be readily accessible for maintenance and testing and installed in a location where no part of the valve will be submerged.

f. Double Check Valve Assembly Secondary Prevention. An assembly of at least two inde-

pendently acting approved check valves including tightly closing shut-off valves on each side of the check valve assembly and suitable leak detector drains plus connections available for testing the water tightness of each valve. The entire assembly shall meet the specifications and approval of a recognized and City approved testing agency for backflow prevention devices. To be approved these devices must be readily accessible for maintenance and testing.

g. Contamination. (see pollution) Means an impairment of the quality of the water by sewage or industrial fluids or waste to a degree which creates an actual hazard to the public health such as, but not limited to poisoning or through the spread of disease.

h. Cross-Connection. Any physical connection or arrangement of piping or fixtures between two otherwise separate piping systems, one of which contains potable water and other non-potable water or industrial fluids of questionable safety, through which, or because of which, backflow may occur. A water service connection between a public potable water distribution system and a customer's water distribution system which is cross-connected to a contaminated fixture, industrial fluid system or with a potentially contaminated supply or auxiliary water system, constitutes one type of cross-connection. Other types of cross-connections include connectors such as swing connections, removable sections, four-way plug valves, spools, dummy sections of pipe, swivel or change-over devices, sliding multiport tube, etc.

i. Cross-Connections - Controlled. A connection between a potable water system and a non-potable water system with an approved built-in backflow preventer that will continuously afford protection commensurate with the degree of hazard.

j. Cross-Connection Control by Containment. The installation of an approved backflow prevention device immediately after the meter on any customer's premises where an actual or potential cross-connection exists on a customer's water system.

k. Hazard, Degree of. The term is derived from an evaluation of the potential risk to public health and the adverse effect upon potable water system.

ORDINANCES

k.1. Hazard - Health. Any condition, device, or practice in the water supply system and its operation which could create, or in the judgment of the 'Official Head' may create a danger to the health and well-being OF THE WATER CONSUMER. An example of a health hazard is a structural defect, including cross-connections, in a water supply system.

k.2. Hazard - Plumbing. A plumbing type cross-connection in a consumer's potable water system that has not been properly protected by a vacuum breaker, air-gap separation or other device. Unprotected plumbing type cross-connections are considered to be a health hazard.

k.3. Hazard - Pollutional. An actual or potential threat to the physical properties of the water system or the potability of the public or the consumer's potable water system but which would constitute a nuisance or be aesthetically objectionable or could cause damage to the system or its appurtenances, but would not be dangerous to health.

k.4. Hazard - System. An actual or potential threat of severe damage to the physical properties of the public potable water system or the consumer's potable water system or of a pollution or contamination which would have a protracted effect on the quality of the potable water in the system.

l. Industrial Fluids System. Any system containing a fluid or Solution which may be chemically, biologically or otherwise contaminated or polluted in a form or concentration such as would constitute a health system, pollutional or plumbing hazard if introduced into a public potable water supply. This may include, but not be limited to: polluted or contaminated waters, all types of process waters and 'used water' originating from the public potable water system which may have deteriorated in sanitary quality; chemicals in fluid form: plating acids and alkalies; circulated cooling waters that are connected to an open cooling tower and/or cooling waters that are chemically or biologically treated or stabilized with toxic substances: contaminated natural waters such as from wells, springs, streams, rivers, bays, harbors, seas, irrigation canals or systems, etc.; oils, gases, glycerine, paraffines, caustic

(Continued)

and acid solutions and other liquid and gaseous fluids used in industrial or other processes or for fire-fighting purposes.

m. Pollution. (see Contamination) Means the presence of any foreign substance (organic, inorganic, radiological or biological) in water which tends to degrade its quality so as to constitute a hazard or impair the usefulness or quality of the water to a degree which does not create an actual hazard to the public health but which does adversely and unreasonably affect such waters for domestic use.

n. Water - Potable. Any water which, according to recognized standards, is safe for human consumption.

o. Water - Nonpotable. Water which is not safe for human consumption or which is of questionable potability.

p. Water - Service Connections. The terminal end of a service connection from the potable water system; i.e., where the Water Purveyor loses jurisdiction and sanitary control over the water at its point of delivery to the consumer's water system. There should be no unprotected takeoffs from the service line ahead of any meter or backflow prevention device located at the point of delivery to the consumer's water system. Service connection shall also include water service connection from a fire hydrant and all other temporary or emergency water service connection from the public potable water system.

q. Water - Used. Any water supplied by a Water Purveyor from a public potable water system to a consumer's water system after it has passed through the point of delivery and it no longer under the sanitary control of the Water Purveyor.

r. Water System.

r.1. The water system shall be considered as made up of two parts: The Utility System and the Customer System.

r.2. Utility System shall consist of the source facilities and the distribution system, and shall include all those facilities of the water system under the complete control of the utility, up to the point where the customer's system begins.

ORDINANCES (Continued)

r.3. The source shall include all components of the facilities utilized in the production, treatment, storage, and delivery of water to the distribution system.

r.4. The distribution system shall include the network of conduits used for the delivery of water from the source to the customer's system.

r.5. The customer system shall include those parts of the facilities beyond the termination of the utility distribution system which are utilized in conveying utility-delivered domestic water to points of use.

s. Public Water System. A system for the provision to the public of piped water for human consumption, if such system has a least fifteen service connections or regularly serves at least twenty-five individuals.

Section 3. Regulations.

a. No water service connection to any premises shall be approved by the Water Purveyor unless the water supply is protected as required by State laws and regulations and this Ordinance. Service of water to any premises shall be discontinued by the Water Purveyor if a backflow prevention device required by this Ordinance is not installed, tested and maintained, or if it is found that a backflow preventive device has been removed, by-passed, or if an unprotected cross-connection exists on the premises. Service will not be restored until such conditions or defects are corrected.

b. The customer system should be open for inspection at all reasonable times to authorized representatives of the Water Purveyor to determine whether cross connections or other structural or sanitary hazards, including violations of these regulations, exist. When such a condition becomes known, the Water Purveyor shall deny or immediately discontinue service to the premises by providing for a physical break in the service line until the customer has corrected the condition in conformance with State, County and City statutes relating to plumbing and water supplies and the regulations adopted pursuant thereto.

ZC. An approved backflow prevention device shall be installed on each service line to a

customer's water system at or near the property line or immediately after the meter inside the building being served, but in all cases, before the first branch line leading off the service line wherever the following conditions exist;

c.1. In the case of premises having an auxiliary water supply which is not or may be of safe bacteriological or chemical quality and which is not acceptable as an additional source by the Water Purveyor, the public water system shall be protected against backflow from the premises by installing a backflow prevention device in the service line.

c.2. In the case of premises on which any industrial fluids or any other objectionable substance is handled in such a fashion as to create an actual or potential hazard to the public water system, the public system shall be protected against backflow from the premises by installing a backflow prevention device in the service line. This shall include the handling of process waters and waters originating from the utility system which have been subject to deterioration in quality.

c.3. In the case of premises having (1) internal cross-connections that cannot be permanently corrected and controlled, or (2) intricate plumbing and piping arrangements or where entry to all portions of the premises is not readily accessible for inspection purposes, making it impracticable or impossible to ascertain whether or not dangerous cross connections exist, the public water system shall have primary maximum protection against backflow from the premises by installing a backflow prevention device in the service line.

d. The type of protective device required under Section 3. Regulations, subsection c., c.1., c.2., and c.3., shall depend on the degree of hazard which exists as follows:

d.1. In the case of any premises where there is an auxiliary water supply as stated in Section 3. Regulations, subsection c.c.1., and it is not subject to any of the following rules, the public water system shall be protected by an approved air-gap separation or an approved reduced pressure principle backflow prevention device.

ORDINANCES

d.2. In the case of any premises where there is water or substance that would be objectionable but not hazardous to health, if introduced into the public water system, the public system shall be protected by an approved double check valve assembly.

d.3. In the case of any premises where there is any material dangerous to health which is handled in such a fashion as to create an actual or potential hazard to the public water system, this system shall be protected by an approved air-gap separation or an approved reduced pressure principle backflow prevention device. Examples of premises where these conditions will exist include sewage treatment plants, seage pumping stations, chemical manufacturing plants, hospitals, mortuaries and plating works.

d.4. In the case of any premise where there are 'uncontrolled' cross connections, either actual or potential, the public water system must be protected by an approved air-gap separation or an approved reduced pressure principle backflow prevention device at the service connection.

d.5. In the case of any premise where, because of security requirements or other prohibitions or restrictions it is impossible or impractical to make a complete in-plant cross connection survey, the public water system shall be protected against backflow from the premises by installing a backflow prevention device in the service line. In this case, maximum protection will be required; that is, an approved air-gap separation or an approved reduced pressure principle backflow prevention device shall be installed in (the) (each) service to the premises.

e. Any backflow prevention required herein shall be of a model approved by the Water Purveyor. The term 'Approved Backflow Preventer' shall mean a device that has been manufactured in full conformance with standards established by the American Water Works Association entitled:

AWWA C506-69 Standard For Reduced Pressure Principle and Double Check Valve Backflow Prevention Devices.

Said AWWA standards have been adopted by the Official Head. Final approval, however, of

(Continued)

the 'Reduced Pressure Principle Backflow Preventer' and the 'Double Check Valve Assembly' shall be evidenced by a 'Certificate of Full Approval' issued by an approved testing laboratory certifying full compliance with the said AWWA standards.

f. It shall be the duty of the customer-user at any premise where backflow prevention devices are installed to have thorough inspections and operational tests made at least once a year, or more often in those instances where inspections indicate a need. These inspections and tests shall be at the expense of the water user, be performed by the device manufacturer's representative, by the Water Purveyor's Personnel or by a person approved by the Head of the Water Purveyor or his authorized representative as a competent device tester. It shall be the duty of the Water Purveyor to see that these tests are made. The customer-user shall notify the Water Purveyor in advance when the test is to be undertaken so that he or his representative may witness the test if it is so desired. These devices shall be repaired, overhauled or replaced at the expense of the customer-user whenever they are found to be defective.

Records of such tests, repairs, and overhaul shall be kept and made available to the Water Purveyor.

g. All presently installed backflow prevention devices which do not meet the requirements of this section but were approved devices for the purposes described herein at the time of installation and which have been properly maintained, shall, except for the inspection and maintenance requirements under subsection f. be excluded from the requirements of these rules so long as the Water Purveyor is assured that they will satisfactorily protect the utility system. Whenever the existing device is moved from the present location or requires more than minimum maintenance or when the Water Purveyor finds that the maintenance of the device constitutes a hazard to health, the unit shall be replaced by a backflow prevention device meeting the requirements of this section.

h. No consumer shall alter, by-pass or render inoperative any backflow device approved and installed under these regulations.

ORDINANCES

Section 4. VIOLATIONS AND PENALTIES

a. **Notification Of Violation.** The Water Purveyor shall notify, in writing, the owner, or authorized agent of the owner of the premises in which there is found to be a violation of the provisions of this Ordinance. Failure of the owner to remove or correct the violation within the time provided will constitute cause for the Water Purveyor to discontinue water service to said premises.

b. **Penalties For Violation.** Any person, firm, association or corporation who violates any provision of this Ordinance shall, upon the judgment of any justice of the peace or police magistrate of the City of Pittsburgh determining such violation, be subject to a fine not exceeding \$300.00 and costs for each offense, plus any additional expenses encountered by the Water Purveyor to restore the water quality that it is safe for human consumption. In default of payment of fine and costs, etc., the violator shall be subject to imprisonment for a period not exceeding 30 days. A separate offense shall be deemed committed upon each calendar day during or on which a violation occurs or continues.

Section 5. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 56

AN ORDINANCE Levying taxes upon all real property subject to taxation within the limits of the City of Pittsburgh for the fiscal year beginning January 1, 1977, and ending December 31, 1977, in the amount of Forty-nine and One Half (49-1/2) mills on land and Twenty-Four and Three Quarters (24-3/4) mill on buildings, and providing for the payment of such taxes.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That for the purpose of providing revenue for the payment of the ordinary current expenses of said City, for the payment of interest on the funded and floating indebtedness of said City and of the constituent units constituting the present City of Pittsburgh, created prior to their annexation to or consolidation with said City, for the payment of the amounts required to be paid to the several sinking funds for the retirement at maturity of the outstanding indebtedness of said City and of the constituent units constituting the present City of Pittsburgh, created prior to their annexation to or consolidation with said City, due or to become due during the fiscal year beginning January 1, 1977, and ending December 31, 1977, and for the payment of other liabilities of said City due or to become due during the fiscal year beginning January 1, 1977, and ending December 31, 1977, the following taxes shall be and the same are hereby levied and assessed upon all real property taxable for state, county and city purposes within the limits of the said City, viz: Forty-Nine and One-Half (49-1/2) mills upon each dollar or Four Dollars and Ninety-Five Cents (\$4.95) upon each One Hundred Dollars (\$100.00) of the assessed valuation of land, and Twenty-Four and Three-Quarters (24-3/4) mills upon each dollar or Two Dollars and Forty-Seven and One-Half Cents (\$2.475) upon each One Hundred Dollars (\$100.00) of the assessed valuation of all buildings.

Section 2. The taxes levied under this ordinance shall be payable in advance, during the months of January, February, and March of 1976. A discount of two percentum (2%) shall be allowed on all taxes due hereunder and paid during the month of January. During the months of February and March, all taxes shall be payable at face.

Section 3. Any taxpayer will have the option to elect to pay the aforesaid taxes quarterly, as follows:

The first quarterly payment, during the months of January, February and March; the second quarterly payment, during the month of April; the third quarterly payment, during the month of July; and the fourth quarterly payment during the month of October. Quarterly payments made at any of the respective times here provided shall be payable at face, except the first quarterly payment, which, if made during the month of January, shall be paid at a discount of two per centum (2%).

The first quarterly payment must be made on or before the 31st of March or the taxpayer will have failed to exercise the option to pay quarterly. The second quarterly payment shall become delinquent if not paid on or before the 30th of April; the third quarterly payment shall become delinquent if not paid on or before the 31st of July; and the fourth quarterly payment shall become delinquent if not paid on or before the 31st of October.

Section 4. Taxes imposed under this ordinance which are not paid by the 31st day of March, or in the case of quarterly payments, by the due dates set forth above, shall be delinquent and two per centum (2%) of the total amount of said taxes shall forthwith be added to said delinquent taxes as a penalty for the non-payment thereof at the times herein prescribed. Where the taxpayer makes no payment by March 31, the entire year's tax becomes delinquent as of April 1, regardless of the option elected by the taxpayer. In addition to said penalty, said delinquent taxes shall bear interest at the rate of one half per centum (1/2%) per month on the face amount of said delinquent taxes for each and every month, or part thereof, that the same shall remain delinquent and unpaid.

Section 5. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance be and the same is hereby repealed so far as the same affects this Ordinance.

Ordained and enacted December 27, 1976.

Approved December 31 1976.

ORDINANCES (Continued)

Section 7. ASSESSMENTS and BILLING

A. **FLAT RATES** - An assessment shall be made of the water use in all non-metered premises on the basis of the schedule set forth in Section 2 hereof. Pursuant to the Act of 1911, May 12, P.L. 295 #3 (53 P.S. 25943), water rents on a flat rate basis shall be payable in advance during the months of January, February and March of each year. A discount of 2% shall be allowed on the flat water rents paid during the month of January.

Alternatively, consumers assessed at the flat rate shall have the option to pay water rents quarterly as follows:

First Quarter by March 31
Second Quarter by April 30
Third Quarter by July 31
Fourth Quarter by October 31

If payments are not made by the prescribed due date, they shall be considered delinquent, and penalty shall be added at the rate of 2% of the total amount of delinquent water rents and interest at the rate of 1/2% per month on the face amount of the delinquent water rents shall be added and every month or part thereof that the same is delinquent and unpaid.

B. **METER RATES** - All meters shall be read at least twice a year and water rents assessed four times per year. Payment of metered water rents made within 15 days after the first day of the month due shall receive a 2% discount. The Treasurer may provide additional days or payment at a discount in the event that assessments are mailed later than the first day of the month due. From the 15th day of the month until the end of the month water rents are payable at face value. Any water rents not paid by the first day of the following month become delinquent and 1/2% interest and 1/2% penalty shall be added to the face amount for each month or part thereof that the same remain delinquent and unpaid.

C. **ESTIMATES** - If the Water Assessors are unable to obtain a reading of a meter or a determination of the water consumption for any reasons, except as provided in D below, an estimated for water usage shall be rendered in an amount reasonably commensurate with the consumer's normal usage for a similar period as determined by criteria set forth in Water

Department Regulations. The estimated bill will be due and payable at the regular times and, if unpaid at the due date, will accrue penalty and interest as aforesaid.

Alternatively, if a meter is missing from the premises for any reason, water rents may be assessed at double the flat rate charge and penalty and interest added as aforesaid.

D. **DELINQUENT WATER ACCOUNTS** - Delinquent water accounts shall be collected by the Treasurer, who shall, in default of payments, proceed to the collection thereof, and the filing of liens as provided under the Acts of Assembly. In addition to the remedy so provided, the Department of Water may make reasonable regulations concerning the cessation of water service to delinquent premises.

Section 8. EXONERATIONS.

A. LIMITATIONS

All requests for exonerations for excessive assessments must be made during the current year in which the assessments are made or within 12 months after the termination of said year, and no exonerations shall be granted after said period has expired. Such requests shall be made in writing and be directed to the Board of water assessors.

B. VACANCIES

(1) Flat Rate Assessments

(a) Where the premises are completely vacant and the entire supply of water is shut off at the curb box, upon filing by the owner of a notarized vacancy affidavit in the Office of the Department of Water, exonerations of 90% will be issued for the period during which the entire premises are vacant and the water shut off, provided that the period during which the water is shut off must be greater than 60 consecutive days. The exonerations shall not be in an amount less than the charge for minimum metered accounts.

(b) For changes in water uses, where fixtures are removed and water uses discontinued, exonerations will be issued covering the discontinued use from the date of approval of the contract covering the revised water

uses. In case any owner of any premises shall cause or allow water to be used for any premises or in any fixtures for which there is no approved water contract on file, the rate shall be as specified in Section 2 hereof and shall date from the preceding January 1, and the water for the entire premises shall be shut off until an approved contract for such additional water uses or fixtures has been signed and placed on file in the office of the Department of Water. All fixtures on any premises, whether used or not, will be assessed as long as they remain in position.

(2) Meters

No exoneration need be granted in respect to premises in which water used is measured by a meter inasmuch as no water use will register during the period of the vacancy and only the minimum rate will apply. However, should the period of vacancy extend through more than one meter-reading period and no remote reader is available, the property owner shall notify the Water Department by means of a signed affidavit requesting that no estimated bill be rendered for that period.

(3) Exceptions

Where premises acquired by the Commonwealth of Pennsylvania, the School District of Pittsburgh, the Urban Redevelopment Authority of Pittsburgh or other governmental agency for highway, school or other public redevelopment purposes are completely vacant; and notice thereof has been given to the Department of Water and the City Treasurer; and the entire supply of water is shut off and the meter removed, exoneration of 100% shall be made in the case of any building which the aforesaid governmental bodies or agencies certify to be vacant and scheduled for demolition. No exoneration shall be granted for any water charges incurred prior to the notice and certification above described.

C. UNDERGROUND LEAKS

Exoneration, where merited, will be made on the gallonage accruing over the above normal use for the particular account. The amount of the exoneration will not exceed 50% of the excess gallonage over and above normal usage. "Normal usage" shall be deemed to be the average gallons used in the four quarters preceding the underground leak.

Section 9. Maintenance of private water service lines, up to, and including the connection to the City main water line, including all appurtenances therein, are the responsibility of the property owner. In situations where a private water service line is leaking and wasting water and the property owner is served notice by the Department of Water to make repairs, said property owner will have five (5) days (excluding Saturdays and Sundays) in which to make repairs. Should no action be taken within the allowable five (5) day period, the Department of Water may assess a daily charge for each day after the allowable five (5) day period in which the waste of water continues. The daily charge will be equivalent to the quarterly minimum meter charge which is predicated on the water meter size supplying a particular account. (See Section 5 - Minimum Rates for Metered Water).

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

PROVIDING for a contract with Blue Cross-Blue Shield of Western Pennsylvania to provide a group hospitalization and medical plan for individual City employees.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

Section 1. CONTRACT AUTHORIZATION.

The Mayor and the City Treasurer, on behalf of the City of Pittsburgh, are hereby authorized to enter into a contract with Blue Cross-Blue Shield of Western Pennsylvania (Blue Cross), or at any employee election with a certified and accredited health maintenance organization, for a group hospitalization and medical plan for employees of the City of Pittsburgh.

Section 2. CITY'S CONTRIBUTION.

a. The City shall make a full monthly contribution for employees hereafter enrolled in the City's hospitalization and medical group plan, excluding part-time employees, i.e. Employees working less than 30 hours per week, School Crossing Guard, Bureau of Refuse "Extra Persons" and employees over the age of sixty-five years who are eligible for Medicare, in accordance with the following schedule:

MONTHLY COMPOSITE RATES

	Deposit Premium	Maximum Premium
Blue Cross	44.20	44.20
Blue Shield	12.83	14.26

It is the intent of this subsection that the City shall pay the full cost or the group hospitalization and medical plan for employees covered by this subsection in the amounts above set forth or in such other amounts as may hereafter be required for continuation of said group plan coverage.

b. The City shall make a monthly contribution for School Crossing Guards enrolled in the City's hospitalization and medical group plan (Full coverage, Plan B). It is the intent of this subsection that the City shall pay the full cost for the "individual" hospitalization and medical plan for the School Crossing Guards

RESOLUTIONS (Continued)

covered by this subsection in such amounts as may hereafter be required for continuation of said group plan coverage.

c. The City shall extend its hospitalization and medical group plan (Full coverage, Plan B) to Bureau of Refuse "Extra Persons" provided the proper premium is authorized by the employee to be deducted from his or her pay check. The City shall in no event be responsible for any part of the premium due for the hospitalization and medical group plan coverage extended employees covered by this subsection.

Section 3. TREASURER'S AUTHORIZATION.

The City Treasurer is hereby authorized and directed to make payment on behalf of each eligible employee of the designated contributions to Blue Cross, or the selected health maintenance organization, beginning with charges payable for hospitalization and medical coverage commencing January 1, 1976, chargeable to and payable from Code Account No. 45, Hospitalization Fund, Municipal Employees. It is to be understood that an employee electing health maintenance organization coverage will not be covered by Blue Cross.

The Treasurer is further authorized to adopt rules and regulations to carry out the provisions of the Resolution.

Section 4. SPECIFIC REPEALER.

The following ordinances are hereby specifically repealed:

Ordinance No. 597, approved December 29, 1972.

Ordinance No. 34, approved February 18, 1975.

No. 26

PROVIDING for a contract with Blue Cross-Blue Shield of Western Pennsylvania to provide a Major Medical Expense Coverage Plan for City Employees who are under sixty-five years of age.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

Section 1. CONTRACT AUTHORIZATION.

The Mayor and the City Treasurer, on behalf of the City of Pittsburgh, are hereby authorized to enter into a contract with Blue Cross-Blue Shield of Western Pennsylvania (Blue Cross), or at an employee election, with a certified and accredited health maintenance organization, for a Major Medical Expense Coverage Plan to insure all City employees who normally work at least thirty hours per week and who are under sixty-five years of age.

Section 2. LIMITATIONS ON COVERAGE.

a. The Major Medical Coverage Plan shall provide for payment of all charges for City employees, excluding part-time employees, i.e. those working less than thirty hours per week, School Crossing Guards, Bureau of Refuse "Extra Persons" and employees over the age of sixty-five years. Coverages shall be provided up to a maximum of \$25,000 for each illness or cause. Blue Cross shall be liable for 80% of all charges and the employee shall be liable for the remaining 20%.

b. The Major Medical Expense Coverage Plan for School Crossing Guards, Bureau of Refuse "Extra Persons", and retired employees under sixty-five years of age shall provide a maximum coverage of \$5,000 for each illness or cause. Blue Cross shall be liable for 75% of all charges and the employee shall be liable for the remaining 25%.

Section 3. CITY'S CONTRIBUTION.

a. The City shall make a full monthly contribution for employees enrolled in the Major Medical Expense Coverage Plan, described in Subsection a. of Section 2. It is the intent of this subsection that the City shall pay the full cost of the Major Medical Plan for employees covered by the subsection at the current rate or in such other amount as may hereafter be

required for continuation of said coverage.

b. The City shall make a monthly contribution for School Crossing Guards enrolled in the City's Major Medical Expense Coverage Plan.

c. The City shall extend its Major Medical Expense Coverage Plan to Bureau of Refuse "Extra Persons" and retired employees under the age of sixty-five years, provided the proper premium is authorized by the employee to be deducted from his or her pay check or pension. The City shall in no event be responsible for any part of the premium due for the Major Medical Plan Coverage extended employees covered by this subsection.

Section 4. TREASURER'S AUTHORIZATION.

The City Treasurer is hereby authorized and directed to make payment on behalf of each eligible employee of the designated contributions to Blue Cross beginning with charges payable for major medical coverage commencing January 1, 1976. If an employee elects coverage by a health maintenance organization, the Treasurer is authorized to make payments to that organization in an amount equal to its contribution for employees covered by Blue Cross. It is to be understood that an employee electing health maintenance organization coverage will not be covered by Blue Cross. Payments shall be chargeable to and payable from Code Account 45-1, Major Medical Insurance.

The Treasurer is further authorized to adopt rules and regulations to carry out the provisions of the Resolution.

No. 127

Advising and encouraging the Mayor to fill the positions of six tow truck operators.

WHEREAS, pursuant to Section 33 of Ordinance No. 843, passed in Council December 31, 1975, the positions of six tow truck operators were created; and

WHEREAS, it is the intent of this Council, that these positions be filled within thirty days after passage of this bill; and

WHEREAS, it is determined by this Council that the hiring of six tow truck operators is urgently needed to alleviate traffic congestions on city streets created by abandoned, illegally parked and-or disabled vehicles which constitute a safety hazard and hinder movement of fire equipment, ambulances and other city equipment entrusted with the protection of lives and property of the residents of the City of Pittsburgh.

BE IT RESOLVED BY THE COUNCIL
OF THE CITY OF PITTSBURGH AS
FOLLOWS:

Section 1. That the Mayor is hereby advised and encouraged to fill the positions of six tow truck operators immediately pursuant to Section 33 of Ordinance No. 843, passed in Council December 31, 1975 within thirty days after passage of this bill, to help alleviate traffic congestion on city streets.

Section 2. Any Resolution or Ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.

Enacted February 23, 1976.

Approved March 5, 1976.

No. 134

WHEREAS, Samuel J. Kyles is the owner of Lot No. 1 in the Kyles Plan of Lots of record in the Recorder's Office of Allegheny County,

said lot being located at 242 Hollywood Street, in the Twenty-eighth Ward of the City of Pittsburgh.

WHEREAS, said owner proposes to construct a two-story dwelling on the above mentioned Lot No. 1, and

WHEREAS, Hollywood Street is an open unimproved Street from Round Top Street 100.07 feet eastwardly to its easterly terminals, and

WHEREAS, said owner proposes to grade and pave the unimproved portion of Hollywood Street at his own cost and expense and in a manner specified by the Department of Public Works, and

WHEREAS, said owner for himself, his successors and assigns, agrees to indemnify, defend and save the City of Pittsburgh harmless from any and all damages which may arise from the grading and paving of said unimproved portion of Hollywood Street.

NOW THEREFORE BE IT RESOLVED:

THAT the Director of the Department of Public Works be and he is authorized to issue a permit to Samuel J. Kyles to grade and pave the unimproved portion of Hollywood Street from Round Top Street 100.07 feet eastwardly to its easterly terminals.

Be it further resolved that this Resolution shall be void and of not effect unless Samuel J. Kyles file with the City Controller a certificate of acceptance of the provisions of this Resolution within thirty (30) days from the date of its approval.

REPEALING Resolution No. 201, approved May 27, 1975, which authorized the sale of property located on 2711 Larkins way in the 16th Ward, being a 2½ sty. fra. hse. designated as Block 12-S, Lot 36, to Jerome M. Joyce, for the sum of \$1,000.00.

The reason for repealing above resolution is that the Order of Court dated February 4, 1976, Docket No. GD-1975-17058, states that the original purchaser was not desirous of paying

more than the above price for this property and the objector did not appear in Court to increase the purchase price, ruling this sale to be cancelled.

NOW, THEREFORE, BE IT RESOLVED:

That Resolution No. 201, is hereby repealed and the Department of Lands and Buildings is hereby authorized to return the hand money of \$100.00 to Jerome M. Joyce and forfeit the hand money of the objector, Sam Stipanovich.

THEREFORE, be it

RESOLVED, That the Office of Solicitor for City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in accordance with the aforesaid proposal and Act No. 514 of 1947 as amended. The cost of Court proceedings to be paid from Code Account No. 1088, and repaid to said fund from the sale price; and be it further

RESOLVED, That the advertisement of sale and deed shall contain a stipulation that the property is being sold subject to all zoning, building and subdivision laws and ordinances.

REPEALING Resolution No. 388, approved October 27, 1975, which authorized the sale of property in the 12th Ward, located on 1326 Lincoln Ave. nr. Wasser St., being a 2½ sty. fra. hse., designated as Block 173-J, Lot 208, to Clarence S. Anderson, for the sum of \$1,500.00.

The reason for repealing the above resolution is that the proposed purchaser has been layed off from his job and has financial difficulties.

NOW, THEREFORE, BE IT RESOLVED:

That Resolution No. 388, approved October 27, 1975, is hereby repealed and the Department of Lands and Buildings is authorized to return the hand money in the amount of \$150.00 to Clarence S. Anderson.

THEREFORE, be it

RESOLVED, That the Office of Solicitor for City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in accordance with the aforesaid proposal and Act No. 514 of 1947 as amended. The cost of Court proceedings to be paid from Code Account No. 1088, and repaid to said fund from the sale price; and be it further

REPEALING Resolution No. 423, approved November 10, 1975, which authorized the sale of property located in the 5th Ward being 2 vacant lots on Kirkpatrick Street, designated as Block 14-K, Lot 227 and Lot 231, to Zion Hill Baptist Church for the sum of \$2,000.00.

The reason for repealing this resolution is that the Zion Hill Baptist Church is now in the process of negotiating to buy the building they are presently occupying, therefore they will not have any use for these lots.

NOW, THEREFORE, BE IT RESOLVED:

That Resolution No. 423 is hereby repealed and the Department of Lands and Buildings is hereby authorized to return the hand money of \$200.00 to Zion Hill Baptist Church.

THEREFORE, be it

RESOLVED, That the Office of Solicitor for City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in accordance with the aforesaid proposal and Act No. 514 of 1947 as amended. The cost of Court proceedings to be paid from Code Account No. 1088, and repaid to said fund from the sale price; and be it further

The reason for the amendment is to change in the 1st paragraph the following:

Acquired from Statewide Investment Co. in lieu of Soffer Investment Co.

All else in the resolution to remain the same.

THEREFORE, be it

RESOLVED, That the Office of Solicitor for City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in accordance with the aforesaid proposal and Act No. 514 of 1947 as amended. REPEALING Resolution No. 106, approved February 27, 1976 authorizing the sale of property in the 25th Ward, located on 1512 Arch Street, designated as Block 23-F, Lot 336, to Walter P. Martin & Phillip W. Martin, Joint Tenants with Right of Survivorship, but not as tenants in common, for the sum of \$750.00.

The reason for repealing above resolution is that former owner has redeemed the property.

NOW, THEREFORE, BE IT RESOLVED, That Resolution No. 106, approved February 27, 1976, is hereby repealed and the Department of Lands and Buildings is hereby authorized to return the hand money in the amount of \$100.00 to Walter P. Martin & Phillip W. Martin.

THEREFORE, be it

RESOLVED, That the Office of Solicitor for City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in accordance with the aforesaid proposal and Act No. 514 of 1947 as amended. Section 1. Section 1 of Ordinance No. 223 approved May 9, 1975, as amended by Ordinance No. 631 approved October 31, 1975, and by Resolution No. 271, approved May 3, 1976

which presently reads:

"The City Controller is hereby authorized to create, in Pittsburgh National Bank S.F. No. 2, a Special Trust Fund to be designated Perrysville Avenue Trust Fund, into which account the following amounts shall be deposited:

Department of Public Works:
Bond Fund No. 229 \$1,000,000.00

Department of Water:
Bond Fund No. 229 \$ 360,000.00

from which Trust Fund payments shall be made for contracts let by the City in connection with repaving of Perrysville Avenue. The Federal Government will reimburse the City seventy (70%) percent of the cost of repaving (excluding the waterline work) which funds shall be deposited into Special Trust Fund.

Upon periodic receipt of the Federal reimbursement the City Controller is directed to disburse this money into Bond Fund No. 229

In addition, upon completion of this project, the City Controller is directed to distribute the monies remaining in the Trust Fund as follows:

a) Remainder of Water Fund Monies to Bond Fund 229

b) Remainder of Public Works Monies to Bond Fund 229

However, if at the time of the periodical Federal reimbursement the General Obligation Note of 1975 Series A remains outstanding, the Controller is directed to disburse monies that would go into Public Works Bond Fund 229 to the Sinking Fund to reduce the indebtedness."

is hereby further amended to read:

GRANTING unto the Atlantic Coast Trust, 2225 Smallman Street, its successors and assigns, the right and privilege to construct, maintain and use at its own cost and expense, a railroad siding across Twenty-third Street at Railroad Street in the Second Ward, City of Pittsburgh.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

Section 1. That the Atlantic Coast Trust, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use at its own cost and expense, a railroad siding across Twenty-third Street at Railroad Street in the Second Ward, City of Pittsburgh. The centerline of the railroad siding shall be located as follows:

Beginning at a point on the westerly line of Twenty-third Street, said point being 9.5 feet more or less South of the southerly line of Railroad Street; thence northeastwardly for a distance of 40.5 feet more or less to a point on the easterly line of Twenty-third Street, 6.0 feet more or less South of said southerly line of Railroad Street.

RESOLUTIONS (Continued)

The said railroad siding shall conform to the provisions of this Resolution and in accordance with the Plan identified as Accession No. B-950 on file in the Division of Surveys, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the said construction, shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans in triplicate, showing the location and all details of said construction; said plans and said construction shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances or Resolutions which have been or may be hereafter passed relating to said construction, maintenance and its use on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewer, waterlines and other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said construction. All work, including the repaving and repair of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Resolution are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said construction upon giving the said Grantee at least six (6) months written notice through the proper officers, pursuant to a Resolution or Ordinance of Council, to the said Atlantic Coast Trust, its successors or assigns, to that effect and that the said Grantee shall when so notified at the expiration of the said six (6) months forthwith remove said construction and replace street to

its original condition at its own cost and expense.

Section 6. The said Grantee assumes all liability, if any, of the City of Pittsburgh arising out of the exercise by the Grantee of the privileges and obligations under this Resolution.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Resolution shall become null and void unless within thirty (30) days after its approval the said Atlantic Coast Trust, its successors or assigns, shall execute and file with the City Controller its certificate of acceptance of the provisions thereof.

RESOLUTIONS (Continued)

No. 451

WHEREAS City Council recognizes the need for properly disposing of refuse in an economical and environmentally safe manner; and

WHEREAS the growing shortage of land and the environmental problems associated with landfill operations have intensified the search for new and more attractive and productive methods of refuse disposal; and

WHEREAS modern technology now permits the disposal of refuse by a number of different methods, such as front or back-end resources recovery pyrolysis systems and on-truck compaction and direct disposal in addition to the traditional landfill-transfer station method; and

WHEREAS the technical sophistication necessary to build, operate and maintain these new refuse disposal systems is possessed by a small number of private firms, only a few of which could be expected to bid on a refuse disposal project for the City of Pittsburgh; and

WHEREAS City Council recognizes its responsibility to protect the public's interest in this matter because of the high cost associated with the latest refuse disposal systems - \$40 million or more - and the small list of potential bidders; and

WHEREAS Council desires to have independent review and study of the various refuse disposal systems available to the City of Pittsburgh prior to voting on their implementation,

THEREFORE BE IT RESOLVED

That this Council hereby establishes a Citizens Task Force on Refuse Disposal composed of the following persons, and other that Council may deem appropriate: not to exceed nine (9) members, two from Brighton Heights
C i t i z e n s F e d e r a t i o n .

1. John P. John P. Robin, Program Advisor, Allegheny Conference on Community Development.

2. Mary Lou Daniels, President, Pittsburgh Neighborhood Alliance.

3. Dr. Ronald D. Neufeld, Chairman, Solid Waste Legislation Committee, American Society of Civil Engineers.

4. C. Leroy Hacker, Pastor, Shiloh Community Baptist Church and author of Waste is Wealth.

5. Maurice A. Shapiro, Professor of Industrial and Environmental Health Sciences, University of Pittsburgh.

for the purposes of conducting an in-depth study of the relative merits of the various refuse disposal systems available to the City of Pittsburgh; examining the operational, technical and financial feasibility of each; investigating the availability of markets for refuse by-products and, where necessary, the willingness of other municipalities and private refuse haulers to participate in an integrated system; and identifying prospective plant sites, where appropriate.

BE IT FURTHER RESOLVED

That the Citizens Task Force on Refuse Disposal will report periodically to Council on its findings so that Council may have the benefit of independent review prior to the implementation of any of the proposed refuse disposal systems for the City of Pittsburgh.

WHEREAS recent decisions by the Federal Communications Commission with respect to regulation in the telephone industry have raised serious questions relative to the long-term effect of increased competition on the cost of private telephone service for homeowners and

RESOLUTIONS (Continued)

WHEREAS some industry officials predict that monthly rates for home phones could increase by as much as 75% because of the loss of higher revenue producing telephone services to independent equipment manufacturers and service companies and

WHEREAS at the same time, independent equipment manufacturers and service companies maintain that increased competition can result in lower cost and improved service to the consumer and

WHEREAS a bill dealing with the question of competition versus regulation in the telephone industry known as the "Consumer Communications Reform Act of 1976" has been introduced recently in the Congress of the United States and

WHEREAS the question of competition versus regulation in the telephone industry is an admittedly complex one and deserves a full public hearing before decisions are made which can affect the cost and quality of phone service for all Americans; and

WHEREAS, numerous organizations and agencies across the nation, such as the Pennsylvania General Assembly, Philadelphia City Council, Pennsylvania Federation of Women's Clubs, International Brotherhood of Electrical Workers, Communications Workers of America and Pennsylvania Association of Older Persons, have called upon Congress to address this complicated and far-reaching issue.

THEREFORE BE IT RESOLVED

That this Council hereby requests the Congress of the United States to hold public hearings on the proposed "Consumer Communications Reform Act of 1976" as quickly as possible so all interested parties will have the opportunity to present their views; and

BE IT FURTHER RESOLVED

That certified copies of this Resolution be sent to the President Protempore of the Senate, the Senators from Pennsylvania, the Speaker of the House of Representatives and the Members of the House from Pittsburgh.

WHEREAS, Ordinance No. 232, approved July 7, 1961 requires that leases for wharf frontage for any term longer than month to month may not be executed without express authority of City Council.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. That the Mayor and the Director of the Department of Lands and Buildings on behalf of the City of Pittsburgh, are hereby authorized to lease to GATEWAY CLIPPER, INC., A Pennsylvania Corporation, 390 lineal feet of wharf frontage beginning at a point on the Monogahela Wharf at Smithfield Street and the Monogahela River and con-

tinuing in a westerly direction toward the Fort Pitt Bridge for a distance of 390 feet, subject to a ninety (90) day cancellation clause by either party, with year to year renewal provisions after the initial three (3) years, at a rental of Four Hundred Eighty Seven (\$487.00) Dollars per month. Said lease shall contain, inter alia the following provisions in substantially the following form:

(a) Lessee shall submit proof to Lessor in the form of a certificate duly attested by the officers or authorized representatives of a responsible insurance company that it has obtained and will maintain in effect the following insurance for the protection of the Lessor, it being understood and agreed that said insurance shall cover Lessor as an additional insured, and shall be non-cancellable except upon ninety (90) days notice to Lessor, all premiums being at the expense of Lessee:

Public Liability \$1,000,000.00 - \$3,000,000.00
Property Damage \$100,000.00

(b) Lessee shall install, at its own expense, all utilities including gas, electricity, water and sewerage with the approval of all governmental bodies concerned therewith.

(c) Lessee shall pay all charges for utilities including gas, electricity, water rents and sewerage charges.

(d) Lessee shall use the premises solely for mooring of two (2) barges and the operation of four (4) sightseeing boats including the sale of food and beverages.

(e) Lessee shall comply with all applicable Federal, State and Local laws and regulations.

(f) Prior to the effective date of this lease, lessee shall:

(1) Submit proof to Lessor that it is the owner of said boats and barges.

(2) Provide to Lessors satisfaction and at Lessee's expense, for water supply and sewage disposal.

GRANTING unto the National Fleet Corporation, its Successors and Assigns, the right and privilege to construct, maintain and use, at its own cost and expense, a 6" extruded aluminum facing on its building at 5301 Fifth Avenue at its intersection with St. James Street, in the Seventh Ward of the City of Pittsburgh.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. That the National Fleet Leasing Corporation, its Successors and Assigns, the right and privilege to construct, maintain and use, at its own cost and expense, a 6" extruded aluminum facing on its building at 5301 Fifth Avenue at its intersection with St. James Street in the Seventh Ward of the City of Pittsburgh.

The extruded aluminum facing, covering the front of the building on Fifth Avenue and the side of its building on St. James Street to be installed by virtue of this Resolution, shall be bounded and described as follows:

The depth of the facing from the roof line shall be 6.0 feet except at the entrances on Fifth Avenue and St. James Street where the facing will continue to ground level at a width of 40-inches on each side of said entrances.

The said extruded aluminum facing shall conform to the provisions of this Resolution and in accordance with the Plan identified as Accession No. B-951, on file in the Division of Surveys, Department of Public Works.

SECTION 2. The said Grantee prior to beginning of the construction of said facing

shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans in triplicate, showing the location and all details of said construction, said plans and said construction shall be subject to the approval and supervision of the Director of the Department of Public Works.

SECTION 3. The Rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances, or Resolutions which have been or may be hereafter passed relating to said construction, maintenance and its use on City streets and compensation for same.

SECTION 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewer, waterlines and other surface and sub-surface structures which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said construction. All work, including the repaving and repairing of any portion of the street damaged shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

SECTION 5. The rights and privileges granted by this Resolution are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said construction upon giving to the said Grantee at least six (6) month's written notice through the proper Officers, pursuant to a Resolution or Ordinance of Council, to the said National Fleet Leasing Corporation, its successors or assigns, to that effect and that the said Grantee shall when so notified at the expiration of the said six (6) months forthwith remove said construction and replace street to its original condition at its own cost and expense.

SECTION 6. The said Grantee assumes all liability, if any, of the City of Pittsburgh arising out of the exercise by the Grantee of the privileges and obligations under this Resolution.

RESOLUTIONS (Continued)

SECTION 7. The foregoing rights and privileges are granted subject to the following conditions, to wit; This Resolution shall become null and void unless within thirty (30) days after its approval the said National Fleet Leasing Corporation, its successors or assigns, shall execute and file with the city Controller its certificate of acceptance of the provisions thereof.

REPEALING Resolution No. 10, recorded February 7, 1972, authorizing the sale of property in the 13th Ward located on Warsaw & Haverhill Streets, to Arch Lhormer for the sum of \$6,000.00.

Reason for repealing Resolution No. 10 is to return the hand money in the amount of \$600.00 to Arch Lhormer as the intended project did not materialize due to the objection of the people of the Neighborhood Community Council as they did not want a 236 housing project in that area.

THEREFOR BE IT

RESOLVED, that Resolution No. 10 be repealed and the Department of Lands is to return the hand money in the amount of \$600.00 to Arch Lhormer.

THEREFORE, be it

RESOLVED, That the Office of Solicitor for-City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in accordance with the aforesaid proposal and Act No. 514 of 1947 as amended. The cost of

No. 757

WHEREAS, the nation's Inland Waterways System is an integral part of our nation's transportation system; and

WHEREAS, the rivers of the Pittsburgh area are a major component of the economic life of Western Pennsylvania; and

WHEREAS, U.S. Senate Bill 3823, Section 5 intends to establish a system of user charges assessed to the commercial users of inland Waterways; and

WHEREAS, the imposition of such charges would disrupt the economic network of this nation; and

WHEREAS, such user charges would be severely discriminatory against and would prejudice the economic life of Pittsburgh which is so heavily dependent on low cost water transportation for access to distant markets and for receiving raw materials for its industry; and

WHEREAS, water transportation is the basic logistical structure of the electric utility, coal, petroleum, steel, and other industries of the Pittsburgh area;

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Pittsburgh on behalf of the citizenry urges the Senate to oppose the imposition of water user charges by deleting Section 5 from Senate Bill 3823.

AND BE IT FURTHER RESOLVED that certified copies of this resolution be sent to Senators Schweiker and Scott along with

WHEREAS, it is the policy of the Pittsburgh Board of Education to offer to give former and usable school buildings and land to the City of Pittsburgh for development by the City; and

WHEREAS, the former Cowley School site on the North Side was offered to the City and not accepted by the City in the past; and

WHEREAS, the opportunity now exists to reconsider and change the decision not to accept the property; and

WHEREAS, the Council of the City of Pittsburgh and the Mayor of the City are fully aware of the dwindling tax base due to loss of residents in the City; and

WHEREAS, low and middle income housing built on the former Cowley School site would provide tax revenues for the City and County; and

WHEREAS, building new housing in the City continues to be a desirable objective for the City to strive for; and

WHEREAS, the Mexican War Streets neighborhood is a neighborhood that is dramatically rebuilding itself and could use the added impetus that new housing in it midst would provide to mix with old, rehabilitated housing; and

WHEREAS, one of the responsibilities of the office of Housing Coordinator in city government is to encourage and attract developers to build new housing in the City where feasible; and

WHEREAS, the Mexican War Streets area and the former Cowley School site in particular, is a desirable and feasible location for new housing.

NOW, THEREFORE, BE IT

RESOLVED, That the Council recommends to the Mayor and housing administrators of the City that they exercise their opportunity to acquire the Cowley School site and procure developers who will construct revenue producing housing on the site that is consistent with the plans for the Mexican War Streets neighborhood.

No. 809

WHEREAS, the commodities of heat and light cannot be considered luxury items but are, in fact, necessities, just as food and clothing are for all of our citizens; and

WHEREAS, escalating utility bills have become a mounting problem for the people of Pittsburgh, especially for low and moderate income families, senior citizens and those living on fixed incomes; and

WHEREAS, ten percent of the average citizens' utility bill is composed of state taxes, two of which, the Gross Receipts Tax and Utility Realty Tax contribute to higher utility bills while allowing the state to reap windfall benefits from the public's plight; and

WHEREAS, the Gross Receipts Tax taxes not only basic utility costs but also the fuel adjustment charge, thereby further increasing the consumer's monthly utility bill; and

WHEREAS, twenty percent of the revenue collected by the state from the Gross Receipts

Tax comes from taxes on the fuel adjustment charge, which is passed on entirely to the consumer; and

WHEREAS, the Utility Realty Tax also overtaxes Pennsylvania consumers by providing a \$23 million windfall for the state; and

WHEREAS, no tax should capitalize on a public crisis, such as the current energy crisis, or further aggravate that crisis.

NOW, THEREFORE BE IT RESOLVED that the Council of the City of Pittsburgh hereby urges the House and Senate of the State of Pennsylvania to adopt Senate Bills 1507 and 1508 to remove fuel adjustment charges from the Gross Receipts Tax, freeze Utility Gross Receipt Tax collections at current levels, and end Utility Realty Tax overcharges.

BE IT FURTHER RESOLVED that copies of this resolution be sent to the Speaker of the Pennsylvania House of Representatives, the House Majority and Minority leaders, the President Pro tem of the Senate, Senate Majority and Minority Leaders and Members of the Pennsylvania General Assembly from the City of Pittsburgh.

No. 850

WHEREAS, James W. Waskowiak is the owner of Lot Nos. 304 through 307 in the Fiarhaven Terrace Revised Plan of Lots of record in the Recorder's Office of Allegheny County, said lot being located at 2408 Georgette Street, in the Thirty-second Ward of the City of Pittsburgh.

WHEREAS, said owner proposes to construct a one-story dwelling on the above mentioned Lot Nos. 304 through 307, and

WHEREAS, Georgette Street is an open unimproved Street from Richfield Street to Kohen Street, and

WHEREAS, said owner proposes to grade, pave and maintain a 127-foot section of the

unimproved portion of Georgette Street at his own cost and expense, said paving to consist of 3A crushed slag choked with 2B granulated slag with a bituminous surface of 1 ½" of binder and 1" of 250C asphalt as specified by the Department of Public Works, and

WHEREAS, said owner for himself, his successors and assigns, agrees to indemnify, defend and save the City of Pittsburgh harmless from any and all damages which may arise from the grading, paving and maintenance of said unimproved portion of Georgette Street,

NOW THEREFORE BE IT RESOLVED:

Section 1. That the Director of the Department of Public Works be and he is authorized to issue a permit to James W. Waskowiak to grade, pave and maintain an unimproved portion of Georgette Street from Richfield Street to a point 127-feet north westwardly therefrom

Be it further resolved that this Resolution shall be void and of no effect unless James W. Waskowiak file with the City Controller a certificate of acceptance of the provisions of this Resolution within thirty (30) days from the date of its approval.

REPEALING Resolution No. 488, approved July 12, 1976, which authorized the sale of property in the 5th Ward located on 2502 Hallet Street, designated as Block 10-L, Lot 338, to Gene Amos for the sum of \$1,000.00.

The reason for repealing Resolution No. 488, is that property is under ownership of the Urban Redevelopment Authority and deed was not recorded prior to this sale.

Therefore, Resolution No. 488 is hereby repealed and the Department of Lands and Buildings is to return the hand money in the amount of \$100.00. to Gene Amos.

THEREFORE, be it

RESOLVED, That the Office of Solicitor for City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in

No. 912

REPEALING Resolution No. 437, approved December 3, 1973, which authorized the sale of property in the 17th Ward located on 1024 Warrington Avenue, designated as Block 14-C, Lot 218, to Louis and Nicolette D'Abruzzo for the sum of \$3,500.00.

The reason for repealing Resolution No. 437 is that the property was conveyed in error because it was to be sold for commercial purposes and because of zoning restrictions, it is not possible.

Therefore, per Order of Court dated August 3, 1976, that the City of Pittsburgh is desirous and authorized to accept deed for the reconveyance of the subject property to the City of Pittsburgh and return the consideration paid by Louis and Nicolette D'Abruzzo.

THEREFORE, be it

RESOLVED, That the Office of Solicitor for City and School Tax Liens is hereby authorized and directed to petition the Court of Common Pleas for the sale of the aforesaid property in accordance with the aforesaid proposal and Act No. 514 of 1947 as amended. PROVIDING further incentives for middle income persons to remain or locate within the City of Pittsburgh by making available low interest home repair loans.

WHEREAS, the City of Pittsburgh is a fine place to live and raise a family; and

WHEREAS, the City of Pittsburgh has lost population within the past twenty-five years; and

WHEREAS, the City of Pittsburgh must engage in new and continuous methods to reverse this population loss; and

WHEREAS, the low interest home repair loan program have been successful in encouraging the repair and remodeling of many homes within the City of Pittsburgh; and

WHEREAS, the successful model of that program should be applied to another portion of our population; and

WHEREAS, it would be beneficial to the City of Pittsburgh to maintain and increase the number of middle income families within the City.

NOW, THEREFORE

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

Section 1. That a home repair loan program be extended to families whose income is between \$15,000.00 and \$25,000.00.

Section 2. That these said families would be eligible for loans on homes they are occupying for the first time and not for repair to homes they occupy for more than three (3) months prior to applying for said loan.

Section 3. That the rate of interest shall be at 6 percent for family incomes between \$15,000.00 to \$25,000.00.

Section 4. That the U.R.A. and all City of Pittsburgh departments are to take all necessary steps to implement this low interest home repair loan program.

Section 5. That this low interest home repair loan program shall expire on December 31, 1977 unless renewed by City Council.

A Resolution - Making appropriations to pay the expenses of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year, beginning January 1, 1977.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

Section 1. That the revenues of said City derived from taxes and other sources for the fiscal year beginning January 1, 1977 and ending December 31, 1977, including therein cash surplus on hand at the close of business on December 31, 1976, are hereby appropriated in the sum of \$116,101,315.00, an additional \$12,966,344.00 Police and Fire salaries to be paid from Revenue Sharing Trust Fund, an additional \$3,500,000.00 - Police-Fire and Environmental Services Salaries to be paid from Counter-Cyclical Fund, an additional \$87,863.00 to pay City Development salaries to be paid from Economic Development Program Fund, making a total Budget of \$132,655,522.00, to pay the expenses of conducting the public business of the City of Pittsburgh and meeting the debt charges thereof during the said period beginning January 1, 1977 and ending December 31, 1977, as well as all encumbrances incurred prior to January 1, 1977 for which services have not actually been rendered, or supplies, materials or equipment actually delivered prior to December 31, 1976 and so reported to the City Controller. Said en-

RESOLUTIONS (Continued)

cumbrances shall be charged to the proper appropriation accounts against which encumbrances have been originally charged, and all unexpended balances of appropriations remaining open upon the books of the City Controller at the close of the fiscal year 1976, shall be and the same are hereby ordered to be cancelled, except such amounts as shall be required for payments for services actually rendered or supplies, materials or equipment actually delivered prior to December 31, 1976 and so reported to the City Controller, or such amounts as shall be directed to be carried over to the fiscal year 1977 by resolution or ordinance of Council.

Section 2. No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation item shall be administered subject to and in conformity with the following terms and conditions:

(a) Data required for preparation of payrolls shall be submitted to the City Treasurer in such form, and at such time as he may prescribe, this data to include records of employment, time worked, whether compensation is based upon hours or days, worked, quantity of work performed, or upon a monthly or annual salary basis, and such other records or reports with reference to personal service as may be required.

(b) Payrolls shall be prepared by the City Treasurer upon the basis of such records or reports, and submitted by him to the respective directors or heads of departments or offices for approval and certification in such forms as he may prescribe.

(c) No transfer shall be made from one appropriation item to another except by resolution or ordinance of Council, and such resolution or ordinance shall in each case set forth the reasons for such request, and be accompanied by a certification from the Controller stating that there is a sufficient balance unencumbered and available in the appropriation item from which the transfer is to be made.

Section 3. No obligation shall be incurred by any department of the City government other than for salaries or wages, or for necessary ex-

penses of employees when engaged upon City business, except through the issue of an order, stating the service to be rendered, work performed or supplies, materials or equipment to be furnished together with the estimated cost of the same.

The Director of the Department of Supplies is hereby authorized and directed to provide upon requisition by the head of any department all necessary supplies, materials, equipment and machinery for such department; provided, however, that no requisition of any department shall be filled by the Director of the Department of Supplies in excess of the unencumbered balance of the appropriation properly chargeable, and that no order shall be issued by the Director of the Department of Supplies, or by the head of any other department of the City government, or by the head of any other department of the City government, until it has been approved by the City Controller. Payments on account of direct purchase shall be made from the amounts hereinafter appropriated thereof respectively. Purchase made by the Director of the Department of Supplies to go into stores shall be paid from the fund provided for such purposes, and when as directed by the City Controller; said fund shall be reimbursed from other appropriations to the extent of deliveries made from stores.

Section 4. Council may by resolution of the Finance Committee from time to time, restrict expenditures from the appropriations made hereby, both as to amounts for expenditures and the periods within which such expenditures may be made, and also, by resolution of the Finance Committee at any time cancel in whole or part any unencumbered balance of any said appropriations.

Section 5. For purposes of administration and accounting control, the code numbers indicated herein shall be considered as part of the appropriation titles.

MAYOR'S OFFICE

The Mayor's Office includes the elected and ceremonial functions of the Office of the Mayor and the administrative functions of governing the City. Additionally, the Mayor's Service Center, the Municipal Courts, and the City's Manpower Programs are under the Office of the Mayor.

The administrative functions of governing the City involve the time of all members of the Mayor's staff to some degree. In addition to general department administration, the responsibilities of this section include City personnel administration, labor relations and collective bargaining, budget preparation, intergovernmental coordination, housing coordination, and consumer advocacy.

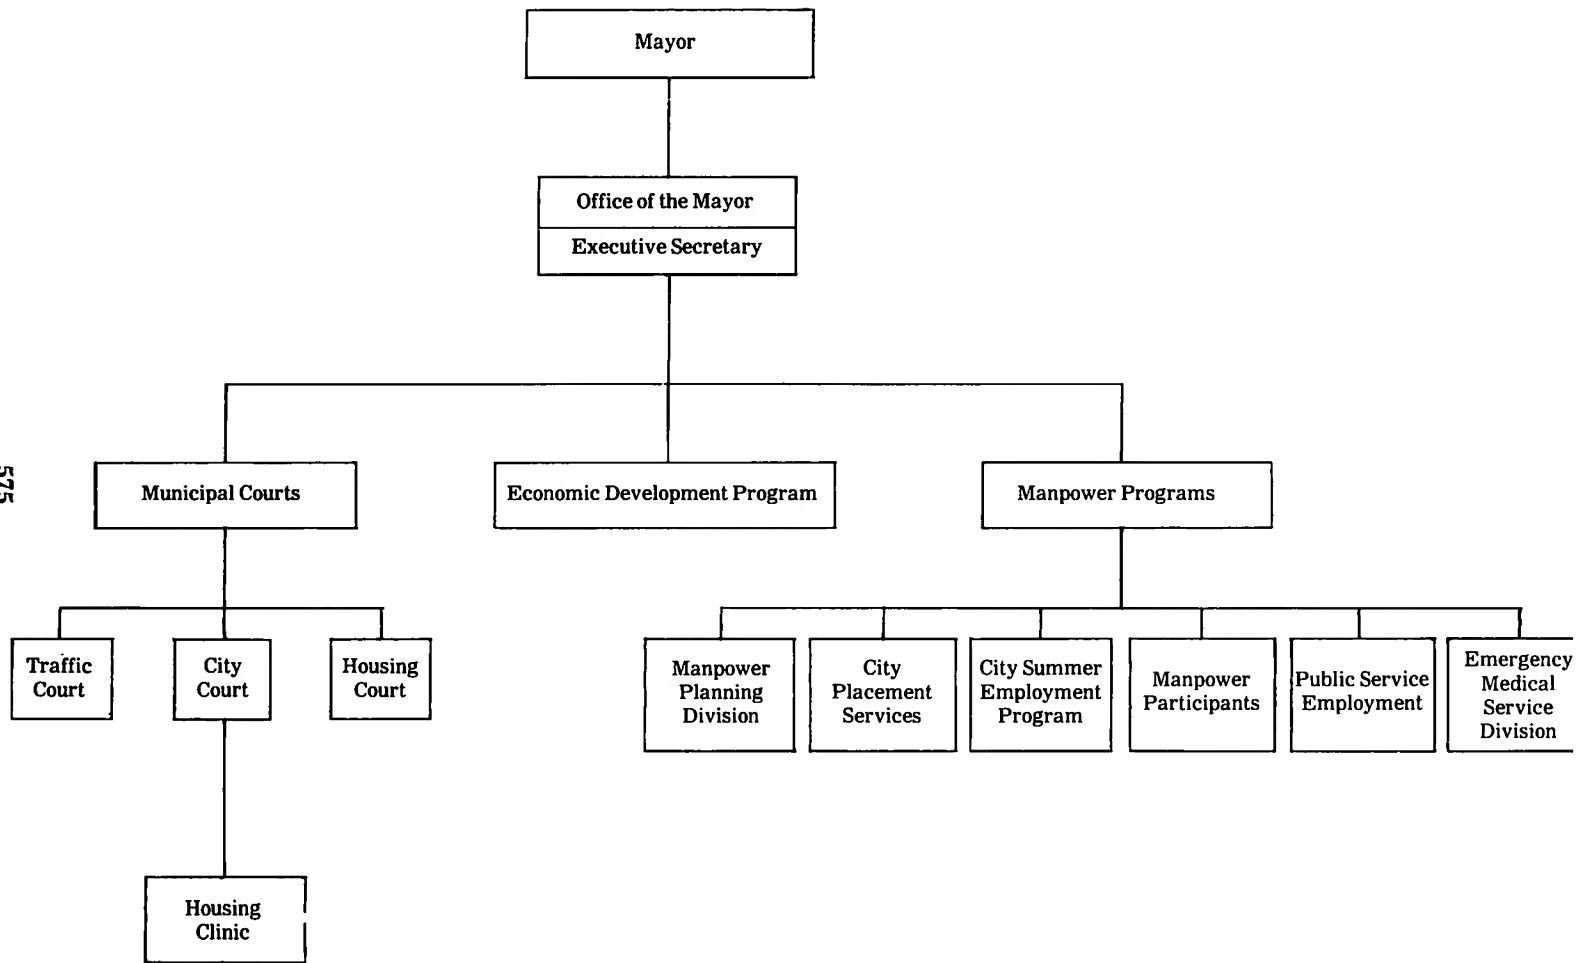

The Mayor's Service Center acts as the Mayor's ombudsman for all citizen service problems and assistance in dealing with City agencies.

The Municipal Courts include City Court where arraignments and preliminary hearings are held on criminal matters brought by the City Police; Traffic Court which hears cases involving motor vehicles and parking violations; and Housing Court which hears violations of the City Building and Fire Prevention Codes and the County Health Code. Housing Court also supervises the Housing Clinic which acts as a probation office for the courts.

The City's Manpower Program is funded by the U.S. Department of Labor and operates on subcontracts for programs designed to upgrade the City's work force and to provide assistance to the City's unemployed and underemployed. It also operates the City's Emergency Medical Division which provides the highest quality Mobile Intensive Care Units to city residents.

COMMISSION ON HUMAN RELATIONS

Primary among the functions of the Commission on Human Relations is the processing of individual complaints alleging discrimination in employment, housing, or public accommodations on the bases of race, color, religion, ancestry, national origin or place of birth, or sex. Such complaints are investigated by the Commission staff and are reported to the Commission for decisions. Where discrimination is found to exist, the Commission attempts to seek a satisfactory adjustment by voluntary conciliation. Where this fails a public hearing with the Commission may be held. After a public hearing, the Commission may issue orders which are enforceable by the Court.

In addition to the individual complaints the Commission has the authority to initiate complaints on its own.

The Commission, through its Contract Com-

pliance Specialist, monitors bidders for City construction contracts to determine whether or not they comply with equal opportunity and affirmative action provisions required by law.

The Commission also investigates and attempts to correct any condition which may have an adverse effect on inter-group relations. To achieve this object the Commission does investigate causes of community tension which may exist. The Commission also conducts educational and other programs to promote the equal rights and opportunities of all persons regardless of race, color, religion, national origin or place of birth, and sex.

Speakers are often provided to groups at their request.

The Commission issues reports of its activities to the Mayor, City Council and the public.

DEPARTMENT OF CITY TREASURER

The City Treasurer is also the School Treasurer and oversees the collection of taxes and revenues due both the School District and the City. The Treasurer is also responsible for short term investing of all City Funds and the Sinking Fund.

The Treasurer's tax collection function includes informing the public, registering new business and new individuals taxpayers, preparing, mailing, and processing forms, recording tax collections, refunding over-payments, investigating and auditing taxpayers' returns, and filing suits for non-compliance.

The Registration Section registers new businesses and issues Mercantile Licenses. The Business Tax Section prepares, mails, processes, and records returns from various businesses. The Wage Tax Section collects the 1 percent Wage Tax imposed by the School and City on the wages of employed persons who reside within the City of Pittsburgh. The Audit Section completes audits of business taxpayers which result in additional assessments. The Investigation Section conducts investigations of delinquent taxpayers.

The Billing and Tax Information Section supervises Water Rent, Real Estate and Personal Property Taxes, prepares and mails tax bills, prepares duplicate tax bills at the tax-

payer's request and answers taxpayer's questions. The Bookkeeping Section records Water and Real Estate Tax payments. This section also records Personal Property Tax billings and payments. The Treasurer's Sale Section conducts delinquent tax sales.

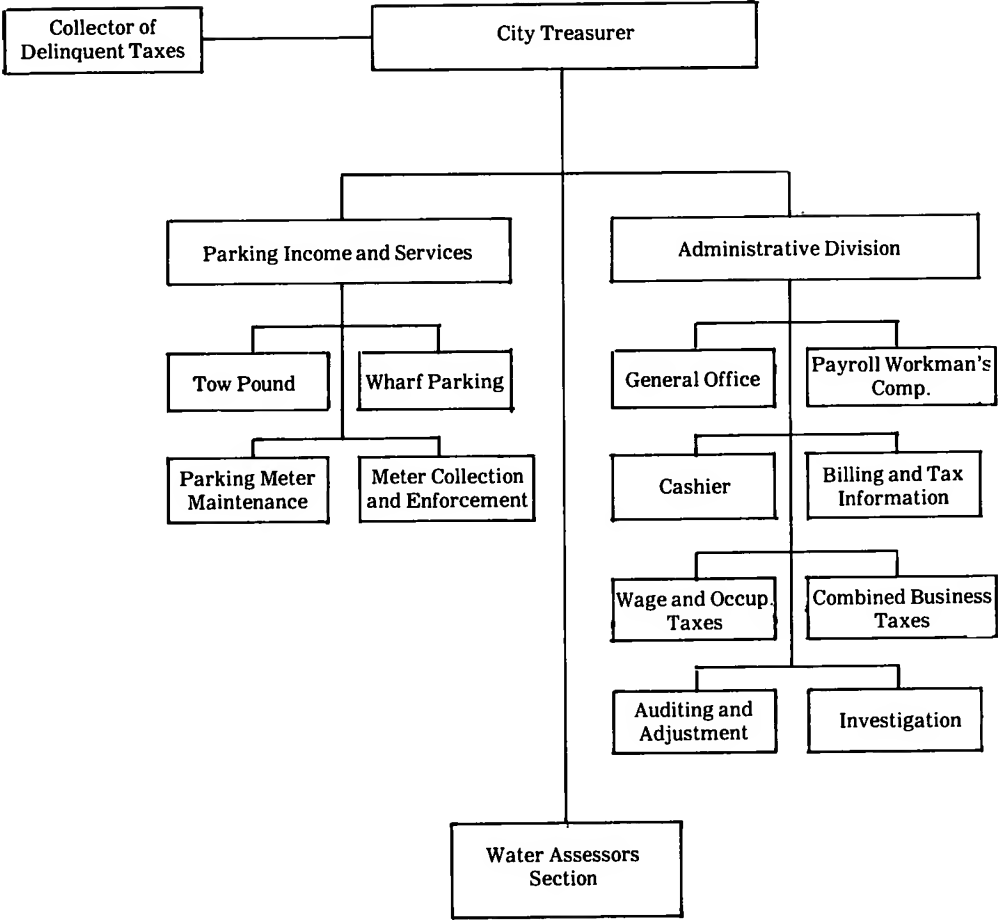

The Cashier Section receives funds in cash and checks through mail for the taxes above and for other City revenue such as Federal grants, license fees, etc. This year arrangements have been instituted which permits Pittsburghers to make their water and real estate payments at Pittsburgh National Bank.

The City Payroll Section operates under the Treasurer and prepares and distributes paychecks to all City employees every two weeks for approximately 5,000 City employees and 1,900 Federally funded Manpower personnel. The Payroll Department also administers Workmen's Compensation and various fringe benefits for employees.

In addition to these typical Treasurer functions, the Treasurer supervises the operation of Parking Income and Services. This includes the control and management of the Tow Pound, the parking at the City Wharf, the maintenance and installation of parking meters, and the supervision of the Meter Patrol that enforces parking violations.

DEPARTMENT OF LAW

The Department of Law acts as attorney for the City and its officials. It is headed by the City Solicitor who supervises a staff of attorneys, investigators, stenographers and clerks. Its activities involve all branches of City government. The Department renders legal opinions and advice to the Mayor, City Council and the various City departments.

The Law Department represents the City in court actions involving damage claims against the City and in other kinds of actions, including the defense of ordinances against allegations of unconstitutionality; civil rights actions, suits for collection of taxes, enforcement of such ordinances as the Zoning, Building and Traffic Codes; damage claims by the City against persons who have damaged City property or equipment; eminent domain cases dealing with the taking of property for public purposes; and intervention in tax assessment matters to help insure fair valuation of taxable

real estate. The Department participates in Workmen's Compensation and Civil Service cases, as well as police and fire trial boards.

The Law Department represents the interests of citizens in proceedings before such regulatory agencies as the Public Utility Commission and the Milk Marketing Board. It seeks to protect the City and its citizens against excessive gas and electric utility rates, milk prices and the like. The Department has opposed efforts by railroads to reduce essential service to the City.

Through its Claims Division, the Department processes claims and recommends payment or settlement in proper cases. The Law Department is responsible for the filing and revival of liens and for the drafting or approval of proposed ordinances, resolutions, deeds, leases, contracts, legal pleading and briefs.

PERSONNEL APPEALS BOARD

Created under the authority of the new Pittsburgh Home Rule Charter, the Personnel Appeals Board was established to provide an independent body to hear employee appeals to the decisions of major administrative unit heads and other officers and officials within City government.

The Board is composed of three members: one each to be appointed by Mayor, City Controller, and City Council.

CIVIL SERVICE COMMISSION

The functions and services provided by the Civil Service Commission benefit all departments of the City including federal programs. The department's general responsibilities are carried out by four sections within the department: 1) application processing; 2) examination administration; 3) employee record maintenance; 4) administration of the provisions of Civil Service Statutes.

Application processing begins with the announcement of openings of positions. The department is responsible for affirmative action advertising and recruiting. Applications or requests for applications are subsequently processed and subjected to residency and record investigations.

Basically, two types of examinations are performed by the department. First, as part of

the application processing, written, oral and performance examinations are prepared, administered, graded and used to determine the eligibility of the candidates for employment or promotion. With the assistance of professional testing consultants, the department devises job-related entrance and promotional examinations. The Commission has instituted and experimental pre-test training program for employees who apply for promotional examinations in the clerical field. Second, prior to employment, the department administers physical examinations to potential candidates. Physical examinations are also performed when employees return to work from extended absence due to accidents or other reasons.

Employee records, including records of employment changes and disciplinary actions, etc., are kept for all active employees. Records are also maintained of inactive employees. The department also is responsible for compiling the equal employment opportunity report for all departments of the City which must be filed each year with the federal government.

Administration of the provisions of Civil Service Statutes includes the audit of all payrolls for each pay period to certify that the employee's pay conforms with his or her civil service status and the salary ordinance. This function also includes the processing of employee

RESOLUTIONS (Continued)

transfers, promotions and terminations. The department also conducts hearings which result from appeals precipitated by changes in employee status. The department also determines the residency status of present employees and job applicants.

The department provides information to employees and the general public regarding position openings, application and testing

procedures, provisions of the Civil Service Statutes and procedures affecting the employment practices of the City. The Commission staff also maintains a close working relationship with all City departments to assist them in complying with the provisions of the Civil Service Statutes and Rules, the City's Affirmative Action Program and the federal employment guidelines.

DEPARTMENT OF CITY PLANNING

The Department of City Planning functions under a nine-member City Planning Commission which is appointed by the Mayor subject to approval by City Council. Planning Commissioners serve without pay for six-year staggered terms.

The main function of the Department of City Planning is to make recommendations to the Mayor and Council on the allocation of resources to promote the orderly development and redevelopment of the city. The resources with which the department deals primarily are private land, which is controlled through zoning and subdivision regulations, and public funds for physical construction, which is controlled through the Capital Program.

The Commission is required by law, to prepare and adopt a master plan. This requirement is met through the periodical publication of a Six-Year Development Program, which combines in a single document the long-range plans for the City, the current policies and programs for implementing those plans, and a recommended Six-Year Capital Program of specific projects. In addition to the Six-Year Development Program, the department also assists the Mayor in the preparation of an annual Capital

Budget and the Community Development Program.

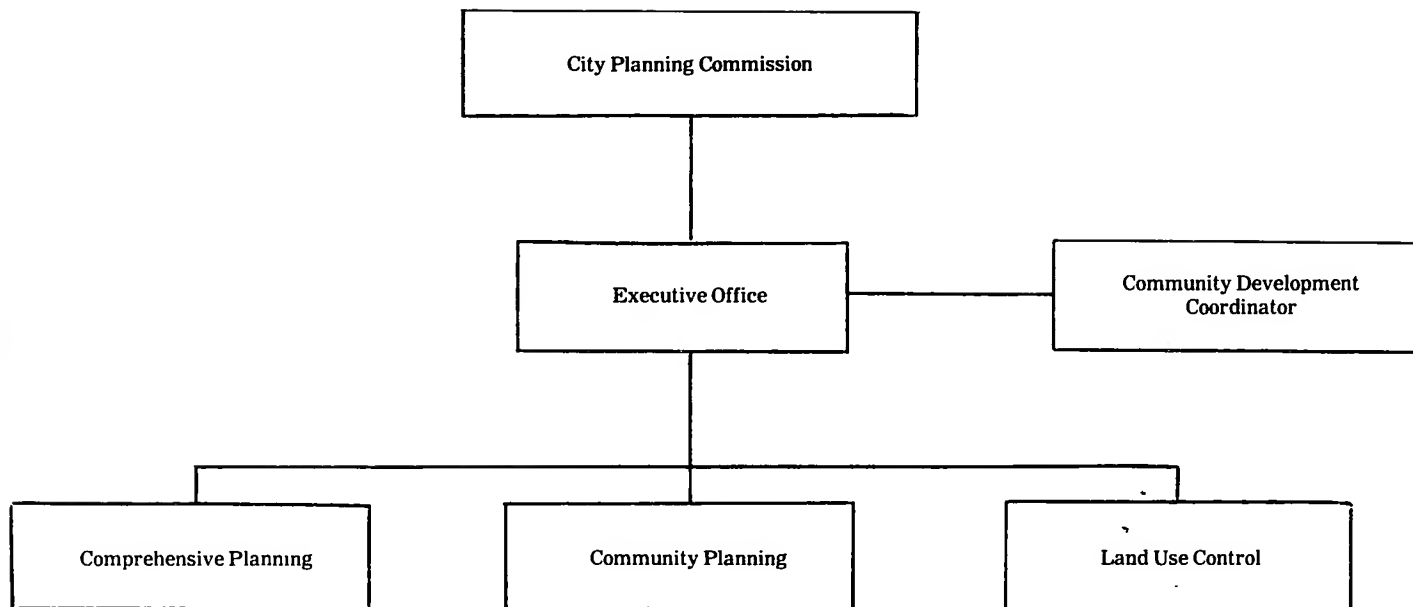

The department undertakes planning studies in various functional areas, including housing, transportation, recreation, urban design, and economic development. Included in such work is liaison with the operating departments and agencies, research and monitoring, and development of specific program recommendations or physical designs.

The department provides an ongoing mechanism for community participation through its Community Planning Program. A professional planner is assigned full time to each of eight large residential areas into which the City has been divided. This mechanism has permitted community groups and individuals to have a voice in the most important recommendations made by the City Planning Commission, including those on the Capital Budget and on the Community Development Block Grant Program.

The department is also responsible for administering the Zoning Ordinance and subdivision regulations.

The Department of Supplies is responsible for furnishing all goods and services required by the various City departments. The department is also responsible for the administration of the Bureau of Automotive Equipment. Tests, Print and Photography Shops, and Towing.

The General Office advertises for prospective suppliers, tabulates the bids received, and awards the contract to the lowest responsible bidder. The Department seeks to acquire the needed goods and services at the lowest cost compatible with high standards of quality by promoting vigorous competition through newspaper advertising and maintenance of

lists of vendors who are notified of impending City purchases and rentals.

The Bureau of Automotive Equipment maintains and repairs the City's fleet, consisting of over 1,200 vehicles. Additionally, the Bureau is responsible for fueling of all City-owned vehicles. In 1975, over 1.8 million gallons of fuel were dispensed at the two City-operated fueling facilities.

The Photography and Print Shops perform the various duplicating, lithographing, and photography services required by the City.

The Bureau of Tests is responsible for

assuring that all prospective purchases meet or exceed the City's specifications. The Bureau of Tests is also responsible for the street lighting system of over 42,000 lamps.

In 1977, the Bureau of Information Systems will be part of this department. This Bureau operates the City's computer system which

DEPARTMENT OF ENVIRONMENTAL SERVICES

This Department is responsible for helping City residents maintain a clean and healthful environment. To this end it provides three basic services: the collection and disposition of all residential solid waste, the Animal Control Program and the Environment Control Program.

The Refuse Collection and Disposition Division collects solid waste on a weekly basis from the rear and front of all residences in the City.

The Animal Control Program is responsible for the enforcement of the ordinances gover-

DEPARTMENT OF LANDS AND BUILDINGS

The Department of Lands and Buildings has the responsibility for all properties owned or controlled by the City of Pittsburgh.

The department is also responsible for the purchase of properties for use by the City and the sale of properties no longer required by City government.

The Real Estate Section of the department is comprised of a real estate supervisor and a working staff. The supervisor appraises properties and prepares agreements for the purchase and sale of same. This section functions as a liaison for the School District, Allegheny County and the City by selling and leasing properties under control of the three taxing bodies. They prepare leases for space needed by various City agencies in specific

geographic areas.

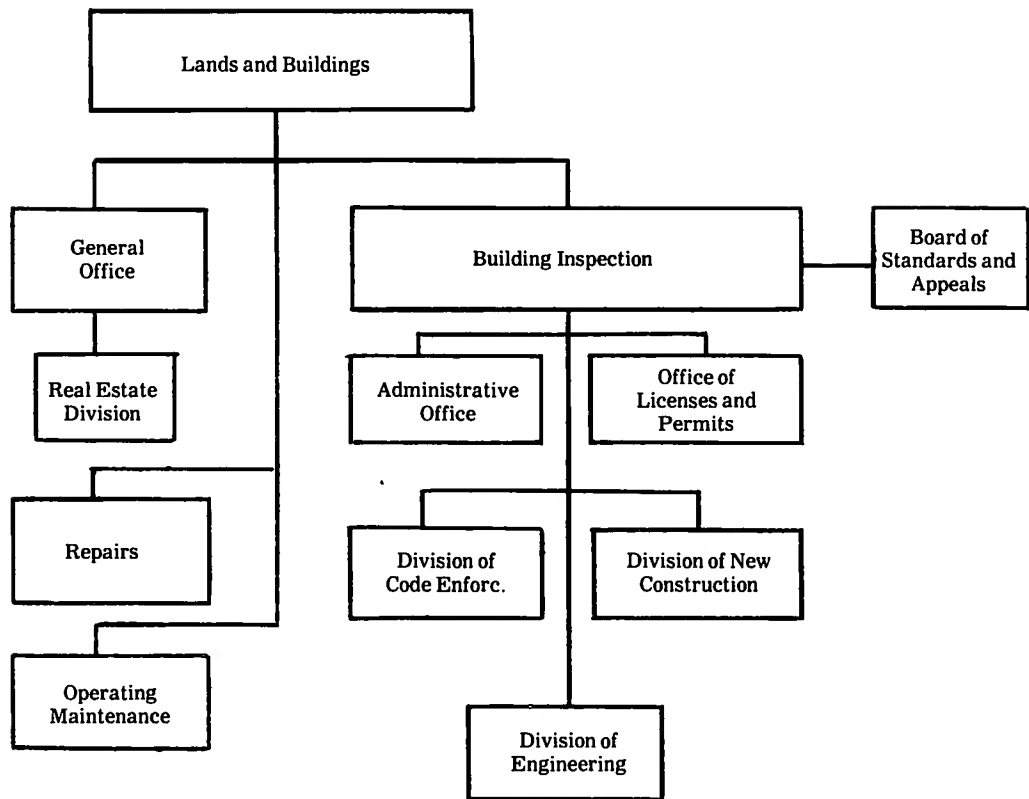

The department also has two divisions whose functions are concerned with properties owned outright by the City. The Bureau of Operating Maintenance is responsible for housekeeping within the various buildings. The Bureau of Repairs is responsible for building upkeep and minor renovations.

The Bureau of Building Inspection is under the jurisdiction of the Department of Lands and Buildings. This bureau issues permits for the erection, construction, alteration, repair or demolition of any structure in the City, and for installation of electric wiring or heating and cooling systems. It also performs inspections of structures reported to be in unsafe condition.

DEPARTMENT OF POLICE

The traditional responsibilities of protection of life and property, enforcement of criminal and traffic laws, prevention of crimes, preservation of the public peace and the apprehension of criminals all fall to the Department of Police. In addition, the department provides crossing guards to protect the public at busy intersections and children going to and from school, and issues a variety of licenses and permits.

The Operations Branch is responsible for the functioning of uniformed police officers on patrol throughout the city, including the City's parks and the control of vehicular traffic and enforcement of traffic laws and City Ordinances. As a result of collective bargaining, 28 Park Police officers, formerly employees of the Department of Parks and Recreation, were transferred to the Department of Police during the latter of 1976. To insure that City residents can continue to enjoy safety and security within the City park system, a

separate Division of Park Police has been created by City Council within the Operations Branch.

The investigation of crime and the prosecution of those suspected of committing crimes is the responsibility of the Investigation Branch. This unit also investigates missing persons and administers polygraph tests.

The Service Branch maintains the voluminous records of the department, provides the communications system, issues permits and is responsible for the processing and detention of prisoners.

The Superintendent's Office is the administrative arm of the department and also oversees the functions of Internal Affairs, Training and the School Crossing Guard Program.

DEPARTMENT OF FIRE

The Department of Fire is responsible for providing fire protection and fire prevention services to the residents of the City. For this purpose it mans and maintains firefighting units located throughout the city and a Fire Prevention Division.

The firefighting units have been equipped with the most modern equipment in order to provide an effective firefighting force. In addition to their basic function, firefighters also clean and maintain their equipment, assist in arson investigations, assist in rescue operations, inspect local residential and commercial buildings for fire hazards, and conduct evacuation drills in schools and other in-

stitutions.

The Fire Prevention Division inspects large commercial, industrial, and institutional structures for fire hazards and reviews building plans for compliance with the Fire Prevention Code of the City. A block inspection has been initiated in which local fire companies inspect their neighborhoods.

The Chief's Office is the administrative center of the department and also oversees the Fire Academy where new firefighters are trained for their duties and where in-service training and drilling of all firefighting units take place on a year-round basis.

DEPARTMENT OF PUBLIC WORKS

The Department of Public Works is responsible for the design, construction and maintenance of all the city streets, bridges, sewers, steps, and similar facilities. In addition, the design, engineering, and construction contract administration for all City Capital Improvements is the responsibility of this department.

The department is broken down into three major divisions—Director's Office, Operations, and Engineering. Operations include Bridges, Highways and Sewers, which has among its numerous functions, the resurfacing, patching, cleaning and salting of streets; the painting and repair of bridges, the cleaning of catch basins and maintenance of sanitary and storm sewer lines.

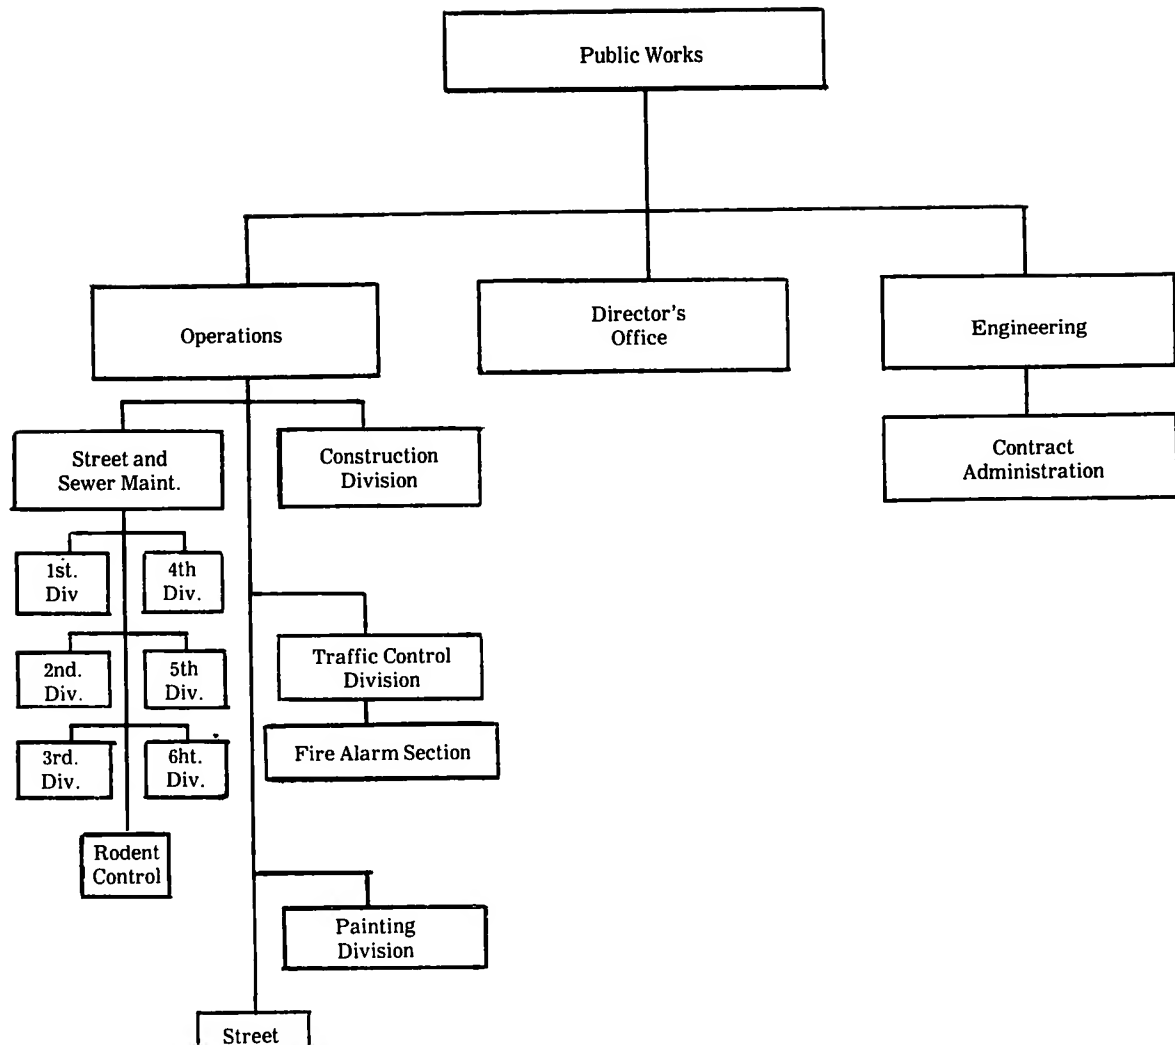

Operations also constructs and maintains the steps which go up many hillsides; steel and cable traffic barriers on many roads; and has begun installation of ramps for the handicapped on many downtown street corners.

Engineering is involved in the engineering and design of all major building projects for all City departments as well as the preparation of plans for new bridges, streets, sewers and traffic improvements.

The Director's Office is responsible for the overall management of the Department and includes the Contract Administration Section which oversees all construction contracts awarded by the City.

DEPARTMENT OF PARKS AND RECREATION

The Department of Parks and Recreation is divided into three bureaus, the Bureau of Administration, the Bureau of Grounds and Buildings, and the Bureau of Recreational Activities.

While maintaining over 2,500 acres of park land, the department has made a major effort during recent years to expand the recreational facilities and programs within every community. The construction of skating rinks, new swimming pools, recreation centers and numerous neighborhood playgrounds and courts, as well as lighting existing facilities for expanded use, has helped to bring the best recreational facilities within the easy reach of every resident of Pittsburgh.

The Parks and Recreation Department has given a new dimension to the definition of recreational programming. Athletic programs

have been expanded and diversified. Arts and crafts programs have been made available in almost every neighborhood, and music, drama, and dance programs have been introduced locally to provide both cultural and educational diversion. The Open Schools' Program, Workshop for Learning, and the Expanded Senior Citizens' Program have been implemented to provide for the social welfare, as well as the recreational needs of ages. Response to these programs has been excellent.

The department also provides places of special interest including the new Allegheny Community Theatre, Phipps Conservatory, and the Aviary. The Director of the department is Chairman of the Zoological Park Commission of Pittsburgh which is responsible for the operations at the entire Zoo Facility.

DEPARTMENT OF CITY DEVELOPMENT

economic development and marketing specialists.

Created by City council the Department of City Development has as its major responsibility the improvement of the economic life of the city, including the attraction of new and diversified commercial and industrial establishments and assistance to existing businesses to remain in Pittsburgh.

In this way, the department hopes to encourage the development of non or under-developed land within the city and the expansion of the municipal tax base.

During 1977 the department will serve as the operating arm of the City's Economic Development Program, funded by the U. S. Department of Commerce, the City and local private sources. The professional staff includes a director, whose appointment is subject to the approval of City Council and various

DEPARTMENT OF HOUSING

Created for 1977 by City Council the Department of Housing is an attempt to focus the energies of city government on improving housing conditions in Pittsburgh.

It is expected that the department will eventually function as the City agency primarily responsible for all housing and housing-related matters, including federal and local housing development programs, planning, code enforcement, housing violations and housing assistance programs.

During 1977 a professional staff consisting of a director and housing planner has been authorized by City Council.

DEPARTMENT OF WATER

The Department of Water has been entrusted with the responsibility for the construction, alteration, repair, maintenance and operation of those facilities owned and controlled by the City of Pittsburgh essential to the treatment and delivery of quality water to approximately 400,000 residents of this City, and about 300,000 transient customers.

Annually about 24-billion gallons of surface water are drawn from the Allegheny River and subject to extensive treatment to make it safe for human consumption. The required processing takes place in a series of structures along the Allegheny River contiguous to Aspinwall Borough. In this building complex are the Ross Pumping Station, Chemical Center, Clarifier, Operation Center, Filter Building, Aspinwall Pumping Station and the Un-

derground filtered Water Reservoir.

Constant sampling and testing every day of the week of the quality of our water at the plant and in the entire distribution system insures control of the quality of our water to satisfy existing State and Federal regulations. The laboratory process 13,162 bacteriological samples and 32,908 chemical samples per year and 288,959 analyses are performed on these samples.

Besides providing maintenance and operational service for the system, this department determines the actual water consumption for each consumer, maintains each meter in proper working order, and provides 24-hour around-the-clock emergency repair service for any distribution problem.

PERFORMANCE STATISTICS

	Projected 1977	Estimated 1976	Actual 1975

No. 1037

RESOLUTION -- Fixing the number of officers and employees of the City of Pittsburgh, and the rate of compensation thereof, and setting minimum levels for designated positions.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

Section 1. That from and after the first day of January, 1977, the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof, shall be and the same are hereby fixed and established as herein set forth.

Section 2. To ensure the capacity of the city to provide an effective level of municipal services which will meet the economic, physical and social needs of its citizens, residents, visitors and neighborhoods during the fiscal year for which this Resolution shall be in force, those positions designated by Section 3 of this Resolution shall remain filled for the entire fiscal year, subject to any reasonable time periods required to replace existing officers or employees who leave city employment for any reason during that fiscal year. There shall be no reduction in the number of filled positions so designated unless authorized by a resolution amending this budget resolution, in accordance with Section 507 of the Home Rule Charter of Pittsburgh. In adopting this Resolution it is the intention of Council to provide funding for the annual budget at a level which will enable all departments and units of City government so designated to be staffed, equipped and maintained at the levels mandated herein. If, during the fiscal year, the executive branch determines that the number of employees so mandated in any program can be reduced without substantially effecting the level of services to be provided, the Mayor may request an amendment to this Resolution to accomplish that reduction, and shall include with any request of that nature the reasons for the reduction and evidence as to the impact of that reduction upon the level of services provided.

Section 3. The minimum levels are established for the following positions:

UNIFORM ALLOWANCE

Each permanently appointed employee shall be paid a sum of two hundred dollars (\$200.00) in 1977 for the purchase and replacement of all uniforms, insignia including nameplates, and equipment required by the Rules and Regulations of the Department in the month of February or in the first month in the calendar year in which the employee actually works, whichever is later.

New appointees shall be paid at the time they conclude their recruit course. Any new appointee dismissed during the probationary period shall deliver to the Police Department all uniform insignia and equipment purchased with this allowance, computed at original cost,

and shall also be entitled to a refund of any sum above \$200.00 spent for uniforms or equipment specially authorized for a recruit by regulation, provided he turns in same.

LONGEVITY

Each uniformed employee of the Police Department shall receive a longevity payment of one hundred dollars (\$100.00) after five complete years of service and for each additional complete year of service over five (5) years an additional twenty dollars (\$20.00) up to a maximum of four hundred dollars (\$400.00).

The longevity increase shall not be a part of base rates and shall not be considered as part of wages for overtime or any other purpose.

RESOLUTIONS (Continued)

No. 1038

RESOLUTION—adopting the 1977 Capital Budget; allocating and setting aside amounts in connection therewith; creating Capital Trust Funds; transferring Bond Funds to said Capital Trust Funds.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

Section 1. The 1977 Capital Budget set forth in Exhibit 1 attached hereto and made part hereof, is hereby adopted and the Projects listed therein are hereby approved.

Section 2. The total amounts indicated opposite the departmental allocations in said Exhibit 1 are hereby allocated and set aside in appropriate Capital Trust Fund Accounts within the Capital Improvement Program Fund to be established by the City Controller for the 1977 Capital Improvements Program.

Section 3. The City Controller is hereby authorized and directed to create Capital Trust Fund Accounts for each of the Projects listed in said Exhibit 1, excluding personnel, interest, materials, repairs, and capital financing costs, said Trust Funds to be designated as indicated on said Exhibit 1.

Section 4. The City Treasurer is hereby authorized to ~~epos~~ deposit the Capital Trust Funds referred to in Section 3 of this Resolution in a bank or banks to be selected by him.

Section 5. The City Controller is hereby authorized and directed to transfer sums from prior year existing Bond and Capital Trust Funds and from the Funds established for the 1977 indebtedness described in Section 9 hereof, to each of the aforesaid Capital Trust Funds in the amount indicated on said Exhibit 1, for Project costs, excluding personnel, interest, materials, repairs and capital financing costs.

Section 6. The City Controller is hereby authorized to deposit in or transfer to the appropriate Capital Trust Fund money received from Grant Contracts with the Federal or State Governments.

Section 7. Any reimbursement received from the Commonwealth of Pennsylvania or the United States of America with respect to projects financed with short-term notes authorized pursuant to Section 9 hereof, shall initially be deposited to the Capital Trust Fund Account for all participating projects and the City Controller is hereby authorized to transfer said reimbursement funds from the Capital Trust Fund to any Sinking Fund established for any short term notes.

Section 8. The Mayor, City Treasurer and City Controller of the City are hereby authorized to institute proceedings for the increase of the indebtedness of the City of Pittsburgh, Allegheny County, Pennsylvania by an amount sufficient to pay the cost of the above-described Projects.

Section 9. Any Resolution or Ordinance or part thereof conflicting with the provisions of his Resolution is hereby repealed so far as the same affects this Resolution.
